**Truth Versus Man's Religious Systems** Terry W. McHenry, 2018-01-27 The book in overview is historical and instructional in content with the focus being on the Biblical text in terms of its original form and language and in consideration of its full and proper context linguistically, textually, historically, culturally and literarily. It stresses the importance of moving from a knowledge of the Bible to an understanding of its life-giving instructions being studied in its entirety as a gift to mankind from a loving creator, Elohim. The thrust of the book is accordingly threefold: An indictment of two of man's religious systems, Judaism and Christianity, for syncretism, corruption of Elohim's written Word of truth, and abuses of religious authority plus promulgation of religious traditions not aligned with the whole truth of Elohim's Word. A call to return to the one source of truth, the written Word of Elohim understood in its originally written form and in its full and proper context. Providing the equipping and study tools necessary to move from a mere knowledge of the Word to an understanding of its life-giving instructions, how to live a redeemed life as Elohim intended for all mankind.
