**The Irish Language in Northern Ireland** Camille C. O'Reilly, 2016-07-27 A topical and authoritative investigation of the Irish language and identity in Northern Ireland The phrase our own language has come to symbolize the importance of the Irish language to Irish identity for many Nationalists in Northern Ireland However different interests compete to have their version of the meaning and importance of the Irish language accepted This book investigates the role of the Irish language movement in the social construction of competing versions of Irish political and cultural identity in Northern Ireland arguing that for some Nationalists the Irish language has become an alternative point of political access and expression The Symbolic Significance of the Irish Language in the Northern Ireland Conflict Lisa Goldenberg, 2002 The expression our own language illustrates the significance of the Irish language for many among the nationalist community in Northern Ireland They regard the neglect of the language by unionist administrations since the 1920s as another part of the attempted anglicisation of Ireland and part of the justification for their continued opposition to the union As a result Irish has come to be seen as a symbol of resistance anti Britishness liberation and nationalism **The Irish Language in Northern Ireland** Aodán Mac Pólin, 1997 **Language and Conflict in Northern Ireland and Canada** J. Muller, 2010-07-16 In a unique contribution to understanding the interaction of language policy and planning in modern conflict resolution Janet Muller provides an insider account of the search for improved status for the Irish language in Northern Ireland from the 1980s The Irish Language in Ireland Diarmait Mac Giolla Chríost, 2004-03 This book comprises the first complete treatment of the Irish language in social context throughout the whole of Ireland with a particular focus on contemporary society The possibilities and limitations of the craft of language planning for the revival of the Irish language are outlined and the book also situates the language issue in the context of current debates on the geography history and politics of the nature of Irish identity A comprehensive multidisciplinary approach is adopted throughout *How to Broadcast the Irish Language in Northern Ireland* Don Anderson, 1999 The Irish Language in Ireland Diarmait Mac Giolla Chríost, 2004-03-01 This book comprises the first complete treatment of the Irish language in social context throughout the whole of Ireland with a particular focus on contemporary society The possibilities and limitations of the craft of language planning for the revival of the Irish language are outlined and the book also situates the language issue in the context of current debates on the geography history and politics of the nature of Irish identity A comprehensive multidisciplinary approach is adopted throughout **The Irish Language in Northern Ireland** Gran Bretanya. Committee on the Administration of Justice, 1993 **Television broadcasting in Northern Ireland** Great Britain: Parliament: House of Commons: Northern Ireland Affairs Committee, 2010-01-26 It has become apparent that Northern Ireland feels left behind in UK broadcasting terms Levels of production are comparatively low Northern Ireland producers find it difficult to win commissions from the UK s major broadcast organisations Digital switchover already under way in some parts of the UK will not occur in Northern Ireland until

2012 Nor since UTV remains strong enough to provide news in competition with the BBC will Northern Ireland benefit from public money proposed for new independently funded news consortia The evidence the Committee received confirms and demonstrates that Northern Ireland is the least well served of the UK's four nations in terms of network production that reflects and portrays its life and in the amount of network programming produced there The Committee makes a number of recommendations to remedy this

**A History of the Irish Language** Aidan Doyle (Lecturer in Irish), 2015 In this book Aidan Doyle traces the history of the Irish language from the time of the Norman invasion at the end of the 12th century to independence in 1922 combining political cultural and linguistic history The book is divided into seven main chapters that focus on a specific period in the history of the language they each begin with a discussion of the external history and position of the Irish language in the period before moving on to investigate the important internal changes that took place at that time A History of the Irish Language makes available for the first time material that has previously been inaccessible to students and scholars who cannot read Irish and will be a valuable resource not only for undergraduate students of the language but for all those interested in Irish history and culture

**Culture and Identity Politics in Northern Ireland** Máiréad Nic Craith, 2003-05-02 Civilization and culture have traditionally been regarded as mutually exclusive concepts In this comparative case study of Northern Ireland Máiréad Nic Craith explores the commitment of unionists to a civic culture blind British state contrasting this with nationalist demands for official recognition of Irish culture The cultural turn in Northern Irish politics and the development of a bicultural infrastructure is examined here in the context of differing interpretations of equality and increasing demands for intercultural communication within as well as between communities

**The Routledge Handbook of Language in Conflict** Matthew Evans, Lesley Jeffries, Jim O'Driscoll, 2019-05-10 The Routledge Handbook of Language in Conflict presents a range of linguistic approaches as a means for examining the nature of communication related to conflict Divided into four sections the Handbook critically examines text interaction languages and applications of linguistics in situations of conflict Spanning 30 chapters by a variety of international scholars this Handbook includes real life case studies of conflict and covers conflicts from a wide range of geographical locations at every scale of involvement from the personal to the international of every timespan from the fleeting to the decades long and of varying levels of intensity from the barely articulated to the overtly hostile sets out the textual and interactional ways in which conflict is engendered and in which people and groups of people can be set against each other considers what linguistic research has brought and can bring to the universal aim of minimising the negative effects of outbreaks of conflict wherever and whenever they occur The Routledge Handbook of Language in Conflict is an essential reference book for students and researchers of language and communication linguistics peace studies international relations and conflict studies

*The Globalization of Irish Traditional Song Performance* Susan H. Motherway, 2016-03-09 In *The Globalization of Irish Traditional Song Performance* Susan Motherway examines the ways in which performers mediate the divide between local and global markets by negotiating this

dichotomy in performance practice In so doing she discusses the globalizing processes that exert transformative influences upon traditional musics and examines the response to these influences by Irish traditional song performers In developing this thesis the book provides an overview of the genre and its subgenres illustrates patterns of musical change extant within the tradition as a result of globalization and acknowledges music as a medium for re negotiating an Irish cultural identity within the global Given Ireland s long history of emigration and colonisation globalization is recognised as both a synchronic and a diachronic phenomenon Motherway thus examines Anglo Irish song and songs of the Irish Diaspora Her analysis reaches beyond essentialist definitions of the tradition to examine evolving sub genres such as Country Irish Celtic and World Music She also recognizes the singing traditions of other ethnic groups on the island of Ireland including Orange Order Ulster Scots and Traveller song In so doing she shows the disparity between native conceptions and native realities in respect to Irish cultural Identity
