sport and culture From high level international dressage and jumping polo and the turf to the rodeo world of the Americas and popular forms of equestrian sport and culture we are introduced to a range of issues that are played out at local and global national and international levels Students and scholars of gender culture and sport will find much of interest in this original look at contemporary issues such as engendered women s and men s identities subjectivities as equestrians representations of girls horses and the world of adventure in juvenile fiction the current feminization of particular equestrian activities and where boys and men stand in relation to this how broad forms of social inequality and stratification play themselves out within gendered equestrian contexts men and women and their relation to horses within the framework of current discussions on the relation of animals to humans which may include not only love and care but also exploitation and violence among others Singular contributions show how equestrian activities contribute to historical and current constructions of embodied femininities and masculinities reflecting a world that has been moving beyond the binaries while continuing to be enmeshed in their persistent and contradictory legacy

*Stories of Culture and Place* Michael G. Kenny, Kirsten Smillie, 2014-11-20 This original introduction to cultural anthropology is a textbook like no other Structured as a narrative rather than a compendium of facts about cultures and concepts it invites students to think of anthropology as a series of stories that emerge from cultural encounters in particular times and places These moments of encounter are illustrated with reference to both classic and contemporary ethnographic examples from Coming of Age in Samoa to Coming of Age in Second Life allowing readers to grasp anthropology s sometimes problematic past while still capturing the excitement and potential of the discipline
