## **Irish Industrial Schools 1868 1908 Origins And Development:**

**Irish Industrial Schools, 1868-1908** Jane Barnes, 1989 The Irish industrial school system was established in the late 19th century to accomodate the many thousands of destitute orphaned and unwanted children in post famine Ireland This book enquires into the nature and purpose of this system and the social thinking which lay behind the initiative a detailed picture of life within such schools is provided in the closing chapters Jacket The Cambridge History of Ireland: Volume 4, 1880 to the Present Thomas Bartlett, 2018-02-28 This final volume in the Cambridge History of Ireland covers the period from the 1880s to the present Based on the most recent and innovative scholarship and research the many contributions from experts in their field offer detailed and fresh perspectives on key areas of Irish social economic religious political demographic institutional and cultural history By situating the Irish story or stories as for much of these decades two Irelands are in play in a variety of contexts Irish and Anglo Irish but also European Atlantic and latterly global The result is an insightful interpretation on the emergence and development of Ireland during these often turbulent decades Copiously illustrated with special features on images of the Troubles and on Irish art and sculpture in the twentieth century this volume will undoubtedly be hailed as a landmark publication by the most recent generation of historians of Ireland *Palgrave Advances in Irish History* M. McAuliffe, K. O'Donnell, L. Lane, 2009-04-27 This book provides a much needed historiographical overview of modern Irish History which is often written mainly from a socio political perspective This guide offers a comprehensive account of Irish History in its manifold aspects such as family famine labour institutional women cultural art identity and migration histories *A New History of Ireland, Volume VI* W. E. Vaughan, 2010-04-01 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VI opens with a character study of the period followed by ten chapters of narrative history and a study of Ireland in 1914 It includes further chapters on the economy literature the Irish language music arts education administration and the public service and emigration **Histories of Punishment and Social Control in Ireland** Lynsey Black, Louise Brangan, Deirdre Healy, 2022-08-23 This volume contains an Open Access Chapter Leading scholars on Irish penal history and theory explore trends and debates that have surrounded patterns of punishment in Ireland since the formation of the State and foreground often absent perspectives in criminology and punishment *Transitional Justice and the Historical Abuses of Church and State* James Gallen, 2023-03-30 In this book James Gallen provides an in depth evaluation of the responses of Western States and churches to their historical abuses from a transitional justice perspective Using a comparative lens this book examines the application of transitional justice to address and redress the past in Ireland Australia Canada the United States and United Kingdom It evaluates the use of public inquiries and truth commissions litigation reparations apologies and reconciliation in each context to address these abuses Significantly this

novel analysis considers how power and public emotions influence and often impede transitional justice's ability to address historical structural injustices. In addressing historical abuses, power fails to be redistributed and national and religious myths are not reconsidered, leading Gallen to conclude that the existing transitional justice efforts of states and churches remain an unrepentant form of justice. This title is also available as Open Access on Cambridge Core. **The end of the Irish Poor**

**Law?** Donnacha Sean Lucey, 2016-03-02. Analyses the attempted reform of the Poor Law system in Ireland between 1910 and 1932. This period represented one of the most formative and crucial eras in Irish politics and society with the ideas of culture, nation, state and identity widely contested. **Growing Up in Nineteenth-century Ireland** Mary Hatfield, 2019. A

comprehensive cultural history of childhood in nineteenth-century Ireland which explores how the notion of childhood fluctuated depending on class, gender and religious identity and presents invaluable new insights into Irish boarding schools, the material culture of childhood and the experience of boys and girls in education. **The Schooling of Girls in Britain**

**and Ireland, 1800- 1900** Jane McDermid, 2013-03-07. This book compares the formal education of the majority of girls in Britain and Ireland in the nineteenth century. Previous books about Britain invariably focus on England and such British studies tend not to include Ireland despite its incorporation into the Union in 1801. *The Schooling of Girls in Britain and Ireland 1800-1900* presents a comparative synthesis of the schooling of working and middle-class girls in the Victorian period with the emphasis on the interaction of gender, social class, religion and nationality across the UK. It reveals similarities as well as differences between both the social classes and the constituent parts of the Union, including strikingly similar concerns about whether working-class girls could fulfill their domestic responsibilities. What they had in common with middle-class girls was that they were to be educated for the good of others. This study shows how middle-class women used educational reform to carve a public role for themselves on the basis of a domesticated life for their lower-class sisters, confirming that Victorian feminism was both empowering and constraining by reinforcing conventional gender stereotypes.

