Life Of King David:

The Biblical Life of King David Freddie L. Butler, 2021-11-19 The Biblical Life of King David is the story of the greatest king Israel has ever known It is titled as such because the only source used for this story is your Bible Bible scriptures have been interwoven into the story to encourage group Bible study However the narrative reads like a novel King David had a humble beginning as a shepherd boy Yet God testified regarding the heart of David as having a heart like God Acts 13 22 When reading this story you will become very aware of why God testified this way about David Just to clue you in on three possible reasons King David was quick to repent when he knew he had made a mistake Though King David was accused of having blood on his hands he never killed a person off the battlefield King David s judgements as king were righteous before God I pray that you enjoy reading The Biblical Life of King David as much as I enjoyed the study and writing of this story

The Life of King David Billy L Goe, 2009-08-25 King David s life has all of the ingredients of an action packed Box Office hit He went from being a keeper of his father s sheep to being Israel s greatest king He is one of the most recognized people we learn about in the Bible David had many victories in his life but he also made many mistakes What makes David such a remarkable person is that he cared more about what God s opinion of him was than what people s opinion was After reading this book we find out that king David was no different than we are We all have victories in our life but we also make many mistakes but we like David can be a man after God s own heart Being a perfect Christian doesn t mean that we never make a mistake It simply means that no matter what circumstances arise we keep our faith in God **The Biblical Life of King David**

King David Steven L. McKenzie, 2000-04-27 One of the most important and complex characters in the Bible King David has been the subject of innumerable portraits both artistic and literary Michaelangelo s magnificent sculpture of him is perhaps the single best known work of art in the world and the story of the humble shepherd who slew Goliath and became king has assumed a powerful mythological status But was David a real person and if so what kind of person was he Through a close and critical reading of biblical texts ancient history and recent archeological discoveries Steven L McKenzie concludes that David was indeed a real person This David however was no hero but a usurper adulterer and murderer a Middle Eastern despot of a familiar type McKenzie shows that the story of humble beginnings is utterly misleading shepherd is a metaphor for king and David came from a wealthy upper class background Similarly McKenzie reveals how David s ascent to power traditionally attributed to popularity and divine blessing in fact resulted from a campaign of terror and assassination While instituting a full blown Middle Eastern monarchy David was an aggressive leader a devious politician and a ruthless war chief Throughout his scandalous reign important figures who stood in his way died at convenient times under questionable circumstances Even his own sons were not spared David s story writes McKenzie reads like a modern soap opera with plenty of sex violence and struggles for power Carefully researched and vividly written King David An Unauthorized Biography offers a provocative reappraisal of the life of one of the Bible s most compelling figures

Rebounding When All Seems Lost Paul Fishell,2021-07-28 David was anointed to be the next king of Israel by Samuel but he returned to tend sheep Then David met

Goliath on the field of Battle Everything changed He became the rock star for his era He married the king s daughter He was best friends with the King s son He was made a captain in Saul s army He had a job in the palace The women sang songs about him Saul has killed thousands and David has killed tens of thousands He had everything until he lost it all Saul Israel s first king had been rebuked by the prophet and was told he would lose his kingdom and it would be given to someone close to him Saul saw that David would be that man and he wanted to stop it Saul tried twice to kill David and David fled for his life When David slipped out that window to flee for his life he lost everything his wife his friend his positions and his status in the kingdom This book looks at this time of David s life What was the attitude that he assumed What became his focus How did he treat those around him This book tries to pull things from David s life that people today can incorporate into their lives to turn around their bad momentum How should a man or woman after God own heart behave in the valleys of this life King David D. Owen Kaiser, 2011-11 The words in the title You Are the Man convicted a deeply guilty King David of the heinous crimes he had committed against Uriah the Hittite Bathsheba s husband Yet in many remarkable ways David was God s man chosen and blessed for greatness This book tells a story of David s life from the Bible read as literally true The flowing easy to read narrative observes him progress from shepherd to king to his death Walking with David through tragedy and triumph makes it easier to see the actual person behind this larger than life Bible character A fresh approach to the life of David Pastor Tim Murdoch While David s sins and difficulties are not ignored King David You Are the Man highlights several positive events including some lesser known ones found only in I Chronicles King David was the man whom God chose to be ancient Israel s second king who established daily praise and worship of God in Israel to whom God revealed eternal purposes for His Son and His kingdom who led Israel to an exalted place among the nations to whom God revealed the details of the temple Solomon would build and who organized the priests and Levites in their ministries of worship at that temple I feel as if I am getting to know David and more than that his faith As a woman of faith it sings to my heart I feel as if I am getting to know God better too Halin I Soaring Included in this narration of David s life are a history of the Ark of the Covenant a possible timeline of David s life a probe into the disastrous census that David ordered to be taken When considering the difficult questions posed by II Samuel 24 1 and I Chronicles 21 1 Pastor Mike Green expressed this credible idea I think God was angry with Israel because the tabernacle was in Gibeon a history of the Levites and their development as God s special servants and several specific life disciplines that made David a man after God s own heart
