Jesus The Unanswered Questions:

Jesus John Bowden,1989 **The Reality of the Kingdom** Paul Rowntree Clifford,1996 This is a print on demand book and is therefore non returnable Jesus came proclaiming the advent of the kingdom of God New Testament scholars however are by no means agreed about Jesus meaning or intention or about whether we have any way of penetrating through the testimony of the early Christians to what Jesus actually said or meant This study by Paul Rowntree Clifford presses to a scholarly conclusion two key questions What did Jesus mean by his proclamation of the kingdom And in what sense has his promise been fulfilled Following an insightful evaluation of the Gospel evidence Clifford concludes that the kingdom of God as proclaimed by Jesus is a reality in the light of which we have come to terms with the modern world a world where natural catastrophes and humanly created disasters are common occurrences By focusing on matters of fact Clifford shows that we end up with a startlingly challenging proclamation of the kingdom of God that is profoundly relevant to the difficult world in which we live **The Preacher's Commentary - Vol. 32: 1 and 2 Thessalonians / 1 and 2 Timothy / Titus** Gary W. Demarest,2003-07-22 Written BY Preachers and Teachers FOR Preachers and Teachers Combining fresh insights with readable exposition and relatable examples The Preacher s Commentary will help you minister to others and see their lives transformed through the power of God s Word Whether preacher teacher or Bible study leader if you re a communicator The Preacher s Commentary will help you share God s Word more effectively with others This volume combining commentary on the Thessalonians 1 2 Timothy and Titus invites students and teachers of the Bible alike to approach these letters with fresh insight illustration and application Each volume is written by one of today s top scholars and includes Innovative ideas for preaching and teaching God s Word Vibrant paragraph by paragraph exposition Impelling real life illustrations Insightful and relevant contemporary application An introduction which reveals the author s approach A full outline of the biblical book being covered Scripture passages using the New King James Version and explanations The Preacher s Commentary offers pastors teachers and Bible study leaders clear and compelling insights into the Bible that will equip them to understand apply and teach the truth in God s Word **Contested Issues in Christian Origins and the New Testament** Luke T. Johnson,2013-01-15 In a collection of essays spanning some 35 years Luke Timothy Johnson takes on some of the most contested issues in the study of Christian Origins and the New Testament from the historical Jesus and the Jesus of the Gospels through exegetical studies of Luke Acts and Paul to questions pertaining to the development of early Christian history relations with Judaism the uses of polemic sexuality and law Johnson s work is characterized by close attention to texts and a concern for methodological rigor Far from representing scholarly consensus these essays consistently display independence of judgment whether concerning the authorship of Paul s disputed letters the legitimacy of the quest for the historical Jesus or the toxic character of some early Christian texts **Silent Statements** Michal Beth Dinkler,2013-10-14 Even a brief comparison with its canonical counterparts demonstrates that the Gospel of Luke is preoccupied with the power

