Jesus And The Message Of Love:

Love Is His Meaning Keith Ward,2017-07-20 Jesus teaching has changed the world Yet his sayings can often seem cryptic and hard to understand In *Love Is His Meaning* Keith Ward explores the various figures of speech and images that Jesus used and finds they are all ways of expressing and evoking the self giving love of God manifested supremely in Jesus life They communicate spiritual truths often not in a literal but in a poetic way They encourage us to take our own moral decisions with sensitivity and care for others They show that God s love will never abandon anyone and that it extends to everyone in the world without exception And they promise a fulfilment of our hopes for a just and peaceable world that surpasses anything we might describe or imagine Putting aside literalist authoritarian legalistic judgemental and divisive presentations of Jesus teachings the author shows that what remains is the gospel of a divine love a love stronger than death and the only power that can and will redeem our disordered world Jesus and the Message of Love Ronald D.

Pasquariello,1998 *The Message of Love* Patrick Mitchel,2019-09-19 Love such a deceptively simple and popular little word It is universally agreed that we need love to live and flourish as human beings and yet within our contemporary culture there are numerous confusing competing and evolving ideas about what love is There are few greater subjects in Christian theology than love yet it is a surprisingly complex and challenging concept to understand let alone live out faithfully Patrick Mitchel s conviction is that Christians need to be thinking about and practising love in compelling and authentic ways Our task is not only to articulate what love is but also to show to the world what true Christian love looks like in practice The only thing that counts is faith expressing itself through love Gal 5 6 NIV Mitchel s exposition explores love in the Old Testament how the love of God is supremely revealed in the mission and death of Jesus Christ love in the life and teaching of Jesus and the church s calling to be a community of love He helps us to grasp afresh the breadth depth scope and radically counter cultural nature of the Bible s teaching on love With a fully integrated study guide suitable for both individuals and groups *The Message of Love* will help you to see how the Bible s unified teaching on this vital theme can impact your life today

Mark: Jesus Christ, Love in Action Practical Christianity Foundation,2020-08-08 The Gospel of Mark was written about A D 57-59 by a Jewish disciple of the Christian faith the same John Mark mentioned at least ten times in the New Testament John was his Hebrew name and Mark was his Gentile name 1 All of the early church fathers ascribe this gospel to a young man who was not one of the twelve apostles but was a disciple of Paul and later of Peter He is often referred to as the interpreter of Peter's teaching and Peter apparently gave Mark his stamp of approval for the use of these teachings among the early churches 2 God's Love In 3-Dimensions Jim McGrew,2007-03-27 Could there be anything more exciting and blessed assurance in our life than knowing that the creator of the universe loves us That is what this book God's love in 3 dimensions is about God's love for us and His designed purpose for our lives Reflecting back over more than forty years of service in the Body of Christ I have found the most important things to be taught and expressed to bring love and unity and success to the life of the Church and to our personal lives are God's love for us Our love for God and Our love for one another For the success and the life of the Church and for our personal lives God's love must prevail God's Love in 3 dimensions reiterates the plea of the writings of our Lord's Apostles and the prayer of our Lord for love and unity The apostles of our Lord pleaded for us throughout the scriptures to have love and unity through the Spirit of God's love Jesus our Lord prayed for God's unity and love for His followers that all of them may be one Father just as you are in Me and I am in You I have made You known to them and will continue to make You known in order that the love You have for Me may be in them and

that I Myself may be in them John 17 21 26 What great accomplishments and success await us when we walk in unity with our Lord and Heavenly Father The greatness of God s love joy and peace fills our hearts souls and minds providing divine direction and assurance as we walk in our Lord s Spirit of love And what great accomplishments have been made by the body of Christ when our Lord s love and unity prevail among His body members when working together in the directives and spirit of their Lord What creates and produces unity with the Heavenly Father within us and within the body of Christ God s love What motivated God s plan of salvation for mankind God s love What power innovated and sustained our Lord and Savior in carrying out God s plan of salvation God s love What would be the greatest and most significant news a person could receive God loves you What is the greatest and most significant news one could ever share with another God loves you What brings unity and peace within our individual selves and the Lord s Church The knowledge the receiving and the expression of God s love This book is written through the spiritual desire to glorify and praise the Triune God Head for their love **Love in the Gospel of John** Francis J. SDB Moloney,2013-11-19 The command to love is central to the Gospel of John Internationally respected scholar Francis Moloney offers a thorough exploration of this theme focusing not only on Jesus s words but also on his actions Instead of merely telling people that they must love one another Jesus acts to make God s love known and calls all who follow him to do the same This capstone work on John s Gospel uses a narrative approach to delve deeply into a theme at the heart of the Fourth Gospel and the life of the Christian church Uniting rigorous exegesis with theological and pastoral insight it makes a substantive contribution to contemporary Johannine scholarship *WithJesus und ...
