**LDS Perspectives on the Dead Sea Scrolls** Donald W. Parry, Dana M. Pike, 1997-01-01      **New Perspectives in Mormon Studies** Quincy D. Newell, Eric F. Mason, 2013-03-18 Scholarship in Mormon studies has often focused on a few key events and individuals in Mormon history The essays collected by Quincy D Newell and Eric F Mason in this interdisciplinary volume expand the conversation One of the main purposes of this volume is to define and cross boundaries Part 1 addresses internal boundaries walls that divide some Mormons from others One chapter examines Joseph Smith s writings on economic matters and argues that he sought to make social distinctions irrelevant Another considers Jane James an African American Latter day Saint and her experiences at the intersection of religious and racial identity In part 2 contributors consider Mormonism s influence on Pentecostal leader John Alexander Dowie and relationships between Mormonism and other religious movements including Methodism and Presbyterianism Other chapters compare Mormonism and Islam and examine the group Ex Mormons for Jesus Saints Alive in Jesus Part 3 deals with Mormonism in the academy and the ongoing evolution of Mormon studies Written by contributors from a variety of backgrounds these essays will spark scholarly dialogue across the disciplines      **The Orion Center Bibliography of the Dead Sea Scrolls (1995-2000)** Avital Pinnick, 2018-12-24 The

Orion Center Bibliography of the Dead Sea Scrolls 1995 2000 is the fourth official Scrolls bibliography following bibliographies covering the periods 1948 1957 W S LaSor 1958 1969 B Jongeling and 1970 1995 F Garc a Mart nez and D W Parry The current interest in the Scrolls with at least two journals dedicated to these texts has led to a proliferation of secondary literature theses and electronic publications The Orion Center Bibliography contains over 3000 entries including approximately 600 reviews gathered from the cole Biblique et Arch ologique Fran aise in Jerusalem from on line databases and from the authors themselves This work is based on the bibliography compiled by the Orion Center for the Study of the Dead Sea Scrolls Jerusalem and includes reviews journal articles and electronic publications a text index and a subject index

**The Dead Sea Scrolls** Donald W. Parry, Stephen David Ricks, 2000 Since their initial discovery in 1947 the ancient scrolls found in caves near the Dead Sea have stirred public curiosity For Latter day Saints whose scriptural tradition speaks of sacred records to come forth in the last days the Dead Sea Scrolls naturally give rise to questions such as Are there references to Christ or Christianity in the scrolls Do the scrolls contain scripture missing from the Bible Is the plan of salvation attested in the scrolls Do the scrolls refer to Joseph Smith or other latter day figures The Dead Sea Scrolls Questions and Responses for Latter day Saints succinctly deals with these and other questions on topics of particular interest to LDS readers These topics are based on actual questions that Latter day Saints have asked the authors as they have taught classes at Brigham Young University shared their research at professional symposia and spoken in other settings      [Qumran and Jerusalem](#) Lawrence H. Schiffman, 2010-03-08 With the full publication of the Dead Sea Scrolls come major changes in our understanding of these fascinating texts and their significance for the study of the history of Judaism and Christianity