of spoken words still words alone do not make a language Just as music without silence collapses into cacophony so speech without silence signifies nothing silences are the invisible inaudible cement that hold the entire edifice together Though scholars across diverse disciplines have analyzed silence in terms of its contexts sources and functions these insights have barely begun to make inroads in biblical studies Utilizing conceptual tools from narratology and reader response criticism this study is an initial exploration of largely uncharted territory the various ways that narrative intersections of speech and silences function together rhetorically in Luke s Gospel Considering speech and silence to be mutually constituted in intricate and inextricable ways Dinkler demonstrates that attention to both characters silences and the narrator s silences helps to illuminate plot characterization theme and readerly experience in Luke s Gospel Focusing on both speech and silence reveals that the Lukan narrator seeks to shape readers into ideal witnesses who use speech and silence in particular ways Luke can be read as an early Christian proclamation not only of the gospel message but also of the proper ways to use speech and silence in light of that message Thus we find that speech and silence are significant matters of concern within the Lukan story and that speech and silence are significant tools used in its telling [The Lost Gospel](#) Simcha Jacobovici,2014-11-12 Waiting to be rediscovered in the British Library is an ancient manuscript of the early Church copied by an anonymous monk The manuscript is at least 1 450 years old possibly dating to the first century And now The Lost Gospel provides the first ever translation from Syriac into English of this unique document that tells the inside story of Jesus social family and political life The Lost Gospel takes the reader on an unparalleled historical adventure through a paradigm shifting manuscript What the authors eventually discover is as astounding as it is surprising the confirmation of Jesus marriage to Mary Magdalene the names of their two children the towering presence of Mary Magdalene a previously unknown plot on Jesus life thirteen years prior to the crucifixion an assassination attempt against Mary Magdalene and their children Jesus connection to political figures at the highest level of the Roman Empire and a religious movement that antedates that of Paul the Church of Mary Magdalene Part historical detective story part modern adventure The Lost Gospel reveals secrets that have been hiding in plain sight for millennia **The Corinthian Correspondence** Reimund Bieringer,1996 [As Sure as the Dawn](#) Fern Buzinski,2022-07-29 Author Fern Buzinski writes with the heart of a teacher and the wisdom of a mentor to bring us As Sure as the Dawn She communicates truth in clear and uncomplicated ways This daily devotional flows from the deep well of life experience and personal study with daily prayers that touch heaven Let the reader beware Hope will rise [Political Trials in Theory and History](#) Jens Meierhenrich,Devin O. Pendas,2017-02-27 From the trial of Socrates to the post 9 11 military commissions trials have always been useful instruments of politics Yet there is still much that we do not understand about them Why do governments use trials to pursue political objectives and when What differentiates political trials from ordinary ones Contrary to conventional wisdom not all political trials are show trials or contrive to set up scapegoats This volume offers a novel account of political trials that is empirically rigorous and theoretically sophisticated linking state of the art

research on telling cases to a broad argument about political trials as a socio legal phenomenon All the contributors analyse the logic of the political in the courtroom From archival research to participant observation and from linguistic anthropology to game theory the volume offers a genuinely interdisciplinary set of approaches that substantially advance existing knowledge about what political trials are how they work and why they matter *Inspirational Preaching* Craig Brian Larson,2022-05-03 Here leading pastors offer specific guidance from both personal and biblical perspectives on themes of vision desire integrity emotions and transformation In so doing the contributors show that the ability to inspire people through preaching flows from one thing leading them into the presence of Christ The writers in this book share the bounty of decades of experience to help pastors do just that by delivering more effective and inspirational sermons Each of the following chapters focuses on an important element of this most important form of preaching including The Biggest idea in Preaching Authentic Inspiration 5 Veins of Deep Preaching Preaching with wonder Interpretation and Application How does one best make ancient biblical texts pertinent to the 21st Century listener while still maintaining the integrity of the Scriptures Interpretation and Applications designed to provide guidance on how to interpret and apply God s word honestly and accurately in a sermon Sermon Preparation On top of all the responsibilities that comprise their vocation pastors must write sermons that are original insightful useful challenging and comforting once a week Sermon Preparation explores the art and craft of sitting down to a blank page and writing a message that nourishes and speaks truth to the listener Every chapter written by an expert in the field provides insights and techniques that are the result of years of sermon preparation

Boomershine, 2015-06-09 The telling of Mark s story of Jesus as the Messiah of peace in the decades following the Roman Judean war announced a third way forward for Diaspora Judeans other than warfare against or separation from the nations Mark s Gospel was the story of the victory of a nonviolent Messiah who taught and practiced the ways of a new age of peace and reconciliation in contrast to the ancient and modern myth of redemptive violence The Messiah of Peace is a performance criticism commentary exploring a new paradigm of biblical scholarship that takes seriously the original experience of the Gospel of Mark as a lively story told to audiences rather than as a text read by readers The commentary is correlated with the Messiah of Peace website which features video recordings of the story in both English and Greek Critical investigation of the sounds of the Markan passion resurrection narrative reveals the identity of its original audiences as predominantly Judean with a minority of Gentile nonbelievers Hearing the passion resurrection story was an experience of involvement in the forces that led to the rejection and death of Jesus an experience that brought on the challenges inherent in becoming a
