Lazarus From Seven To Seventy Seven:

Lazarus Eugene Weisberger, 2004-04 Initially Gene's readers found his stories on the Internet. These travel tales were later collected into his first printed work *The Chinese Walking Stick*. Now we learn more about him in his latest book *Lazarus*. This is a unique volume of short stories compiled into his autobiography. A writer of exciting short stories, Gene assembles his life's tales with his characteristic warmth and wit. Lazarus begins when Gene is seven years old and is hit with the news of his father's untimely death in the midst of his mother's traumatic accident. Now you are the Man of the Family. His story continues with his WWII service and a near fatal train accident followed by a bout with pneumonia. Next we learn of his working career from butcher boy to Group President. My Most Memorable Moment. We are riveted by his many career adventures. His life changes drastically after his retirement and again when he is hit with cancer. The story Lazarus is a poignant tale of facing his fears at Sloan Kettering Hospital. Later it becomes his salvation, presenting him with the motivation to go on, and we are introduced to a little grandchild, Three Days Young, who gives Gene a reason to live. The final group of stories shows Gene with his wife Lila as they celebrate milestones together. Read this autobiography and see how obstacles can be overcome.

The Aquarian Gospel of Jesus the Christ Levi Dowling, 2006 Offers a record of the lost 18 years of Jesus. Includes travels, meetings with various masters and holy men. Teaches many deeper truths not found in other books and sometimes clarifies known teachings in the Bible. Includes chapters on Mary, his mother, John the Harbinger. Plus a chapter on the materialization of his spiritual body.

The Aquarian Gospel of Jesus the Christ Levi H. Dowling, 2007-04-01 The *Aquarian Gospel of Jesus the Christ* is Levi's most famous work, published in 1907. In it, he fills in the missing years of Jesus' life with reports on his early education with Jewish rabbis, a trip to India where he learned about Hinduism and the Vedas, and his further travels to Tibet, Persia, Assyria, Greece, and Egypt. The historical accuracy of Levi's writing is questionable, and the work is considered apocryphal by all but the Church Universal and Triumphant, but his message bolsters the heroic image of Jesus as a savior of men everywhere. American preacher and author LEVI H. DOWLING (1844-1911) was a dedicated ascetic who observed intense meditation and fasting in order to strengthen his spiritual power and understanding. With this practice, he claimed to have gotten access to God's Book of Remembrance, which contains all knowledge of history, and wrote a number of histories based on the revelations within that book.
