Is Anybody There Thomas Dunne:

Out There in the Dark Wesley Strick,2013-12-17 Out There in the Dark is an old school Hollywood blockbuster A terrific grab you by the throat movieland epic Jerry Stahl author of Permanent Midnight Since leaving Berlin the proud distinguished migr director Dieter Seife has had to content himself cranking out B movies for Superior Pictures in Hollywood during World War II Finally Superior s founder Arthur Lustig gives Seife the chance to prove himself on a lavish three hankie woman s picture titled The Big Betrayal Set to star is Harley Hayden the young and 4 F actor who s engaged to Lustig s daughter Though the town s biggest names are in uniform Seife is convinced he can find a better male lead for his movie Hayden counters by hiring a disgraced ex cop named Roarke to look into Seife s private life does the secretive German have something to hide What Roarke uncovers is dangerous disturbing and maybe a very different mystery than it seems With its atmosphere of lockstep patriotism and rampant paranoia Wesley Strick s Out There in the Dark provocatively speaks to our own time even as it brings to life the sordid side of 1940 s Hollywood

Traitor David Rothkopf,2020-10-27 Rothkopf does a brilliant job defining precisely how Trump has been aiding and abetting the enemy compelling Financial Times Political historian and commentator David Rothkopf shows how Trump will be judged by history Spoiler alert not well in Traitor Donald Trump is unfit in almost every respect for the high

office he holds But what distinguishes him from every other bad leader the U S has had is that he has repeatedly egregiously betrayed his country Regardless of how Senate Republicans have let him off the hook the facts available to the public show that Trump has met every necessary standard to define his behavior as traitorous He has clearly broken faith with the people of the country he was chosen to lead starting long before he took office then throughout his time in the White House And we may not yet have seen the last of his crimes But the story we know so far is so outrageous and disturbing that it raises a question that has never before been presented in American history is the president of the United States the greatest threat this country faces in the world We also need to understand how the country has historically viewed such crimes and how it has treated them in the past to place what has happened in perspective After his examination of traitors including Benedict Arnold Aaron Burr and leaders of the Confederacy David Rothkopf concludes that Donald Trump and his many abettors have committed the highest level greatest most damaging betrayal in the history of the country

Our Flag Was Still There Tom McMillan, 2023-06-06 *Our Flag Was Still There* details the improbable two hundred year journey of the original Star Spangled Banner from Fort McHenry in 1814 when Francis Scott Key first saw it to the Smithsonian in 2023 and the enduring family who defended kept hid and ultimately donated the most famous flag in American history Francis Scott Key saw the original Star Spangled Banner flying over Baltimore s Fort McHenry on September 14 1814 following a twenty five hour bombardment by the British Navy inspiring him to write the words to our national anthem Torn and tattered over the years reduced in size to appease souvenir hunters stuffed away in a New York City vault for the last two decades of the nineteenth century the flag s mere existence after two hundred years is an improbable story of dedication perseverance patriotism angst inner family squabbles and yes more than a little luck For this unlikely feat we have the Armistead family to thank led by Lieutenant Colonel George Armistead commander of Fort McHenry who took it home after the battle in clear defiance of U S Army regulations It is only because of that quiet indiscretion that the flag survives to this day Armistead s descendants kept and protected their family heirloom for ninety years The flag s first photo was not taken until 1873 almost sixty years after Key saw it waving and most Americans did not even know of its existence until Armistead s grandson loaned it to the Smithsonian in 1907 Tom McMillan tells a story as no one has before Digging deep into the archives of Fort McHenry and the Smithsonian accessing never before published letters and documents and presenting rare photos from the private collections of Armistead descendants and other sources McMillan follows the flag on an often perilous journey through three centuries *Our Flag Was Still There* provides new insight into an intriguing period of U S history offering a story behind the story account of one of the country s most treasured relics
