The Biblical Basis for Modern Science Henry Morris, 2020-02-11 The Bible is Indeed a Book of Science Revealed By God We live in a scientific age and the proliferation of scientific knowledge and the resulting technologies seem almost endless Scientific discoveries and developments however can be a danger as well as a blessing to mankind The modern world is desperately in need of God's own wisdom concerning the purpose and meaning of true science When you move beyond modern assumptions and false preconceptions the Bible is found to not only reveal a thoroughly modern perspective on the real facts and principles of science but also to provide wisdom and guidance concerning its proper role in human life Biology is the science of life and Christ himself is life Geology is the science of the earth and He is the Creator of the ends of the earth We also could speak of other sciences but all must ultimately be ascribed to Christ True knowledge of any component of His creation must depend ultimately on the knowledge of Christ and His Word Reveals biblical insights for cosmology astronomy physics thermodynamics chemistry geology paleontology biology anthropology and more Brings to light how scientific and statistical evidence rationally evaluated favor God over evolution

The Biblical Basis for Purgatory John Salza, 2009-04 Jesus taught us about it and for centuries the Church has

faithfully defined and defended it Protestants deny it even exists while many Catholics fundamentally misunderstand it It is Purgatory that place of purifying penance where souls saved by Christ are made perfect and acceptable to spend life eternal in heaven In *The Biblical Basis For Purgatory* author and apologist John Salza Why Catholics Cannot Be Masons offers the definitive scriptural explanation of this distinctively Catholic doctrine Building on the teachings of Christ and St Paul he shows how the existence of a place of temporal punishment after death is not only a logical extension of what we know about the reality of sin and God s justice but is also a supreme expression of God s love and mercy Although Purgatory is a place of mercy its pains are real and they are severe This book does more than defend and explain Purgatory it provides a solid plan drawn from the Church s perennial wisdom for conquering our sins by God s grace while still on earth **Foundations for**
