Edward George Otto Charles Philips George Macaulay and Humphry Trevelyan and the clever and formidable women they married Including many vivid portraits of the most influential members of this remarkable family The Trevelyan's casts light on the period of enormous social and cultural change in which they lived and examines why they chose not to simply exploit their position as landed gentry but instead to take their place at the centre of scholarship and politics The Methodist family Young Methodism, 1876 The Romancist and Novelist's Library William Hazlitt, 1842 The Romancist, and novelist's library.
