Laymans Bible Commentary Vol 17 Luke:

The Layman's Bible Commentary Balmer H. Kelly, 1961 **The Layman's Bible Commentary** Balmer Hancock Kelly, Donald George Miller, 1959 Luke's Portrait of Jesus Bennie Goodwin, 1993-12 *A Layman's Commentary Volume 7* John Devine, 2014-05-08

In today's world it can be difficult to maintain your faith. Those seeking a greater understanding of the Bible have numerous excellent theological commentaries available to them but due to volume and depth many of these are out of reach of laypeople. Others lose contact with the Bible because it no longer seems relevant to life. They use a superficial knowledge of science and evolution to exclude God and faith from their experiences. The Laymans Commentary Volume 7 Epistles of Paul presents a passage by passage explanation of the thirteen letters of Paul to the early churches. In this seventh volume author John Devine considers the writings of the academic theologian specialist in the Old Testament Scriptures and apostle to the rest of the world as they relate to effective everyday living. Paul's deep understanding of the work and teaching of Jesus are addressed explaining God's plan for a relationship with the individual and the means by which this was made possible by the death and resurrection of his Son. The expectation of eternal life and other important doctrines of the Christian worldview which have impacted people of all subsequent generations are highlighted and confirm that science and faith are complementary in giving purpose and meaning to life.

The Layman's Bible Commentary: Exodus Balmer Hancock Kelly, Donald George Miller, 1959 The Spirit Anointed Church French L. Arrington, 2008 **Luke 9:21-18:34, Volume 35B** John Nolland, 2018-04-24

The Quest for the Fictional Jesus Margaret E Ramey, 2017-03-31 For almost two millennia Jesus story has been retold in various forms and fashions but in the last century a new way of reimagining the man from Galilee has sprung up in the form of novels about the

life of Jesus While the novels themselves are as varied as their authors this work aims to introduce readers to some common literary strategies and theological agendas found in this phenomenon by surveying a few prominent examples It also explores the question of what happens when we examine the intertextual play between these reimaginings and their Gospel progenitors as we allow these contemporary novels to pose new questions to their ancient counterparts An intriguing hermeneutical circle ensues as we embark on our quest for the fictional Jesus and accompany his incarnations as they lead us back to re-examine the canonical portraits of Jesus anew
