Is It Real:

But Is It Real? Amy Orr-Ewing, 2024-06-20 Your relationship with God is just a psychological crutch Belief in God is dangerous I used to believe but I've given it all up Is God real Is it possible to know anything let alone know him Why do bad things happen to people who worship this God What about the spiritual experiences of other faiths All of these accusations objections and questions have come directly from real life situations Amy Orr Ewing writes I hope that the thoughts offered here will help you see what the Christian faith has to say amid all the pain confusion and complexity of life *Do You Believe Is It Real or Fiction?* Scott Chally, 2014-08-08 This is a real life story You will read and get an in depth look of my childhood family my teen years the years I spent in the service running a business and all the good and bad in my life that I had clear up till I had lost it where I was put in the hospital and then diagnosed with bipolar affective disorder schizo affective disorder It all started forty days before Easter of 2006 having visions or insights into the Bible while making a new law for the people also having vibes and connections with spirits that allowed me to believe that the end of the world was upon us This true life story takes you on a journey which is believed to have come from God During the second part of the story I fight against evil or Satan himself which makes me believe that I may possibly be the Antichrist if I don't do the right thing in order to save the world I would tell people that I'm the Chosen One Jesus Christ the Second Coming the Messiah the Son of God or even the Lamb of God **Is it Real? A Question for the Times. Sixth Edition. Thirtieth Thousand** John Charles Ryle, 1862 **Make It Real** Dmytro Ivanov, If there nothing was you back what dream would you chase For a young snail named John Scotland traveling is the impossible aspiration that he decides to make a reality After leaving the only town he'd ever known John meets a variety of colorful characters along his path to New York City who inspire and teach him some of life's most important lessons through their own unique experiences Inspired by a real life adventure the story of John Scotland will take you on a journey that will open your mind and free your spirit to achieve your biggest dreams Is It True? Max Cryer, 2014-03-01 We can all remember the stories we were told as children Santa Claus lives at the North Pole St Bernard dogs carry brandy to help lost climbers Lady Godiva rode naked through Coventry They were great stories and we believed them But are they true Max Cryer sets out to investigate the truth or otherwise of ideas and beliefs we may have always been told are true but which on closer examination may not be For example Did Winston Churchill coin the term Iron Curtain OK is an American expression right Tulips come from Holland don't they Did Sarah Palin say I can see Russia from my house The subjects covered in this highly entertaining book are diverse ranging from politics science and social history to language music and the natural world Max Cryer approaches each with an open mind seeking to uncover the truth behind some of our most cherished beliefs Be prepared for surprises *But is it True?* Aaron B. Wildavsky, 1995 Amid the chaos of questions and conflicting information Aaron Wildavsky arrives with just what the beleaguered citizen needs a clear fair and factual look at how the rival claims of environmentalists and industrialists work what they mean and where to start sorting

Ross Bartlett, Kate Jones, 2022-09-23 Time to challenge your current thinking about ministry Probe your assumptions about congregational well being Address your assumptions Open the possibility of unleashing a significant new wave of Christian mission Find new fulfilling opportunities In our time of specialization it is of little wonder that we have left the trained and skilled professionals in charge of our churches and ministries But did you know that full time ministry is a relatively recent phenomenon It s Real Ministry How Part Time and Bi Vocational Clergy Are Challenging and Empowering the Church reveals the richness that has existed and can exist again in part time and bi vocational ministry It breathes hope and richness into what are often seen as depressed or impoverished communities of faith And it offers insight into where congregations and clergy need to make choices and adaptations Anchored in the findings of the largest survey of part time bi vocational clergy that has been undertaken in a mainline Canadian denomination It s Real Ministry begins to address the current issue of declining congregational attendance delves into the meaning that part time and bi vocational ministries might have for local communities of faith and discusses new ways of imagining leadership While the data is specific to the United Church of Canada this study offers points of reflection for many denominations in Canada and beyond offering positive insight and a starting point for clergy and laity to rethink of what they consider as age old traditions
