Being John Lennon Ray Connolly, 2018-11-27 What was it like to be John Lennon What was it like to be the castoff child the clown at school and the middle class suburban boy who pretended to be a working class hero How did it feel to have one of the most recognizable singing voices in the world but to dislike it so much he always wanted to disguise it Being John Lennon is not about the whitewashed Prince of Peace of Imagine legend because that was only a small part of him The John Lennon depicted in these pages is a much more kaleidoscopic figure sometimes almost a collision of different characters He was of course funny often very funny But above everything he had attitude his impudent style somehow personifying the aspirations of his generation to question authority He could and would say the unsayable Though there were more glamorous rock stars in rock history even within the Beatles it was John Lennon's attitude which caught and then defined his era in the most memorable way **Empire** Will Starr, 2018-07-01 On his way out West to find land of his own Ben Tower finds and rescues beautiful Mattie Sullivan the lone survivor of a doomed wagon train Ben and Mattie soon fall in love and plan to travel West to start a new life together But the trail westwards is never easy and wild animals greedy ranchers flash floods
