**John G. Gallaher**

## **Iron Marshal:**

*The Iron Marshal* John G. Gallaher, 1976 Portrays Davout the administrator unpopular commander undefeated Napoleonic marshal and loyal supporter of the emperor against the background of the military history of revolutionary and imperial France

**Napoleon** Michael Broers, 2022-08-30 An accomplished Oxford scholar delivers a dynamic new history covering the last chapter of the emperor's life from his defeat in Russia and the drama of Waterloo to his final exile as the world Napoleon has created begins to crumble around him In 1811 Napoleon stood at his zenith He had defeated all his continental rivals come to an entente with Russia and his blockade of Britain seemed at long last to be a success The emperor had an heir on the way with his new wife Marie Louise the young daughter of the Emperor of Austria His personal life too was calm and secure for the first time in many years It was a moment of unprecedented peace and hope built on the foundations of emphatic military victories But in less than two years all of this was in peril In four years it was gone swept away by the tides of war against the most powerful alliance in European history The rest of his life was passed on a barren island This is not a story any novelist could create it is reality as epic Napoleon The Decline and Fall of an Empire traces this story through the dramatic narrative of the years 1811 1821 and explores the ever bloodier conflicts the disintegration and reforging of the bonds among the Bonaparte family and the serpentine diplomacy that shaped the fate of Europe At the heart of the story is Napoleon's own sense of history the tensions in his own character and the shared vision of a family dynasty to rule Europe Drawing on the remarkable resource of the new edition of Napoleon's personal correspondence produced by the Fondation Napoleon in Paris Michael Broers dynamic new history follows Napoleon's thoughts and feelings his hopes and ambitions as he fought to preserve the world he had created Much of this turns on his relationship with Tsar Alexander of Russia in so many respects his alter ego and eventual nemesis His inability to understand this complex man the only person with the power to destroy him is key to tracing the roots of his disastrous decision to invade Russia and his inability to face diplomatic and military reality thereafter Even his defeat in Russia was not the end The last years of the Napoleonic Empire reveal its innate strength but it now faced hopeless odds The last phase of the Napoleonic Wars saw the convergence of the most powerful of forces in European history to date Russian manpower and British money The sheer determination of Tsar Alexander and the British to bring Napoleon down is a story of compromise and sacrifice The horrors and heroism of war are omnipresent in these years from Lisbon to Moscow in the life of the common soldier The core of this new book reveals how these men pushed Napoleon back from Moscow to St Helena Among this generation there was no more remarkable person than Napoleon His defeat forged his myth as well as his living tomb on St Helena The audacious enterprise of the 100 Days reaching its crescendo at the Battle of Waterloo marked the spectacular end of an unprecedented public life From the ruins of a life and an empire came a new continent and a legend that haunts Europe still

**Napoleon's Marshals** R. F. Delderfield, 2002-03-04 The masterful saga of Bonaparte's twenty six military Marshals by Napoleonic authority Delderfield is

set against the dramatic backdrop of the French Revolution Napoleon's rise and his conquests and the restoration of the Bourbon monarchs

**The Iron Marshal** Louis L'Amour, 2004-06-29 He was a tough enforcer for a New York gang But when young Tom Shanaghy made one too many enemies he skipped town on a fast moving freight He landed in a small Kansas town that had big dreams no name and the need for an honest lawman Tom figured that a knuckle and skull man from Five Points would be perfect for the job He didn't know that a high stakes cattle drive was headed his way and that leading it was a vindictive rancher bent on settling an old score even if he had to destroy the town to do it Tom had himself stuck in the middle of the feud before sunset on his first day in town All he could do was hope that his years on the Bowery had left him with the smarts he needed to keep himself alive

