Religion* Roy Standifer,2013-06-12 A look at the Creators answers regarding who we are our origin and what life is all about God has revealed Himself extensively and His revelations are straightforward but we have distorted and clouded them with religion He has paid the full price Himself for our violations of His holiness so our failure to respond in faith constitutes rejection and has the consequence of eternal separation from Him The main reason you havent responded is that you havent taken the time to look you have simply been going along with the crowd Shouldnt you at least take the time to look and see where that crowd is taking you After looking reject as you wish just dont reject without looking thats foolish The View From the Mountain Hewlette A.
