## **Impossible Confession:**

**Confession in the Novel** Les W. Smith, 1996 A heritage of conflict in author character relations emerges through works by Dostoevsky Mauriac O Connor and DeLillo where the issue of a character's freedom from the author's perspective proves essential to understanding narrative form

**Acts of Narrative** Carol Jacobs, Henry Sussman, 2003 This outstanding collection brings together essays that reflect on the nature of narrative literary criticism and history from a variety of theoretical and disciplinary perspectives ranging from deconstruction psychoanalysis and trauma theory to narratology technology economics and aesthetics Acts of Narrative includes responses from renowned scholars across a wide range of disciplines philosopher Jacques Derrida the literary critic J Hillis Miller W J T Mitchell well known for his reflections on the visual world and Cathy Caruth one of the founders of the field of trauma theory These essays are brilliant in their readings of other texts but are also striking in the manner in which each becomes itself a narrative performance Moreover what starts out as an exercise in theorizing and reading moves more often than not into a meditation on social and political issues crucial for our own sense of ourselves

**Troubling Confessions** Peter Brooks, 2000-05-22 Literature has often understood the problematic nature of confession better than the law as Brooks demonstrates in perceptive readings of legal cases set against works by Rousseau Dostoevsky Joyce and Camus among others

**BOOK JACKET**

**The Culture of Confession from Augustine to Foucault** Chloe Taylor, 2010-05-26 Drawing on the work of Foucault and Western confessional writings this book challenges the transhistorical and commonsense views of confession as an innate impulse resulting in the psychological liberation of the confessing subject Instead confessional desire is argued to be contingent and constraining and alternatives to confessional subjectivity are explored

**Grace** Max Lucado, 2014-02-18 ECPA CHRISTIAN BOOK OF THE YEAR AWARD WINNER Are you ready to move from insecure to God secure From regret riddled to better because of it From afraid to die to ready to fly Today find freedom in God's grace We often talk about grace but do we really understand it Grace politely occupies a phrase in a hymn and fits nicely on a church sign It never causes trouble or demands a response When asked Do you believe in grace who could say no Bestselling author and pastor Max Lucado helps us dive deeper into what it means to be changed by grace God's grace has a drenching about it A wildness about it A white water riptide turn you upside downness about it Grace comes after you It rewires you In this book you will learn Grace is everything Jesus You belong to Jesus Jesus lives in you You will increasingly grow more like Jesus There is nothing you can do to get grace grace gets you Grace is the voice that calls us to change and then gives us the power to pull it off Have you been shaped emboldened and softened by grace Let's make certain grace gets you

The Disappearance of Literature initiates this new trajectory through readings of Blanchot's *The Unavowable Community* and Agamben's *The Open* two short books that harbor their most enigmatic writings A series of related concepts study community mysticism and friendship emerges from this pairing and Hillyer argues forms the basis of a new vein of contemporary literature found in the novels and hybrid fictions of Enrique Vila Matas Anne Carson and Cesar Aira

forgiven and forgotten still lurks deep in his memory A pattern of murders unveils terrifying associations between the stranger s appearances John s own past and the murders Could the stranger be the cardinal who abused him during his time in Rome and who is rumoured to have died in the 9 11 attacks Is he a ghost emanating from the same world as Sarah the ghost of a little girl whose benign appearances are a protective presence in John s life Or is the man in the confessional not really dead Through the increasing traumas of Lent John struggles with the temptations and fears that begin to assail him wherever he turns The Good Priest is a story of faith and doubt of real and imagined hauntings of the epic dramas that lurk beneath the surface of an ordinary Catholic parish and of the devastating power of violence and terror to rip apart relationships friendships and loyalties At once a thriller and a theological exploration the book takes the reader into a world of altered realities where nothing is quite what it seems
