Fawson, Thomas J. Sullivan, Cornell R. DeJong, 2024-04-29 Praise for earlier editions I have been using this textbook as a
required reading for my research class since 2004 because I found the text's coverage of research concepts to be in depth
and easy to read without the technicalities Ziblim Abukari PhD MSW Assistant Professor Department of Social Work
Westfield State University Applied Social Research is thorough well organized and clear making it highly appreciated by my
students Barry Loneck PhD School of Social Welfare SUNY Albany Discover the practical side of research in human services
with this easy to follow classic Designed for students and professionals in social work public administration nursing criminal
justice and other human services fields this text breaks down complex concepts into accessible real world applications Follow
along with easy to read language and engaging examples to uncover nonintimidating practical tools for everyday problem
solving Several new features such as recorded practitioner interviews and Technology in Research boxes clarify and
reinforce the value of applied social research and innovative tools real professionals use in their work This textbook takes
readers on a journey through the entire research process from identifying problems to collecting and analyzing data and
finally to effectively communicating your findings Each chapter closes with critical thinking and self assessment questions to
help evaluate students understanding of the Council on Social Work Education's CSWE 2022 Educational Policy and
Accreditation Standards EPAS promoting in depth learning Instructors will also welcome a wide array of instructor resources
including a new Instructor Manual Sample Syllabi Test Bank and chapter PowerPoint presentations New to the Eleventh
Edition Every chapter opens with an extended vignette highlighting how professionals incorporate research methods into
their work New Practitioner Profiles provide real world insights into human services and podcast segments with recorded
interviews are included with every chapter Chapters now include Technology in Research and Research in Practice boxes
helping readers understand the research practice and technological innovations The new Instructor Manual includes
additional discussion questions relating to the podcasts learning activities to help students evaluate competencies and more
Key Features Clear explanations of the research process from problem solving to data analysis simplifies learning Explore
