K. Hummel, Stephanie Lenox, 2018-11-15 Short Form Creative Writing A Writer s Guide and Anthology is a complete introduction to the art and craft of extremely compressed works of imaginative literature H K Hummel and Stephanie Lenox introduce both traditional and innovative approaches to the short form and demonstrate how it possesses structure logic and coherence while simultaneously resisting expectations With discussion questions writing prompts flash interviews and illustrated key concepts the book covers Prose poetry Flash fiction Micro memoir Lyric essay Cross genre hybrid writing and much more Short Form Creative Writing also includes an anthology offering inspiring examples of short form writing in all of the styles covered by the book including work by Charles Baudelaire Italo Calvino Lydia Davis Grant Faulkner Ilya Kaminsky Jamaica Kinkaid and many others Mystery and Suspense in Creative Writing Jacek Dąbala, 2012 Mystery and Suspense in Creative Writing presents a systematic analysis of a very important aspect of writing by integrating it with journalistic media and communication studies The book examines the specific rules for creating intrigue and suspense and confronts their universal features with selected literary texts The individual texts emphasize the importance of understanding the emotions through transformation of various archetypes The rules postulated by creative writing for building drama and tension in such texts often deal with this profound issue They are thus not an end in themselves but actually lead to more mature writing Therefore they essentially contribute to developing one s creative talent and communication skills The paradigm of creative writing serves to shape the creativity of students of

various disciplines including not only literary studies and journalism but also such diverse areas as medicine and information technology Series International Studies in Hermeneutics and Phenomenology Vol 7 *Stimulus, Intention and Process in Creative Writing* Graeme Harper, 2024-02-01 *Stimulus Intention and Process in Creative Writing* explores three exciting and key areas of creative writing practice and understanding What stimulates a writer to write or to write a particular piece What do they intend to achieve when they do it And is there a process we can study and perhaps even understand The authors in this book who are both practitioners and researchers explore these three areas in unique and thought provoking ways They bring to the discussion both expertise in relation to what we already know and a sense of forward thinking in discussing how we can find out more This is a book for creative writing researchers and students who are seeking new knowledge about how creative writing is done what informs and encourages those doing it and what results from that knowledge and encouragement It is also potentially a book for creative writing practitioners who wonder how the things that interest them have them writing certain things and the ways they go about approaching undertaking and completing these projects The chapters in this book were originally published in *New Writing The International Journal for the Practice and Theory of Creative Writing*
