Edited by David Gutman, Ezra Mendelsohn,  
Abraham F. Kuylenstierna, and Chaim Shmida

# Jews Of Poland Between Two World Wars

**Gershon C. Bacon**

## **Jews Of Poland Between Two World Wars:**

**The Jews of East Central Europe Between the World Wars** Ezra Mendelsohn, 1983 a carefully crafted and important book a first class contribution to the literature on modern Europe American Historical Review valuable the first historical work to attempt a synthetic sketch of the problems indicated in the title Journal of Polish Jewish Studies An illuminating study of the demographic cultural and socioeconomic condition of East Central European Jewry the book focuses on the internal life of Jewish communities in the region and on the relationships between Jews and gentiles in a nationalist environment **Creativity and Conflict. Jews in Interwar Poland.** Gershon C. Bacon, 2025-07-29 Creativity and Conflict reexamines interwar Polish Jewish history through the author's collected essays and scholarly responses of leading academicians The work covers Polish Jewish relations Orthodox Judaism and the rabbinate women's history social history and historiography challenging prevalent myths about Jews in Poland **Poland between the Wars, 1918-1939** Peter D. Stachura, 1998-12-13 Incorporating selective papers from a successful conference organised by the Polish Society this book presents challenging and frequently revisionist views on a variety of controversial themes relating to the interwar Polish Republic including its struggle over Upper Silesia the question of national identity and its ethnic minorities the significance of the Battle of Warsaw the role of the press and its defence preparations in 1939 The volume thus makes an important contribution to scholarly debate of a crucial period in Poland's recent history *Cultures of the Jews* David Biale, 2002-10-15 WITH MORE THAN 100 BLACK AND WHITE ILLUSTRATIONS THROUGHOUT Who are the Jews Scattered over much of the world throughout most of their three thousand year old history are they one people or many How do they resemble and how do they differ from Jews in other places and times What have their relationships been to the cultures of their neighbors To address these and similar questions twenty three of the finest scholars of our day archaeologists cultural historians literary critics art historians folklorists and historians of religion all affiliated with major academic institutions in the United States Israel and France have contributed their insight to *Cultures of the Jews* The premise of their endeavor is that although Jews have always had their own autonomous traditions Jewish identity cannot be considered immutable the fixed product of either ancient ethnic or religious origins Rather it has shifted and assumed new forms in response to the cultural environment in which the Jews have lived Building their essays on specific cultural artifacts a poem a letter a traveler's account a physical object of everyday or ritual use that were made in the period and locale they study the contributors describe the cultural interactions among different Jews from rabbis and scholars to non elite groups including women as well as between Jews and the surrounding non Jewish world Part One Mediterranean Origins describes the concept of the People or Nation of Israel that emerges in the Hebrew Bible and the culture of the Israelites in relation to that of the Canaanite groups It goes on to discuss Jewish cultures in the Greco Roman world Palestine during the Byzantine period Babylonia and Arabia during the formative years of Islam Part Two Diversities of Diaspora illuminates Judeo Arabic culture in the Golden Age of Islam

Sephardic culture as it bloomed first in the Iberian Peninsula and later in Amsterdam the Jewish Christian symbiosis in Ashkenazic Europe and in the Polish Lithuanian Commonwealth the culture of the Italian Jews of the Renaissance period and the many strands of folklore magic and material culture that run through diaspora Jewish history Part Three Modern Encounters examines communities ways of life and both high and folk culture in Western Central and Eastern Europe the Ladino Diaspora North Africa and the Middle East Ethiopia Zionist Palestine and the State of Israel and finally the United States Cultures of the Jews is a landmark representing the fruits of the present generation of scholars in Jewish studies and offering a new foundation upon which all future research into Jewish history will be based Its unprecedented interdisciplinary approach will resonate widely among general readers and the scholarly community both Jewish and non Jewish and it will change the terms of the never ending debate over what constitutes Jewish identity

*The Yiddish Historians and the Struggle for a Jewish History of the Holocaust* Mark L. Smith, 2019-12-09 Holocaust history written and researched by the Yiddish scholars who lived it The Yiddish Historians and the Struggle for a Jewish History of the Holocaust identifies the Yiddish historians who created a distinctively Jewish approach to writing Holocaust history in the early years following World War II Author Mark L Smith explains that these scholars survived the Nazi invasion of Eastern Europe yet they have not previously been recognized as a specific group who were united by a common research agenda and a commitment to sharing their work with the worldwide community of Yiddish speaking survivors These Yiddish historians studied the history of the Holocaust from the perspective of its Jewish victims focusing on the internal aspects of daily life in the ghettos and camps under Nazi occupation and stressing the importance of relying on Jewish sources and the urgency of collecting survivor testimonies eyewitness accounts and memoirs With an aim to dispel the accusations of cowardice and passivity that arose against the Jewish victims of Nazism these historians created both a vigorous defense and also a daring offense They understood that most of those who survived did so because they had engaged in a daily struggle against conditions imposed by the Nazis to hasten their deaths The redemption of Jewish honor through this recognition is the most innovative contribution by the Yiddish historians It is the area in which they most influenced the research agendas of nearly all subsequent scholars while also disturbing certain accepted truths including the beliefs that the earliest Holocaust research focused on the Nazi perpetrators that research on the victims commenced only in the early 1960s and that Holocaust study developed as an academic discipline separate from Jewish history Now with writings in Yiddish journals and books in Europe Israel and North and South America having been recovered listed and given careful discussion former ideas must yield before the Yiddish historians published works The Yiddish Historians and the Struggle for a Jewish History of the Holocaust is an eye opening monograph that will appeal to Holocaust and Jewish studies scholars students and general readers

*The Road to September 1939* Jehuda Reinharz, Yaacov Shavit, 2020-03 Preface The Birds Left Early A Million Superfluous Jews and More The Dream of a Jewish State The Wailing Wall in Vienna and Kristallnacht Funeral March at St James's Palace They

Betrayed Czechoslovakia Why Should They Not Betray Us as Well A Bridge Over the White Paper The Forgotten Congress  
 Geneva August 16 25 1939 Will War Break Out So early no one has seen death yet Epilogue **The Jews of Częstochowa**  
 Mark W. Kiel, 2022-11-07 Cz stochowa was the home of the eighth largest Jewish community in Poland After 1765 when there  
 were 75 Jews in Czystochowa the community grew steadily With emancipation in 1862 many Jews migrated to Czystochowa  
 and contributed to its industrial and commercial growth In 1935 there were 27 162 Jews out of a total population of 127 504  
 When the Nazis deported Jews to Cz stochowa to work in its munition factories the Jewish population exceeded 50 000  
 Almost all perished in Treblinka Anti Jewish feeling was spurred on by the Church and Fascist groups that organized boycotts  
 of Jewish stores and incited pogroms intended to drive the Jews out of the city The Jewish labor movement fought  
 unemployment and poor working conditions Impoverished families were aided by community charitable funds Jewish  
 philanthropists established the non sectarian Jewish Hospital progressive schools two gymnasia and the New Synagogue  
 During election seasons the entire Jewish political spectrum from the socialist parties to the ultra Orthodox competed in the  
 self governing body and in the Municipal Council By 1901 stylishly dressed men and women mixed in the streets with poor  
 religious Jews in their traditional garb A popular press libraries theaters cinema sporting events and youth movements gave  
 Cz stochowa Jews a variety of cultural choices to suit their politics artistic taste and modes of leisure Public life transformed  
 a dreary factory town into one of the most colorful and celebrated Jewish communities in Poland before and after the First  
 World War **Cultures of the Jews, Volume 3** David Biale, 2011-08-17 Scattered over much of the world throughout most  
 of their history are the Jews one people or many How do they resemble and how do they differ from Jews in other places and  
 times What have their relationships been to the cultures of their neighbors To address these and similar questions some of  
 the finest scholars of our day have contributed their insights to Cultures of the Jews a winner of the National Jewish Book  
 Award upon its hardcover publication in 2002 Constructing their essays around specific cultural artifacts that were created  
 in the period and locale under study the contributors describe the cultural interactions among different Jews from rabbis and  
 scholars to non elite groups including women as well as between Jews and the surrounding non Jewish world What they  
 conclude is that although Jews have always had their own autonomous traditions Jewish identity cannot be considered the  
 fixed product of either ancient ethnic or religious origins Rather it has shifted and assumed new forms in response to the  
 cultural environment in which the Jews have lived Modern Encounters the third volume in Cultures of the Jews examines  
 communities ways of life and both high and folk culture in the modern era in Western Central and Eastern Europe the Ladino  
 Diaspora North Africa and the Middle East Ethiopia mandatory Palestine and the State of Israel and the United States From  
 the Trade Paperback edition The World Reacts to the Holocaust David S. Wyman, Charles H. Rosenzweig, 1996-09-24  
 Among the issues examined are the extent of the human destruction the degree of collaboration Jewish reactions and efforts  
 to save the Jews *Right-Wing Politics and the Rise of Antisemitism in Europe 1935-1941* Frank Bajohr, Dieter

Pohl, 2019-01-02 A New Forum for International Holocaust Research European Holocaust Studies EHS publishes key international research results on the murder of the European Jews and its wider contexts This new English language yearbook primarily aims to bring together and provide higher visibility to research contributions produced across different countries and institutions It also strives to promote international exchange especially among scholars from North America Europe and Israel The EHS issues are thematic Each issue features a selection of peer reviewed research articles which offer novel perspectives on the main theme Further sections include a discussion of key documents and a selection of research project descriptions related to the overall topic as well as a literature review or essay dealing with historiographical debates on the subject

*Making Jews Modern* Sarah Abrevaya Stein, 2003-12-22 On the eve of the 20th century Jews in the Russian and Ottoman empires were caught up in the major cultural and social transformations that constituted modernity for Ashkenazi and Sephardi Jewries respectively What language should Jews speak or teach their children Should Jews acculturate and if so into what regional or European culture What did it mean to be Jewish and Russian Jewish and Ottoman Jewish and modern Sarah Abrevaya Stein explores how such questions were formulated and answered within these communities by examining the texts most widely consumed by Jewish readers popular newspapers in Yiddish and Ladino Examining the press's role as an agent of historical change she interrogates a diverse array of verbal and visual texts including cartoons photographs and advertisements This original and lively study yields new perspectives on the role of print culture in imagining national and transnational communities Stein's work enriches our sense of cultural life under the rule of multiethnic empires and complicates our understanding of Europe's polyphonic modernities

Women in the Holocaust Dalia Ofer, Lenore J. Weitzman, 1998-01-01 Introduction the role of gender in the Holocaust Lenore J Weitzman and Dalia Ofer Gender and the Jewish family in modern Europe Paula E Hyman Keeping calm and weathering the storm Jewish women's responses to daily life in Nazi Germany 1933 1939 Marion Kaplan The missing 52 percent research on Jewish women in interwar Poland and its implications for Holocaust studies Gershon Bacon Women in the Jewish labor bund in interwar Poland Daniel Blatman Ordinary women in Nazi Germany perpetrators victims followers and bystanders Gisela Bock The Grodno Ghetto and its underground a personal narrative Liza Chapnik The key game Ida Fink 5050

Jewish Emancipation David Sorkin, 2021-09-14 The first comprehensive history of how Jews became citizens in the modern world For all their unquestionable importance the Holocaust and the founding of the State of Israel now loom so large in modern Jewish history that we have mostly lost sight of the fact that they are only part of and indeed reactions to the central event of that history emancipation In this book David Sorkin seeks to reorient Jewish history by offering the first comprehensive account in any language of the process by which Jews became citizens with civil and political rights in the modern world Ranging from the mid sixteenth century to the beginning of the twenty first Jewish Emancipation tells the ongoing story of how Jews have gained kept lost and recovered rights in Europe North Africa the Middle East the United States and Israel Emancipation

Sorkin shows was not a one time or linear event that began with the Enlightenment or French Revolution and culminated with Jews acquisition of rights in Central Europe in 1867 71 or Russia in 1917 Rather emancipation was and is a complex multidirectional and ambiguous process characterized by deflections and reversals defeats and successes triumphs and tragedies For example American Jews mobilized twice for emancipation in the nineteenth century for political rights and in the twentieth for lost civil rights Similarly Israel itself has struggled from the start to institute equality among its heterogeneous citizens By telling the story of this foundational but neglected event Jewish Emancipation reveals the lost contours of Jewish history over the past half millennium

**The Myth of Jewish Communism** André Gerrits, 2009 This title presents a full length analysis of the identification of Jews with communism It traces the myth of Jewish communism from the traditional anti Jewish prejudices on which it is built to its crucial role in Eastern European Stalinist and post Stalinist politics

**Emotions in Yiddish Ghetto Diaries** Amy Simon, 2023-06-16 This book uses an empathic reading of Yiddish diarists feelings evaluations and assessments about persecutors in the Warsaw Lodz and Vilna ghettos to present an emotional history of persecution in the Nazi ghettos It re centers the daily experiences of psychological and physical violence that made up ghetto life and that ultimately led victims to use their diaries as a place of agency to question and attempt to maintain their own beliefs in pre war Jewish and Enlightenment ethics and morality Holocaust scholars and students as well as people interested in personal narratives interpersonal relations and the problem of dehumanization during the Holocaust will find this study particularly thought provoking Essentially this book highlights the benefits of reading with empathy and paying attention to emotions for understanding the experiences of people in the past especially those facing tragedy and trauma

**Reader's Guide to Judaism** Michael Terry, 2013-12-02 The Reader s Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly

*The Trilingual Literature of Polish Jews from Different Perspectives* Alina Molisak, Shoshana Ronen, 2017-08-21 Are the literary works of Polish Jews one unified literature in three languages Yiddish Hebrew and Polish or is the literal corpus of each of these languages a separated literary and cultural phenomenon Twenty seven scholars from Europe the United States and Israel explore different aspects of the multilingual literature of Eastern European Jews with a particular focus on the trilingual literature of Polish Jews until World War II The work of the great Yiddish and Hebrew writer Isaac Leib Peretz 1852 1915 represents the center of the book though it does not concentrate solely on Peretz s work but rather discusses the oeuvre of other unique authors in the cultural space of Jews in Central and Eastern Europe generally and in Poland particularly The book looks at this issue from three aspects namely the literal cultural and historical and also examines the dialogue of Polish Jewish literature with other

languages and cultures      *Polish-Jewish Literature in the Interwar Years* Eugenia Prokop-Janiec, 2003-04-01 Foremost among a recent wave of Polish books on Jewish issues this groundbreaking work rectifies long held misconceptions about Polish Jewish writers Popular notion has it that Polish Jewish writers unlike their counterparts in Western Northern and Central Europe wrote solely in Yiddish or Hebrew Yet between the two world wars Poland produced an elite group of assimilated Jews who wrote exclusively in Polish Theirs was not an easy lot Torn between love of Poland and its literature and their own Jewish identity they straddled a fine line between two cultural worlds at once advocating acculturation while prey to virulent anti-Semitism This pioneering award winning volume examines the emergence and development of these writers their personal plight and the profound effect they had upon Polish letters and poetry Meticulously researched it explores the role of language as a bridge attitudes toward Polish writing impact of the ghetto and the transformation of Polish into a force for its Jewish populace Finally it pays homage to fine literary voices silenced by the Holocaust      **Together and Apart in Brzezany** Shimon Redlich, 2002-05-03 Based on interviews with Poles Jews and Ukrainians who lived in the small eastern Polish town of Brzezany before during and after World War II together with extensive research into the historical record and his own childhood memories historian Shimon Redlich reconstructs the changing relationships among Brzezany's three ethnic groups The book details the history of Brzezany from the pre war decades when members of the three communities remember living relatively amicably together and apart when Brzezany was part of independent Poland through the tensions of Soviet rule from 1939 to 1941 and the trauma of the Nazi occupation from 1941 to 1944 to the recapture of the town by the Red Army in 1945 Each chronological chapter is introduced by Redlich's recollections continues with an examination of the events as documented in local sources and concludes with the observations of his interviewees Historical and contemporary photographs of Brzezany and its inhabitants add immediacy to this fascinating excursion into history brought to life by those who lived through it showing how events are remembered and interpreted often in very different ways

**Between National Socialism and Soviet Communism** Anna Holian, 2011-08-30 In May of 1945 there were more than eight million displaced persons or DPs in Germany recently liberated foreign workers concentration camp prisoners and prisoners of war from all of Nazi occupied Europe as well as eastern Europeans who had fled west before the advancing Red Army Although most of them quickly returned home it soon became clear that large numbers of eastern European DPs could or would not do so Focusing on Bavaria in the heart of the American occupation zone *Between National Socialism and Soviet Communism* examines the cultural and political worlds that four groups of displaced persons Polish Ukrainian Russian and Jewish created in Germany during the late 1940s and early 1950s The volume investigates the development of refugee communities and how divergent interpretations of National Socialism and Soviet Communism defined these displaced groups Combining German and eastern European history Anna Holian draws on a rich array of sources in cultural and political history and engages the broader literature on displacement in the fields of anthropology sociology political theory and

cultural studies Her book will interest students and scholars of German eastern European and Jewish history migration and refugees and human rights
