Mohawk Interruptus Audra Simpson, 2014-05-27 *Mohawk Interruptus* is a bold challenge to dominant thinking in the fields of Native studies and anthropology Combining political theory with ethnographic research among the Mohawks of Kahnaw ke a reserve community in what is now southwestern Quebec Audra Simpson examines their struggles to articulate and maintain political sovereignty through centuries of settler colonialism The Kahnaw ke Mohawks are part of the Haudenosaunee or Iroquois Confederacy Like many Iroquois peoples they insist on the integrity of Haudenosaunee governance and refuse American or Canadian citizenship Audra Simpson thinks through this politics of refusal which stands in stark contrast to the politics of cultural recognition Tracing the implications of refusal Simpson argues that one sovereign political order can exist nested within a sovereign state albeit with enormous tension around issues of jurisdiction and legitimacy Finally Simpson critiques anthropologists and political scientists whom she argues have too readily accepted the assumption that the colonial project is complete Belying that notion *Mohawk Interruptus* calls for and demonstrates more robust and evenhanded forms of inquiry into indigenous politics in the teeth of settler governance *Missouri Historical Society Collections* Missouri Historical Society, 1906 The Peoples of Pennsylvania David E. Washburn, 1981 The Future of the Past Tamara Bray, 2012-10-12 To date the notion of repatriation has been formulated as a highly polarized

debate with museums archaeologists and anthropologists on one side and Native Americans on the other This volume offers both a retrospective and a prospective look at the topic of repatriation By juxtaposing the divergent views of native peoples anthropologists museum professionals and members of the legal profession it illustrates the complexity of the repatriation issue

Review of Historical Publications Relating to Canada George McKinnon Wrong, Hugh Hornby Langton, William Stewart Wallace, 1902 The 1st volume 1896 includes important publications of 1895 **France**, 1919 Native American Political Systems and the Evolution of Democracy Bruce E. Johansen, 1996-05-14 For more than a decade scholars have debated the question of whether American Indian confederacies primarily the Iroquois helped influence the formation of U S basic law The idea has sparked lively debate in the public arena as well with Canadian diplomat Durling Voyce Jones contending it shows a paradigm shift in our thinking Patrick Buchanan calling it idiocy and George Will saying it s fiction For the first time this bibliography brings together some 450 citations on the debate The work describes the debate in the words of one of its major participants Bruce E Johansen author of three other books on the subject The bibliography also takes the reader back to suggestions of the idea long before the contemporary debate Lakota author Charles Eastman brought up the subject in 1919 Mohawk teacher Ray Fadden developed it in the 1940s and John F Kennedy touched on it in 1960 Bringing the debate to its full flower in the present day the bibliography illustrates both fervent support and equally emphatic denial in the academy and the public press The book is both a scholarly tool and a lively exploration of issues bearing on the study of history and multiculturalism

Reflections on Canada's Past, Present and Future in International Law/Réflexions sur le passé, le présent et l'avenir du Canada en droit international Oonagh E. Fitzgerald, Valerie Hughes, Mark Jewett, 2018-06-30 Marking 150 years since Confederation provides an opportunity for Canadian international

law practitioners and scholars to reflect on Canada's rich history in international law and governance where we find ourselves today in the community of nations and how we might help shape a future in which Canada's rules based and progressive approach to international law gains ascendancy. This collection of essays, each written in the official language chosen by the authors, provides a thoughtful perspective on Canada's past and present in international law, surveys the challenges that lie before us and offers renewed focus for Canada's pursuit of global justice and the rule of law.

Part I explores the history and practice of international law, including sources of international law, Indigenous treaties, international treaty diplomacy, domestic reception of international law and Parliament's role in international law. Part II explores Canada's role in international law, governance and innovation in the broad fields of economic, environmental and intellectual property law. Part III explores Canadian perspectives on developments in international human rights and humanitarian law, including judicial implementation of these obligations, international labour law, business and human rights, international criminal law, war crimes, child soldiers and gender.

Reflections on Canada's Past, Present and Future in International Law / *Réflexions sur le passé, le présent et l'avenir du Canada en droit international* demonstrates the pivotal role that Canada has played in the development of international law and signals the essential contributions the country is poised to make in the future.
