Is Christ Divided:

Is Christ Divided? Lesslie Newbigin, 1961 Is Christ Divided? Dr. Felecia Rodgers, 2011-07-29 The church of the Bible is presented as a pattern of human life in marked contrast both to the values of secular society and to the restrictive outlook that characterizes many religious groups The church is to be the manifestation of the biblical instruction to love God and neighbor Is Christ Divided takes a penetrating look at the identity of the local church Is it comprised of believers with a passion to worship the God of Truth and live by His purpose following His Holy Spirit that lives inside Or is the church a group of individuals segregated by culture class economics and education following the traditions of men Is Christ Divided urges the original and philosophical concept of the church advocated by the Word of God Each chapter reveals biblical support for cooperation amongst the brethren the local church and the para church Containing critical research of Scripture and analysis of church history this book will provide proof that both populations have existed since the beginning without distinction The intent is to bridge the gap between denominations associations local churches para church organizations missions and ministries *Is Christ Divided? 1 Cor. Calvin for the Third Millennium Hans Mol, 2008-09-01 This work is a series of sermons produced by Emeritus Professor Hans Mol and based on Biblical texts the Commentaries of John Calvin on these texts and on Calvin s Institutes of the Christian Religion Mol is Australia s pre eminent scholar in the sociology of religion particularly in Australia His 1971 volume Religion in Australia was the first attempt at statistical analysis of religion in Australia which was also internationally significant Parallel to Mol s interest in the sociology of religion has been his interest in Calvin Indeed the theological basis of

his life has been as a Calvinist Here in this volume he brings both of these interests together His sermons preached over the years in Canberra seek to apply the teachings of Calvin to a world view in which the scientific study of religion and indeed the wider study of sociology are of central significance In these sermons he succeeds considerably in this The volume is a substantial contribution to scholarship in that the combination of these two factors has only rarely been attempted Thus the volume has originality and will have enduring value It is especially appropriate that it should be published at this time in preparation for the 500th Anniversary of Calvin s birth 1509 2009

Christ's Prayer Before His Passion Anthony Burgess, 2020-09-20 In Christ s Prayer before His Passion a major work consisting of 145 sermons Anthony Burgess expounds such topics as God the Father and God the Son the love of God providence over death election the deity of Christ the Mediator as teacher and priest and king union with Christ the knowledge of God eternal life justification sanctification obedience separation from the world faith prayer perseverance worship Christian unity gospel ministry and the glory of heaven All these truths are discussed by this judicious Puritan divine according to the order of the text in John 17 Burgess rightly regarded John 17 as a mountaintop of divine revelation a pearl in the gold of the Bible He asserts that the Lord offers this prayer in the presence of His disciples so that those who hear it and later those who read it might be filled with joy This prayer is especially significant because Jesus utters it the night before His crucifixion which is the climax of His earthly work Burgess thus asks his readers If the words of a dying man are much to be regarded how much more of a dying Christ In this light Anthony Burgess expounds John 17 as the prayer of Christ both as our Mediator if we are believers and as the model of a godly man Originally published as CXLV Expository Sermons upon the Whole 17th Chapter of the Gospel according to John or Christ s Prayer before His Passion Explicated and both Practically and Polemically Improved London Abraham Miller for Thomas Underhill 1656
