Is There Fun After Paul:

Is There Fun After Paul? R. Mark Liebenow, Mark Liebenow, 1987 **A Light in the City** Eva Hillman, 2017-05-01 We had been told of too many tales of modern day heroes who come in various forms colors and sizes and most of them tend to help people discreetly without asking for anything in return There are some however who are just driven to a life of altruism even without having any knowledge of their past *A Light in the City* a story of an altruist who s completely clueless about his previous existence is propelled by a mysterious unknown force to defy his ignorance of his past and help others in dire need of support and direction in life The many clouds of mystery make for a unifying theme from the beginning until the last episode Readers will encounter and be absorbed by questions like Why did he wake up in a hospital bed Where did his money come from Why was he able to discharge himself from the hospital without any trouble But most likely what stands out most is why was he suddenly driven to help other people considering he doesn t have the slightest idea of his history A healthy mix of riddles acts of philanthropy thrilling episodes of dangerous encounters with shady characters who later became exemplary individuals and the transformations of peoples lives collectively make *A Light In The City* worthwhile for readers of all ages
