## **Jesuss Audience:**

Jesus's Audience J. Duncan M. Derrett, 1973      Jesus's Manifesto Roman A. Montero, 2019-04-24 Jesus's Manifesto The Sermon on the Plain is a historical analysis and exegesis of the Sermon on the Plain found in Luke 6 20 49 Going into the historical and literary context of the Sermon on the Plain it examines how the message fits into the world of Jesus and his audience Jesus's Manifesto demonstrates how the Sermon's ethical injunctions and eschatological message interacted with contemporary ideologies and how these injunctions were meant to be taken as normative commandments by Jesus in light of his eschatological message Many have attempted to dampen the ethical teachings of Jesus by trying to relativize them or by trying to make them compatible with the wider culture and the dominant ideologies however when understood in its historical context the Sermon's message was not only incompatible with the wider culture and the dominant ideologies but it stood in opposition to them Jesus's Manifesto provides the necessary historical and anthropological tools to fully appreciate the profound and seemingly radical message of the Sermon of the Plain      *Jesus's epithets "Teacher" and "Prophet": a cognitive semantics approach to social roles* Aurel-Onisim LEHACI, The book explores the complementarity of these roles highlighting their portrayal of Jesus's key attributes and his dual human divine identity Cognitive linguistics provides the perspective for delving into these social roles emphasizing their significance in understanding the complexity of Jesus's character It shows that Jesus embodies two complementary epithets teacher and prophet representing distinct approaches to knowledge transmission either through human activity or divine intervention The book illustrates the intricate complexity of Jesus's character proving that Jesus not only fulfills but surpasses typical expectations in both roles consistently revealing his dual identity and the permanent truth of both epithets      **Judge Jesus** Jeremiah L. Stallman, 2021-09-14 How do you understand the messianic judgeship of Jesus Interpreting certain themes in the Gospels is often done through a twenty first century Western perspective Judge Jesus will seek to help a modern reader of the Gospel of John see the concept of Jesus's messianic judgeship through the eyes of a first century Jewish audience Judge Jesus will explore how the themes of judgment and messianic expectation throughout Early Judaism impacted how John's Jewish audience would have understood the words of his Gospel As a twenty first century interpreter of the Gospel of John your studies will be greatly enhanced as you start to see these themes in the same way that John's Jewish audience originally understood the words that he wrote      **Jesus's Final Week** William F. Cook III, 2022-01-15 From Jesus's entry into Jerusalem to acclaim on Palm Sunday to his cursing of the fig tree clearing of the Temple final Passover meal death and resurrection Jesus's Final Week leads readers through a close examination of the last experiences of Jesus's earthly life      **Johannine Portrayal of Jesus** Yan Ma, 2024-12-02 This book introduces a new methodological framework based on the theory of Systemic Functional Linguistics which can examine the linguistic features of the New Testament text By applying a two step discourse analysis model that includes a functional semantic analysis and a rhetorical relational analysis this book argues that the twenty eight occurrences of I am in Jesus's

utterances throughout the Gospel of John reinforce John's portrayal of Jesus's divinity. In the light of John's construing of Jesus's divinity, this new analysis of the Johannine "I am" phrases demonstrates how Johannine Christology is expressed through the narrative of John's Gospel with various textual characteristics. *52 Weeks with Jesus Study Guide* James Merritt, 2016-11-01. **Catalyzing Reader-Response to the Oral Gospel** Mwaniki Karura, 2020-06-30. Dr. Mwaniki Karura provides fresh insight into the Gospel of Mark, its audience, and its purpose in this in-depth study of the Markan text and its oral context. Through careful analysis of the rhetorical layers in Mark, Karura establishes the use of Old Testament quotations, miracle stories, and the passion narratives as tools to galvanize its readers' response to the oral gospel they had already received. Dr. Karura demonstrates how Mark's gospel exists as both a challenge and an encouragement, utilizing parables such as the sower and that of the wicked tenants to reflect its readers' own hearts. In condemning its audience's lukewarm response to the gospel they had heard preached, it simultaneously seeks to inspire obedience, faith, and wholehearted passion for that same gospel. This is an excellent resource for scholars and preachers alike as they seek to further understand the Markan text, its first-century audience, and the context of the early church. *T&T Clark Handbook of Jesus and Film* Richard Walsh, 2021-01-14. The T and 2 other cinematic Jesuses, including followers who imitate Jesus devotionally or aesthetically, Christian Christ figures, antichrists, yet other messiahs, and competing Jesuses in a pluralist world. As one leaves the confines of Christian theology, the question of what a film or interpreter is doing with Jesus or Christ becomes something to be determined, not necessarily something traditional. **Heresy, Forgery, Novelty** Jonathan Klawans, 2019-09-02. It is commonly asserted that heresy is a Christian invention that emerged in late antiquity as Christianity distinguished itself from Judaism. Heresy, Forgery, Novelty probes ancient Jewish disputes regarding religious innovation and argues that Christianity's heresiological impulse is in fact indebted to Jewish precedents. In this book, Jonathan Klawans demonstrates that ancient Jewish literature displays a profound unease regarding religious innovation. The historian Josephus condemned religious innovation outright, and later rabbis valorize the antiquity of their traditions. The Dead Sea sectarians spoke occasionally and perhaps secretly of a new covenant but more frequently masked newer ideas in rhetorics of renewal or recovery. Other ancient Jews engaged in pseudepigraphy, the false attribution of recent works to prophets of old. The flourishing of such