**The Cambridge History of Ireland: Volume 3, 1730-1880** James Kelly, 2018-02-28. The eighteenth and nineteenth centuries were an era of continuity as well as change. Though properly portrayed as the era of Protestant Ascendancy, it embraces two phases: the eighteenth century when that ascendancy was at its peak and the nineteenth century when the Protestant elite sustained a determined rear-guard defence in the face of the emergence of modern Catholic nationalism. Employing a chronology that is not bound by traditional datelines, this volume moves beyond the familiar political narrative to engage with the economy, society, population, emigration, religion, language, state formation, culture, art and architecture and the Irish abroad. It provides new and original interpretations of a critical phase in the emergence of a modern Ireland that while focused firmly on the island and its traditions, moves beyond the nationalist narrative of the twentieth century to provide a history of late early modern Ireland for the twenty-first century. **The cruelty man** Sarah-Anne

Buckley, 2015-11-01. Recent debates surrounding children in State care, parental rights and abuse in Ireland's industrial

schools concern issues that are rooted in the historical record By examining the social problems addressed by philanthropists and child protection workers from the nineteenth century we can begin to understand more about the treatment of children and the family today In Ireland the National Society for the Prevention of Cruelty to Children NSPCC was the principle organisation involved in investigating families and protecting children The cruelty men as NSPCC inspectors were known acted as child protection workers and children s police This book looks at their history as well as the history of Ireland s industrial schools poverty in Irish families changing ideas around childhood and parenthood and the lives of children in Ireland from 1838 to 1970 It is a history filled with stories of real families families often at the mercy of the State the Catholic Church and voluntary organisations It is a must read for all with an interest in the Irish family and Irish childhood past and present

**The Cambridge Social History of Modern Ireland** Eugenio F. Biagini, Mary E. Daly, 2017-04-27 This is the first textbook on the history of modern Ireland to adopt a social history perspective Written by an international team of leading scholars it draws on a wide range of disciplinary approaches and consistently sets Irish developments in a wider European and global context

**Intellectual Disability and Ireland, 1947-1996** David Kilgannon, 2023-10-15 An Open Access edition of this book is available on the Liverpool University Press website and the OAPEN library Intellectual Disability and Ireland 1947 1996 explores the varied experiences of the intellectually disabled during the latter half of the mid twentieth century in Ireland Addressing the evolution of disability policies and provision it shows how a range of different actors became engaged in shaping the disability services landscape during this period Drawing on a variety of sources from government memoranda to RT television programmes David Kilgannon traces the development of disability services on paper and in reality This narrative is marked by instances of both striking transformation and significant continuity as the emergence of new policy thinking occurred in tandem with the consolidation of established approaches The book describes not only how services changed but why offering a unique perspective on the evolution of Irish social policy in the post war years

**Irish Economic and Social History** ,1990 *Social Change in the History of British Education* Joyce Goodman, Gary McCulloch, WILLIAM RICHARDSON, 2013-09-13 This work provides an overall review and analysis of the history of education and of its key research priorities in the British context It investigates the extent to which education has contributed historically to social change in Britain how it has itself been moulded by society and the needs and opportunities that remain for further research in this general area Contributors review the strengths and limitations of the historical literature on social change in British education over the past forty years ascertain what this literature tells us about the relationship between education and social change and map areas and themes for future historical research They consider both formal and informal education different levels and stages of the education system the process and experience of education and regional and national perspectives They also engage with broader discussions about theory and methodology The collection covers a large amount of historical territory from the sixteenth century to the present including the emergence

of the learned professions the relationship between society and the economy the role of higher technological education the historical experiences of Ireland Scotland and Wales the social significance of teaching and learning and the importance of social class gender ethnicity and disability It involves personal biography no less than broad national and international movements in its considerations This book will be a major contribution to research as well as a general resource in the history and historiography of education in Britain

