several best seller lists In April 1988 Kinsey Millhone is hired by a young man named Michael Sutton to investigate a memory that he claims to have recovered of two people burying a body in the woods in the exclusive Horton Ravine neighborhood in 1967 when he turned six years old He claims that the burial took place on his birthday two days after a famous unsolved kidnapping of a four year old named Mary Claire in the neighborhood in which the kidnappers requested 25 000 but never picked up the ransom after police were called She was never found Although Michael s memory is hazy he and Kinsey manage to locate the spot of the burial but a police dig uncovers only the body of a wolfdog named Ulf One of the bystanders watching the dig a banker named Walker McNally who was a high school classmate of Kinsey spends the entire weekend drinking and kills a young woman in a DUI on Sunday night Kinsey learns that Sutton was involved in Three Complete Novels Sue Grafton,1999 The first three alphabet crime novels A Is for Alibi B Is for Burglar and C Is for Corpse appear in an omnibus edition that chronicles the exploits and cases of female private detective Kinsey Milhone "I" is for Innocent Sue Grafton,1992-05-15 Readers of Sue Grafton s fiction know she never writes the same book twice and I Is For Innocent is no exception Her most intricately plotted novel to date it is layered in enough complexity to baffle even the cleverest among us Lonnie Kingman is in a bind He s smack in the middle of assembling a civil suit and the private investigator who was doing his pretrial legwork has just dropped dead of a heart attack In a matter of weeks the court s statute of limitations will put paid to his case Five years ago David Barney walked when a jury acquitted him of the murder of his rich wife Isabelle Now Kingman acting as attorney for the dead woman s ex husband and their child and sure that the jury made a serious mistake is trying to divest David Barney of the profits of that murder But time is running out and David Barney still swears he s innocent Patterned along the lines of a legal case I Is For Innocent is seamlessly divided into thirds one third of the novel is devoted to the prosecution one third to the defense and a final third to cross examination and rebuttal The result is a trial novel without a trial and a crime novel that resists solution right to the end When Kinsey Millhone agrees to take over Morley Shine s investigation she thinks it is a simple matter of tying up the loose ends Morley might have been careless about his health but he was an old pro at the business So it comes as a real shock when she finds his files in disarray his key informant less than credible and his witnesses denying ever having spoken with him It comes as a bigger shock when she finds that every claim David Barney has made checks out But if Barney didn t murder his wife who did It would seem the list of candidates is a long one In life Isabelle Barney had stepped on a lot of toes In I Is For Innocent Sue Grafton once again demonstrates her mastery of those telling details that reveal our most intimate and conflicted relationships As Kinsey comments on the give and take by which we humans deal with each other for better and sometimes for worse the reader is struck yet again by how acute a social observer Ms Grafton can be Frequently funny and sometimes caustic she is also surprisingly compassionate understanding how little in life is purely black and white Except for murder Somewhere out there a killer waits to see just what Kinsey will find out Somewhere out there someone s been getting away with murder and this
