The New Worship Awakening Robert E. Webber, 2007 The cultural shift since 2001 is very different than that of the 60 s and 70 s It is a culture tired of noise turned off by phoniness sick of glitz and wary of the superficial It is a culture that is searching for an authentic encounter with God longing for depth and substance craving quiet and spiritual contemplation and moved by visual tactile forms of communication The New Worship Awakening examines the wide array of worship styles from traditional to contemporary currently in practice in today s churches Webber makes a compelling case for renewing the vigor of the spiritual life of the church through two means grounding worship in the biblical narrative while at the same time integrating an understanding of worship traditions throughout history Through astute observations and personal experiences the author emphasizes that Christ can be encountered through the arts the services of the Christian year the Sacraments the singing of hymns and folk songs the passing of the peace the Liturgy and many other means that incorporate Christian worship styles through the ages He makes the all important point that worship today celebrates the same Christ who walked the earth two thousand years ago and that in true and lively worship there is divine action There is an action from above the Holy Spirit delivers Christ and the benefits of Christ s death and resurrection to the worshippers

After Doubt A. J. Swoboda, 2021-03-02 Is there a way to walk faithfully through doubt and come out the other side with a deeper love for Jesus the church and its tradition Can we question our faith without losing it Award winning author pastor and professor A J Swoboda has witnessed many young people wrestle with their core Christian beliefs Too often what begins as a set of critical and important questions turns to resentment and faith abandonment Unfortunately the church has largely ignored its task of serving people along their journey of questioning The local church must walk alongside those who are deconstructing their faith and show them how to reconstruct it Drawing on his own experience of deconstruction Swoboda offers tools to help emerging adults navigate their faith in a hostile landscape Doubt is a part of our natural spiritual journey says Swoboda and