religious forgeries further underscores the dangers associated with religious innovation As Christianity emerged the discourse surrounding religious novelty shifted dramatically On the one hand Christians came to believe that Jesus had inaugurated a new covenant replacing what came prior On the other hand Christian writers followed their Jewish predecessors in condemning heretics as dangerous innovators and concealing new works in pseudepigraphic garb In its open unabashed embrace of new things Christianity parts from Judaism Christianity's heresiological condemnation of novelty however displays continuity with prior Jewish traditions Heresy Forgery Novelty reconsiders and offers a new interpretation of the dynamics of the split between Judaism and Christianity

**Jesus, the Gospels, and Cinematic Imagination** Richard Walsh, Jeffrey L. Staley, 2021-08-12 Jesus films arose with cinema itself Richard Walsh and Jeffrey L Staley introduce students to these films with a general overview of the Jesus film tradition and with specific analyses of 22 of its most influential exemplars stretching from *La vie du Christ* 1906 to *Mary Magdalene* 2018 The introduction to each film includes discussion of plot characters visuals appeal to authority and cultural location as well as consideration of the director's and/or other filmmakers' achievements and style Several film chapters end with reflections on problematic issues bedeviling the tradition such as cultural imperialism and patriarchy To assist teachers and researchers each chapter includes a listing of DVD chapters and the approximate time for both DVDs and streaming platforms at which key film moments occur The book also includes a Gospels Harmony cataloging the time at which key gospel incidents appear in these films Extensive endnotes point readers to other important work on the tradition and specific films While the authors strive to set the Jesus film tradition within cinema and its interpretation the DVD streaming listing and the Gospels Harmony facilitate the comparison of these films to gospel interpretation and the Jesus tradition

*The Divine Goodness of Jesus* Paul Moser, 2021-06-24 In this book Paul Moser explores Jesus' role as God's filial inquirer and clarifies a method of inquiry regarding Jesus one that offers a compelling explanation regarding his experiential impact and his audience's response Moser's method values the roles of history and moral religious experience in inquiry about him and it saves inquirers from distorting biases in their inquiry His study illuminates Jesus' puzzling features including his challenging question for inquirers of him Who do you say I am his distinctive experience of God as father his reference to himself as the son of man his attitude toward his suffering and death his unique role in the kingdom of God and his understanding of his allegedly miraculous signs and of his parables and good news The book also makes sense of evidence for the reality and the main purpose of Jesus

Jesus as Teacher in the Gospel of Matthew Charles Nathan Ridlehoover, Charles Quarles, 2023-07-27 Inspired by the work of Richard France and his highly influential *Matthew Evangelist and Teacher* Charles L Quarles and Charles Nathan Ridlehoover have gathered together a collection of works that argue for a re-examination of the defining features of Jesus's role as a teacher in the Gospel of Matthew This volume suggests that while each of the Gospel writers display Jesus leading disciples along speaking to crowds and confronting Jewish authorities with effective and timely teachings Matthew's portrayal of Jesus as a teacher contains

distinctives that deserve further exploration After examining Jesus's Old Testament and Second Temple influences and comparing his methods to the contemporary Greco Roman tradition the contributors explore Jesus's position as a teacher of faith and forgiveness and a trainer of scribes and analyse his relationship with several different apostles Including responsive essays and concluding with a summary of Jesus and Matthew himself as evangelists and teachers this journey through the aspects of Jesus's teaching ministry gives readers a more complete look at Jesus's vocation *Upended* Jedd Medefind,Erik Lokkesmoe,2012-05 Connect Influence Love In a way that overturns the world's assumptions Upended invites the follower of Jesus to become an apprentice to Jesus particularly in the choices that shape our lives most how we communicate and connect Join this exhilarating exploration of the often overlooked often oversimplified character of Jesus and His unparalleled way of communicating Study echo and embrace the ways of the Master Your life will inevitably be upended Not always how you'd imagined but certainly for the better Much better **Jesus and the Gospels, Third Edition** Craig L.

Thatcher,2013-05-03 Werner Kelber's The Oral and the Written Gospel substantially challenged predominant paradigms for understanding early Jesus traditions and the formation of written Gospels Since that publication a more precise and complex picture of first century media culture has emerged Yet while issues of orality aural performance and mnemonics are now well voiced in Synoptic Studies Johannine scholars remain largely unaware of such issues and their implications The highly respected contributors to this book seek to fill this lacuna by exploring various applications of orality literacy memory and performance theories to the Johannine Literature in hopes of opening new avenues for future discussion Part 1 surveys the scope of the field by introducing the major themes of ancient media studies and noting their applicability to the Fourth Gospel and the Johannine Epistles Part 2 analyzes major themes in the Johannine Literature from a media perspective while Part 3 features case studies of specific texts Two responses by Gail O Day and Barry Schwartz complete the volume
