Quatro, 2015-01-28 The contributors to this wide ranging volume seek to define exactly what leadership is or should be and how to effectively develop it Guided by an unusual framework that looks at leadership across different sectors and functions they examine what they view as the major leadership challenges in highly visible for profit not for profit and government organizations throughout the world Their insights will prove equally useful as a general survey of leadership problems for executive policy makers and for undergraduate and graduate students in the specific fields examined in the text

Decolonizing Transcultural Teacher Education through Participatory Action Research Jean Kirshner, George Kamberelis, 2021-06-30 This volume describes a Participatory Action Research PAR project involving educators from Belize and the U S to illustrate the critical role of shared dialogue in transnational teacher education First identifying issues which inhibited the success of formerly didactic training delivered to Belizean teachers by U S educators this volume documents the transformational impact of a shift to collaborative training approaches and uses first person accounts from Belizean and U S stakeholders to illustrate their successes Chapters powerfully illustrate that by engaging in Freirean like dialogue and building relationships based on a mutual understanding of the cultural and historical context as well as the identity of educators involved partners are better able to engage in effective transnational pedagogical collaboration Particular attention is paid to the importance of acknowledging the post colonial setting and unique positionality of teachers in Belize This text will benefit researchers academics and educators with an interest in action research and teacher research multicultural education and continued professional development in particular Those interested in teacher training education research and international and comparative education will also benefit from this book Daily Graphic Ransford Tetteh, 2010-03-27 Bulletin of the Atomic Scientists , 1966-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **New Trends in Ethiopian Studies** Harold G. Marcus, Grover Hudson, 1994 Less Than Conquerors Doug Frank, 2009-08-01 Although evangelicals enjoyed respect and leadership in American society in the decades before the Civil War their fortunes declined precipitately in the wake of the industrialism modernism and secularism of the next half century But the 1920s evangelicals felt like an embattled minority within a largely unbelieving culture and perceived that history was very much out of their control Frank examines the spiritual significance of these events by placing them against a biblical understanding of the gospel He sees in the confidence and self congratulation of the turn of the century evangelicals a portrait of the spiritually rich of the Bible who must lose their riches before they can come to know God truly Harmful uses of the gospel are explored through dispensational premillennialism the victorious life theology and the revivalism of Billy Sunday Altogether *Less Than Conquerors* is a call to replace the blurred and self serving gospel of a besieged subculture with the genuine gospel of Jesus Christ **Youth**

Development in Nigeria Emmanuel Njoku, 2021-06-10 Youth development is as a core aspect of human and national progress in Nigeria The study suggests the development of young people as the means of poverty reduction It indicates that amidst cultural ethnic and religious diversities and in the light of threats to human life and property the development of the youth is the way to promoting peace and unity justice and security The book argues on a two fold contribution While the Nigerian Church is to intensify efforts in the active participation of lay Christians in politics the State is to tackle critical areas to ensure a decent standard of living for all *Ebony*, 2004-12 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine
