Wolf,2007-01-16 The image of the Jewish child hiding from the Nazis was shaped by Anne Frank whose house the most visited site in the Netherlands has become a shrine to the Holocaust Yet while Anne Frank s story continues to be discussed and analyzed her experience as a hidden child in wartime Holland is anomalous as this book brilliantly demonstrates Drawing on interviews with seventy Jewish men and women who as children were placed in non Jewish families during the Nazi occupation of Holland Diane L Wolf paints a compelling portrait of Holocaust survivors whose experiences were often diametrically opposed to the experiences of those who suffered in concentration camps Although the war years were tolerable for most of these children it was the end of the war that marked the beginning of a traumatic time leading many of those interviewed here to remark My war began after the war This first in depth examination of hidden children vividly brings to life their experiences before during and after hiding and analyzes the shifting identities memories and family dynamics that marked their lives from childhood through advanced age Wolf also uncovers anti Semitism in the policies and practices of the Dutch state and the general population which historically have been portrayed as relatively benevolent toward Jewish residents The poignant family histories in *Beyond Anne Frank* demonstrate that we can understand the Holocaust more deeply by focusing on postwar lives **Let's Go Germany 13th Edition** Stephanie O'Rourke,Let's Go Inc.,2006-11-28 Packed with travel information including more listings deals and insider tips CANDID LISTINGS of hundreds of places to eat sleep drink and feel like a localDETAILED MAPS for getting around cities towns trails and transit systemsTRENCHANT TIPS about all things beer from brew guides to ordering and toastingFESTIVALS including Berlin s Love Parade the world s largest dance partyVOLUNTEER work and study opportunities throughout GermanyRUGGED TRAILS and daunting peaks for enjoying Germany s breathtaking vistas **Synagogues of Europe** Carol Herselle Krinsky,1996-01-01 Superbly illustrated views from antiquity to modern times accompany concise profiles of synagogues across the continent including Cracow s Old Synagogue the Great Synagogue of Vilnius and Vienna s Tempelgasse 253 illustrations *Amsterdam Travel Guide* 4you2know .com,2012-05-06 AmsterdamComplete Travel Guide and Tourist
