Is There Life After 50 For A Middleaged Hat:

Women's Sexuality Across the Life Span Judith C. Daniluk, 2003-06-09 Moving beyond a traditional focus on sexual functioning this book emphasizes the complex interaction of psychological social cultural and biological influences on women's sense of themselves as sexual beings Written for practitioners and educators its goal is to challenge contradictory messages and meanings that cause many women to feel disconnected from their bodies and from their needs and desires Themes explored include the development of sexual awareness and sexuality in childhood and adolescence the critical sexual choices of young adulthood and the multiple transitions characterizing the middle and later years of life The book features creative exercises and interventions to help girls and women construct more affirming sexual meanings 50+
