Yahiya Emerick,2004 Dispelling the popular myths about Muslims and Islam this is a beginners guide to the history and development of Islam and the Muslim faith **In the Name of Elijah Muhammad** Mattias Gardell,1996-10-07 In the Name of Elijah Muhammad tells the story of the Nation of Islam its rise in northern inner city ghettos during the Great Depression through its decline following the death of Elijah Muhammad in 1975 to its rejuvenation under the leadership of Louis Farrakhan Mattias Gardell sets this story within the context of African American social history the legacy of black nationalism and the long but hidden Islamic presence in North America He presents with insight and balance a detailed view of one of the most controversial yet least explored organizations in the United States and its current leader Beginning with Master Farad Muhammad believed to be God in Person Gardell examines the origins of the Nation His research on the period of Elijah Muhammad s long leadership draws on previously unreleased FBI files that reveal a clear picture of the bureau s attempts to neutralize the Nation of Islam In addition they shed new light on the circumstances surrounding the murder of Malcolm X With the main part of the book focused on the fortunes of the Nation after Elijah Muhammad s death Gardell then turns to the figure of Minister Farrakhan From his emergence as the dominant voice of the radical black Islamic community to his leadership of the Million Man March Farrakhan has often been portrayed as a demagogue bigot racist and anti Semite Gardell balances the media s view of the Nation and Farrakhan with the Nation s own views and with the perspectives of the black community in which the organization actively works His investigation based on field research taped lectures and interviews leads to the fullest account yet of the Nation of Islam s ideology and theology and its complicated relations with mainstream Islam the black church the Jewish community extremist white nationalists and the urban culture of black American youth particularly the hip hop movement and gangs [Jezreel Part 1 of Enlightenment in the Biblical Evolution Revolution Series](#) Michael Stansfield,2019-07-31 An introduction to the Enlightenment Section of the Biblical Evolution Revolution Series Shows how the Divine has been evolving humanity and where that evolution is taking humanity beyond the religious level Part 1 looks at the political ambitions of the Humanist and how the fulfillment of those ambitions aligns with the Biblical Prophetic concept of Jezreel also known as Direct Democracy Unlike the previous books Jezreel is much more political in nature and brings out the dreams of humanity The book is candid and thought provoking with ideas and concepts outside of the traditional political party views While the book may be viewed as Anti Establishment it takes a positive tone as a dreamer in a struggle to solve humanity s unsolved challenges If your ready to set sail into humanity s uncharted waters this is the book for you **The Covenant of Abraham, Isaac, and Jacob, Part 1 of the Covenants in the Biblical Evolution Revolution Series** Michael Stansfield,2019-06-19 The first book in the Covenants Section of the Biblical Evolution Revolution series delves deep into the Abrahamic Covenant and uses it rather than the Messianic Covenant to interpret Old Testament scripture This singular change reveals an intriguing perspective of the Bible with the hope of generating peace and love between Christianity Judaism and Islam The viewpoint of the author is a direct challenge the

mainstream beliefs of Christianity Islam and Judaism With the discussion of Islam the author s perspective of the Quran is used as an intrical part of the prophecy rather than as an opposing viewpoint The discussion is candid and in depth Specifically on how the covenants relate to the Jewish Palestinian Conflict as well as the War on Terror Like all the books in the Biblical Evolution Revolution Series once you read the book you will never see the world the same way again **Book of**