*Napoleon's Undefeated Marshal* Martin Sullivan, 2024-12-31 The war of 1809 between France and Habsburg Austria culminating in the titanic battle of Wagram has been described often as Napoleon's last successful campaign Napoleon said later that the manoeuvres and actions of the French army and their German allies in the opening two weeks of this conflict were among the most brilliant and skilful of his entire career But matters might have gone very differently A series of miscalculations mistakes and poor communications both prior to Austria's declaration of war and in the early days of hostilities might have resulted in a major setback if not a disaster for the French Emperor That they did not is due in large part to the decisions and actions of Marshal Louis Davout the so called Iron Marshall This is the first English study of Marshal Davout's command and leadership in over fifty years Little known outside of France Louis Davout was one of the finest generals in Napoleon's army as evidenced by his comprehensive defeat of the main Prussian force at Auerstadt in October 1806 A hard even harsh disciplinarian an utterly ruthless opponent on the field of battle Davout was also a loving family man meticulously concerned for the health and well being of his troops and able to command the loyalty of his divisional commanders for far longer than any of his contemporaries In this new study Martin Sullivan describes in detail the decision making processes and actions of Marshal Davout and from this analysis illustrates leadership concepts and theories which remain relevant to the world of today Focusing upon the opening phase of the Wagram campaign he examines in detail the decisions and actions of the participants Davout his opponent the Archduke Charles and Napoleon himself By this method the art of leadership may be seen exercised in the heat of an intense and deadly conflict

Napoleon David Nicholls, 1999-12-01 This illustrated A Z encyclopedia provides easy access to information about the emperor Napoleon Over 300 entries cover significant events people and other topics such as the principal Napoleonic campaigns all the major battles including Waterloo and Austerlitz Napoleon's most important generals and marshals Josephine de Beauharnais and the Napoleonic Code Napoleon also includes primary source documents a handy chronology of key events a bibliography and an index

Trade and Gunboats Steven C. Topik, 2000 A hundred years ago the United States first projected itself onto the international stage hoping to stake out a sphere of influence in Latin America just as the largest of Latin American countries Brazil ending a 67 year long monarchical regime struggled to redefine its

relationship to the world economy Debates raged between liberals and corporatists between free traders and protectionists When the trajectories of these two unequal giants collided their interaction revealed much about the international economic and political affairs of their day that bears upon the debates surrounding today s new world order The book begins by examining the Blaine Mendonca Accord of 1891 the first commercial pact ever signed between Brazil and the United States thus beginning a special relationship that lasted into the 1970 s This is the first study of U S Brazilian relations that seriously examines the internal politics and economics of both countries and how they played themselves out in the late nineteenth century The author attempts a new kind of international history comparative political economy that examines not only internal dynamics but also the nature of the international regime at the time *Iron Star* Loren D. Estleman,2024-06-18 Set against the sprawling landscape of the Wild West this riveting adventure by Spur Award winning author Loren D Estleman follows a man on a journey to set his legacy and the men dedicated to bringing his story to life From his youth as a revolutionist to his time as a Deputy U S Marshal aging lawman Iron St John has become a larger than life figure and in the process the man has disappeared behind the myth During his brief unsuccessful political career St John published his memoirs a sanitized version of his adventures to appeal to the masses A generation later the clouded truth of this giant of the Old West has been all but lost Now Buck Jones a pioneering film star is vying for a cinematic story that will launch his career to incredible heights He approaches Emmet Rawlings a retired Pinkerton detective to set the record of St John s life straight once and for all Twenty years ago Rawlings accompanied St John on his final manhunt and in desperate need for the funding a successful book promises he dives deep into St John s past and his own buried memories to tell the truth about this part time hero As the story of St John unfolds the romance of the period is stripped away to reveal a reality long forgotten in this unvarnished heart racing depiction of the American West by acclaimed author Loren D Estleman At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Prose** Elizabeth Bishop,2024-09-04 Elizabeth Bishop s prose is not nearly as well known as her poetry but she was a dazzling and compelling prose writer too as the publication of her letters has shown Her stories are often on the borderline of memoir and vice versa From her college days she could find the most astonishing yet thoroughly apt metaphors to illuminate her ideas This volume edited by the poet Pulitzer Prize winning critic and Bishop scholar Lloyd Schwartz includes virtually all her published shorter prose pieces and a number of prose works not published until after her death Here are her famous as well as her lesser known stories crucial memoirs literary and travel essays book reviews and for the first time her original draft of *Brazil* the Time Life volume she repudiated in its published version and the correspondence between Bishop and the poet Anne Stevenson the author of the first book length volume devoted to Bishop **Comics Shop** Maggie Thompson,2010-09-27 ESSENTIAL COMICS VALUES ALL IN COLOR COMICS SHOP is the reliable reference for collectors dealers and everyone passionate about comic books THIS FULL COLOR INDISPENSABLE GUIDE FEATURES Alphabetical organization by comic book title More than 3 000
