Ray Johnson, 2021-03-11 Despite the fact that every year tens of thousands of individuals that confess and maintain Jesus Christ as Savior and LORD of their life break their marital vow God is more than capable of fulfilling His word in making two one and making all things work together for good in every Christian s marriage Scripture has declared in the last days men mankind will be lovers of themselves lovers of pleasure rather than lovers of God having a form of Godliness but denying the power there of 2Tim 3 1 5 In an effort to help believers recover themselves from this stronghold **TELL HELL NO Divorce Is Not An Option** is entering the battle to help Break the Powers of the Spirit of Divorce off the lives of the saints Reinforcing the standards for that which we all signed up for for better or worse for richer or poorer in sickness or in health until death do us part is the objective of the content within these pages The time has come to stop the perpetuation of this evil called divorce **Rednecks and Roses II** Recyled Teenagers Write Again, 2006-08 *Harvesting Memories* Linda Lee Cermak Kocan, 2025-02-07 Harvesting Memories abounds with intimate and heartfelt recollections from a lone survivor of a family and by extension a way of life that has virtually disappeared from the American landscape The life she vividly portrays as a child growing up in rural Ohio as the youngest member of a farm family in the 1950s and 1960s one generation away from two sets of grandparents who immigrated from Czechoslovakia taught her invaluable life lessons among its triumphs and setbacks Coal mining and farming coexisted as unlikely bedfellows in that part of the country but the author s father who dropped out of school to work in the mines ultimately came to live a hardscrabble but fulfilling life as a farmer dedicated to his undying belief that the land will feed you Edward Cermak s realized dream of providing for his family by living off the land came with a death sentence of Black Lung Disease from his years of breathing in coal dust He and wife Anna were married at the onset of the Great Depression a most challenging time and it is fair to say that they shared a prodigious workload and occasional hardship over several decades of farming and never regretted their journey together The greater the difficulties the harder they worked and the more they learned to adapt As for daughter Linda the baby and unexpected addition to the family joining a much older sister and brother her two decades on the farm were so special that she as sole

survivor had to put it all into the words that comprise this book as she embarked into her seventies There are many stories from the exultant to the tragic told in these pages Linda takes you back in time through her memories and ultimately sharing the many truths that came to serve her well as a wife mother and grandmother Perhaps most fascinating is a way of life so reliant on and respectful of family and neighbors captured in this memoir You might even find yourself as did the author in her youth enjoying the antics of a pet groundhog or dealing with the meanest gobbler ever to walk the face of the earth It is a compilation of stories and maxims that can only be shared by a dwindling number of those among us who have experienced this rapidly disappearing way of life All proceeds from the sale of this book will be donated equally to the Dillonvale High School Alumni Association and to the community of East Palestine Ohio who suffered the tragic train derailment in 2023 in memory of Linda s Dad and Mom Ed and Anna Cermak About the author Linda Lee Cermak Kocan the youngest of three children is the second daughter and only surviving child of the late Edward and Anna Cermak of Dillonvale Ohio At 71 years of age Linda decided to take pencil to paper and record her experiences and lessons learned growing up on her small 150 acre family farm in Ohio s Jefferson County in the 1950s and 1960s Just jot down a few interesting stories in a notebook to tell her children and grandchildren about their roots and pass on some important life values she had learned during those years A vociferous reader Linda is not a formally trained writer but this memoir reveals a natural talent for writing about what is most important in life via an approach that is inviting gentle and authentically warm and loving She asks that you place your hand in hers as she takes you on a virtual journey back in time to her farm and a childhood replete with memories told in an unpretentious style that can be humorous charming and at times assertive and life affirming She promises that *Harvesting Memories* will inspire and inform you in ways you might find surprising Linda currently lives in the verdant countryside outside of Towanda Pennsylvania with Mark her husband of 52 plus years They live on a 22 acre piece of land which they share with deer various wild critters and their 17 year old cat Sydney

The One Year Home and Garden Devotions Sandra Byrd, 2015-09-24 *The One Year Home and Garden Devotions* offers an encouraging applicable sometimes humorous and always personal word each day for contemporary women of all ages who delight in being busy at home The devotions are written in first person offering transparency and personal life lessons like the following There is something poignant and meaningful about upcycling an abandoned planter with its well earned patina while considering how the lines life has etched on us actually make us more appealing

Progressive Dystopia Michael Ozga, 2012-02 We are at a crossroads in our nation s history and presented with two distinct choices liberty or tyranny We either believe in American exceptionalism and the founding principle that man can rule himself Or we choose a style of governance that centrally plans our very existence We either believe in the principles espoused by Washington Jefferson Madison Franklin et al or we believe in the principles espoused by Marx Engels Bismarck Lenin et al Following The Constitutional Convention Benjamin Franklin said we have a Republic if we can keep it A warning against apathy and a call to arms that freedom requires eternal vigilance

Reagan planted his flag and asked if not us who if not now when We are presented with a choice between a style of government whereby the power is derived from the people and a style of government that usurps all power from the governed Progressivism is a villainous perfidy and a style of government completely antithetical to our founding principles

Only Human Stephen Wylie, 2018-10-04 Consumed by the world that has dragged him into the abyss leaving him alone this is the journey of one mans battle against loneliness and failure as he loses everything including his mind But the Bull is always nearby sent by the Devil himself to watch and wait for the slipping to begin Waiting for the fall The Devil shows no mercy