One of the most significant changes that one cannot study Qumran without Jerusalem nor Jerusalem without Qumran is explored in this important volume Although the Scrolls preserve the peculiar ideology of the Qumran sect much of the material also represents the common beliefs and practices of the Judaism of the time Here Lawrence Schiffman mines these incredible documents to reveal their significance for the reconstruction of the history of Judaism His investigation brings to life a period of immense significance for the history of the Western world     Flores Florentino Anthony Hilhorst, Emile Puech, Tigchelaar, 2007-11-30 This volume contains forty eight essays presented by friends colleagues and students from many countries in honour of Florentino Garc a Mart nez director of the Groningen Qumran Institute editor in chief of the Journal for the Study of Judaism and professor in Leuven The majority of the essays are in the areas of the honoree s own scholarship and interests including primarily Qumranica but also many other fields of Second Temple Judaism from late biblical texts and Septuagint up to early rabbinic writings Florentino s own polyglottism evident from his bibliography and his close relations with many scholars from Southern Europe is reflected in the inclusion of a few French Spanish and Italian articles in this volume     “This Is My Doctrine”: The Development of Mormon Theology Charles R. Harrell, 2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter day Saint doctrines from the times of the Old Testament to the present He describes how Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures In the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make of these same scriptures In this enlightening study Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology This Is My Doctrine will provide those already versed in Mormonism s theological tradition with a new and richer perspective of Mormon theology Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions     Commentary on the Gospel of Matthew Charles A. Estridge, 2022-12-20 Today with so many changes in society stress in our daily lives and mistrusts among nations it is important to look to the Bible for guidance and inspiration God still speaks to men through His Word Matthew focuses on Jesus as the Messiah and the King He demonstrates that Jesus was the fulfillment of Old Testament prophecies and the promise God had made to Israel Although Matthew does not have the universal appeal of Luke he does show how Gentiles

were a part of Jesus ministry in spite of His desire to focus on the people of Israel They are represented in the genealogy in the visit of the Magi in the healing of the centurion s servant the deliverance of the daughter of the Syrophoenician woman the centralization of His ministry in Galilee of the Gentiles and in the Great Commission The commentary is an exposition of the Gospel of Matthew which considers the context historical background parallel passages of Scripture in addition to theological principles It includes a bibliography charts maps and other helps Its contents are designed to help pastors teachers and Bible students to read the Gospel of Matthew with greater clarity and understanding and helps them proclaim God s Word with power and conviction This new commentary on the Gospel of Matthew provides the scholar student and ministry practitioner with access to the Gospel It opens Matthew s message of Jesus as the Messiah and King with clarity and emphasis One comes away from the commentary encouraged to proclaim that same message Jesus is the Messiah and King James Railey Jr PhD Former Academic Dean A G Theological Seminary Dr Charles Estridge has given students and preachers of Scripture a great gift in this new Gospel commentary His study of Matthew is wide ranging in its sources faithful to the plain meaning of Scripture concise in structure warmly pastoral in application and irenic in its discussion of varying viewpoints Best of all the serious student of God s Word will find spiritual bread here which he or she can feed to others who hunger for the Word of God Enjoy this exposition of Matthew s five discourses on the teachings and life of the Messiah the One who inherited the Kingdom of David and fulfilled the world changing promises made to Abraham Paul York PhD Chi Alpha Missions Training and Mobilization Dr Charles Estridge is a capable scholar and a ministry practitioner with years of experience in pastoral ministry and theological training in bible schools in America and Africa Moreover he is a man who loves Jesus Christ and who has spent his life in service for the Church Pastors teachers and students of the Bible will find his commentary full of insight into the message of the Gospel of Matthew It demonstrates careful exegesis and practical reflection on the meaning of the text It is a valuable tool that will help those called by God to preach and teach His word I highly recommend it Mark Turney President West Africa School of Theology

**The Mormon Image in the American Mind** J.B. Haws, 2013-11-01 Winner of the Mormon History Association Best Book Award What do Americans really think about Mormons and why Through a fascinating survey of Mormon encounters with the media including such personalities and events as the Osmonds the Olympics the Tabernacle Choir evangelical Christians the Equal Rights Amendment Sports Illustrated and even Miss America J B Haws reveals the dramatic transformation of the American public s understanding of Mormons in the past half century When the Mormon George Romney former governor of Michigan ran for president in 1968 he was admired for his personal piety and characterized as a kind of political Billy Graham When George s son Mitt ran in 2008 a widely distributed email told hundreds of thousands of Christians that a vote for Mitt Romney was a vote for Satan What had changed in the intervening four decades Why were the theology of the Latter day Saints and their Christian status mostly nonissues in 1968 but so hotly contested in 2008 For years the American perception of Mormonism has been torn