**Poverty, Children and the Poor Law in Industrial Belfast, 1880-1918** Olwen Purdue, 2023-12-15 The late nineteenth century city acted as a magnet for the poor of rural Ireland attracting them with the promise of employment and economic independence For many however urban life meant economic precarity marginalisation and destitution with the workhouse as an all too present reality Young families were particularly vulnerable with the result that thousands of children found themselves confined within the workhouse walls This book explores the changing role of the Irish poor law in child welfare in the late nineteenth and early twentieth century city Taking as its focus Belfast a burgeoning industrial and port city at the heart of a global trade network and a city deeply divided along political and confessional lines it examines the ways in which that city's poorest children and their families engaged with the poor law and used the workhouse as part of their economy of makeshifts It examines the various spaces of the poor law whether the workhouse the foster home or the far reaches of empire as sites of encounter and engagement between welfare authorities and the city's poorest families and explores the development of child welfare practice at a time of increasing state encroachment into the daily lives of poor children

*Social change and everyday life in Ireland, 1850-1922* Caitriona Clear, 2013-07-19 Men and women who were born grew up and died in Ireland between 1850 and 1922 made decisions to train to emigrate to stay at home to marry to stay single to stay at school based on the knowledge and resources they had at the time This the first comprehensive social history of Ireland for the years 1850 1922 to appear since 1981 tries to understand that knowledge and to discuss those resources for men and women at all social levels on the island as a whole Original research particularly on extreme poverty and public health is supplemented by neglected published sources local history journals popular autobiography newspapers Folklore and Irish language sources are used extensively All recent scholarly books in Irish social history are of course referred to throughout the book but it is a lively read reproducing the voices of the people and the stories of individuals whenever it can questioning much of the accepted wisdom of Irish historiography over the past five decades Statistics are used from time to time for illustrative purposes but tables and graphs are consigned to the appendix at the back There are some illustrations An idea summary for the student loaded with prompts for future research this book is written in a non cliched jargon free style aimed at the general reader

**Feast and Famine** Leslie Clarkson, Margaret Crawford, 2001-11-15 This book traces the history of food and famine in Ireland from the sixteenth to the early twentieth century It looks at what people ate and drank and how this changed over time The authors explore the economic and social forces which lay behind these changes as well as the more personal motives of taste preference and

acceptability They analyze the reasons why the potato became a major component of the diet for so many people during the eighteenth century as well as the diets of the middling and upper classes This is not however simply a social history of food but it is a nutritional one as well and the authors go on to explore the connection between eating health and disease They look at the relationship between the supply of food and the growth of the population and then finally and unavoidably in any history of the Irish and food the issue of famine examining first its likelihood and then its dreadful reality when it actually occurred

**Residential Schools and Indigenous Peoples** Stephen Minton, 2019-10-08 Residential Schools and Indigenous Peoples provides an extended multi country focus on the transnational phenomenon of genocide of Indigenous peoples through residential schooling It analyses how such abusive systems were legitimised and positioned as benevolent during the late nineteenth century and examines Indigenous and non Indigenous agency in the possibilities for process of truth restitution reconciliation and reclamation The book examines the immediate and legacy effects that residential schooling had on Indigenous children who were removed from their families and communities in order to be educated away from their savage backgrounds into the civilised ways of the colonising societies It brings together Indigenous and non Indigenous authors from Aotearoa New Zealand Australia Greenland Ireland Norway the United Kingdom and the United States in telling the stories of what happened to Indigenous peoples as a result of the interring of Indigenous children in residential schools This unique book will appeal to academics researchers and postgraduate students in the fields of Indigenous studies the history of education and comparative education

**The Oxford History of British and Irish Catholicism, Volume IV** Carmen M. Mangion, James Edward Kelly, John David McCafferty, Susan O'Brien, 2023 The fourth volume of Oxford History of British and Irish Catholicism provides an overview of the history of Catholicism in the four nations of the United Kingdom of Britain and Ireland between 1830 and 1913 and demonstrates how Catholics in both islands participated in national European and global cultures

These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
