**Lazarus, Come Out** Bonnie B. Thurston, 2017-01-01 Fairacres Publications 181 This study by Bonnie Thurston regards the text from the perspective of a play in three acts with seven scenes each focusing on one of the dramatis personae It introduces the traditional Orthodox theology of the icon of the raising of Lazarus to illumine the text Each Act closes with questions for prayer and pondering making the monograph useful for a self directed retreat Of special liturgical interest in the Church's preparation for Holy Week this passage of Scripture is a timeless challenge to awaken us to awareness and aliveness We are encouraged to leave behind what is dead and to respond to Christ's call to liberation

**Lazarus Come Out.** John C. Burt, 2017-08-04 **Lazarus, Come Forth** Michael A. Pinto, 2012 While the Bible offers tantalizing clues about this important Christian hero the questions far outweigh the answers How did he know Jesus When did he first believe that his friend was the Messiah Where did his soul reside for four days What did he do after his resurrection and the crucifixion of the One who saved him Using painstaking research early church records and a lively plot that keeps the pages turning **Lazarus Come Forth** weaves a story about the family from Bethany described in John's Gospel Although fiction the story is consistent with Scripture and available historical data It presents the life story of someone who lived his faith before receiving his miracle as well as after That is why Lazarus is a model for us all Michael A Pinto is a businessman who also has been called to pastor a small rural church In addition to serving as the CEO for an environmental consulting firm and shepherding his congregation Michael is a lifelong history buff with a particular focus on first century Christianity After authoring several textbooks he published his first novel in 2001 recounting the life story of the Apostle Thomas The positive reception of that book entitled **The Twin** fueled his research and development of this story In both these endeavors Michael attempts to fill in the blank spaces of the New Testament narratives with plausible connections and accurate descriptions of life at that time

**Out of Bondage** Kendra Newton, 2019-04-24 **Out of Bondage** was literally inspired by God it entails somewhat controversial topics that God wanted me to explain some of which include homosexuality theft rape and murder

and the hero Judas This book will give readers a whole new perspective on traditional Bible stories and what we thought they meant growing up Take a look at the name of the third title I believe most if not all readers will want to read why I believe Judas should be viewed as a hero and not the villain he has been known for When you look at homosexuality universally it is a frowned upon topic within churches and so to get a take on what a Christian thinks about it is intriguing When I speak about sensitive topics such as rape I shed a new light showing that there is indeed always a light at the end of the tunnel I show that survivors of such heinous crimes possess immense strength and courage and by divine intervention they go on to find peace with their reality As Christians we are often afraid of letting our voices be heard of showing that traditional Bible stories can be viewed from a different perspective If you are looking for controversial eye opening views on known topics and empowerment then this book is ideal in helping you to figure out how you can get out of bondage both physically and spiritually