between admiration for individual Mormons seen as friendly hard working and family oriented and ambivalence toward institutional Mormonism allegedly secretive authoritarian and weird The Mormon Image in the American Mind offers vital insight into the complex shifts in public perception of The Church of Jesus Christ of Latter day Saints its members and its place in American society La historia, la traducción y el control del pasado Samuel López Alcalá,2001 La versión de un idioma a otro siempre ha sido una herramienta clave para la tarea del historiador Pero sin duda se ha utilizado como herramienta clave de control del pasado Quien conoce las leguas del pasado guarda la llave del presente y del futuro Este estudio presenta asimismo una breve historia de la historia de la traducción y algunos comentarios de estudiosos sobre el estado de la cuestión metodológica de la Historia de la Traducción **Mormon History** Ronald Warren Walker,David J. Whittaker,James B. Allen,2001 By the Hand of Mormon Terryl Givens,2003-09-11 Finally in exploring what Martin Marty refers to as the Book of Mormon's revelatory appeal Givens highlights the Book's role as the engine behind what may become the next world religion BOOK JACKET **Elenchus of Biblica** ,1999 *Source and Revision in the Narratives of David's Transfer of the Ark* Robert Rezetko,2007-11-15 This book is a textual exegetical analysis of the Hebrew and Greek versions of 2 Samuel 6 and 1 Chronicles 13 15 16 which argues that in the period of the Second Temple the text and story we now have in MT Samuel developed beyond those of synoptic Chronicles and this development took place related to the concerns of apology of Davidic kingship apology of Davidic and Yahwistic character and cultic practice **Revue de Qumrán** ,1997 Standing Apart Miranda Wilcox,John D. Young,2014-04-15 Winner of the Best Anthology Award from John Whitmer Historical Association Latter day Saints have a paradoxical relationship to the past even as they invest their own history with sacred meaning celebrating the restoration of ancient truths and the fulfillment of biblical prophecies they repudiate the eighteen centuries of Christianity that preceded the founding of their church as apostate distortions of the truth Since the early days of Mormonism Latter day Saints have used the paradigm of apostasy and restoration in their narratives about the origin of their church This has generated a powerful and enduring binary of categorization that has profoundly impacted Mormon self perception and relations with others Standing Apart explores how the idea of apostasy has functioned as a category to mark define and set apart the other in Mormon historical consciousness and in the construction of Mormon narrative identity The volume's fifteen contributors trace the development of LDS narratives of apostasy within the context of both Mormon history and American Protestant historiography They suggest ways in which these narratives might be reformulated to engage with the past as well as offering new models for interfaith relations This volume provides a novel approach for understanding and resolving some of the challenges faced by the LDS church in the twenty first century **Brigham Young University Studies** Brigham Young University,2006 BYU Studies ,2006 A voice for the community of LDS scholars **What Da Vinci Didn't Know** Richard Neitzel Holzapfel,2006 Four Latter day Saint scholars Richard Neitzel Holzapfel Eric D Huntsman Andrew C Skinner and Thomas A Wayment discuss The Da Vinci Code examining the

plausibility of the facts represented by the author and comparing those to the teachings of the scriptures     *A House Divided* Geoffrey W. Sutton, 2016-03-29 *A House Divided* helps answer the question how do Christians form moral judgments about sex linked issues After analyzing key differences between conservative and progressive Christians on such divisive issues as abortion sex education and same sex marriage readers will learn how a combination of four factors can lead to principled Christian morality First a review of diverse interpretive comments on relevant Scriptures can help identify a foundation for agreement as well as sharpen differences Second a review of psychological factors can help identify prejudices personality traits and powerful emotions that intensify and color public debate Third new research on moral psychology will add six dimensions of analysis to appreciating the reasons conservatives and progressives draw upon when forming moral judgments And finally knowledge about sexual attraction sexual orientation conception and sexual health is vital to thinking ethically about the specific issues addressed in this book
