What's On *Liberty Bazaar* David Chadwick, 2015-04-30 BEST INDIE BOOK KIRKUS REVIEWS STARRED REVIEW A rollicking tale of one black woman's mission to stop an English plan to aid the Confederates in the American Civil War Liverpool 1863 Newly arrived in England Trinity an escaped American slave girl is taken in by wealthy liberals who are campaigning to abolish slavery At the same time Jubal a battle weary Confederate officer arrives in Liverpool to raise funds for the opposing side When Trinity discovers a conspiracy to help the slave owners and the Confederates to win the war who will believe her and who can she really trust Reviews A thrilling account of intrigue deception violence and forbidden love James M McPherson Pulitzer Prize winning author of *Battle Cry of Freedom* Vivid description elegant sentences diligent research the highly readable *Liberty Bazaar* has it all proving that David Chadwick is the real deal a serious writer with a serious talent Nicholas Royle author of *First Novel* and *Regicide* *Liberty Bazaar* is a joy to read It plunges us straight into the nefarious doings of the American Civil War through the distinctive voices of its two protagonists Trinity Giddings and Jubal

de Brooke David Chadwick's sense of place and time is extraordinary and he throws an entertaining slant on a complex and fascinating period of history. The writing is lyrical, lavishly detailed and witty too. This is an immersive, powerful historical novel, one impossible to put down. Sherry Ashworth, author of *Good Recipes and Bad Women* and *Mental Shades* of Charles Dickens, writes: "this offbeat, refreshingly absorbing Civil War novel features impeccable research. Along with the two well-drawn narrators, the novel boasts several wonderful secondary characters." Kirkus Reviews: "Blue Starred review." Chadwick's prose paints his shuffling urban milieu with a nose for detail, inhaling the rich tang of docklands, crowds, the sweeping egalitarianism of street life, forming a tragic backbone for the limitations of the rich. What really stands out, however, is the twin narrative muddying the heroic waters yet acknowledging their existence in a time of violent opposition. It amounts to a revealing look at vested interests and the fact that Britain has more blood on its hands than it would care to admit. Joshua Potts: "The Skinny Tells of Liverpool's secret role in a conflict that still divides the US, brings the teeming streets of Empire-era Liverpool to vivid life." Liverpool Echo: "First class storytelling. An addictive novel with love and gun smoke and a tremendous feel for its time and its settings, lived out by characters of real passion and true human complexity." Paul Du Noyer, founder of MOJO magazine and author of *Liverpool Wondrous Place*: "The sights and smells of dockside Liverpool come alive in ways reminiscent of Dickens. So too do class conflicts tinged as they frequently were by issues of race." Richard Blackett, Professor of History at Vanderbilt University, Nashville: "Those who want to know why the Confederate flag came down in Charleston in 2015 should read David Chadwick's book." Andrew Lees, author of *Liverpool: The Hurricane Port*: "A historical drama with nail-biting moments. I couldn't put it down." Larry Neild, Liverpool Radio City Talk: "David Chadwick's prose is brilliant." Liberty Bazaar: "He pens a story about a familiar time in history but gives the reader a different and fresh perspective. Most Civil War novels are set on the battleground or on the plantation. Adding a bizarre twist to a well-known event, Chadwick highlights the plaguing effects of battle and slavery on the southern plantations by placing the narrative in Liverpool, England. Written in first person, each chapter portrays a sequence of events. However, the personal perspective changes from chapter to chapter. This technique allows the narrative to be read like a journal or a diary. Chadwick writes eloquent descriptions by using illustrious metaphors and profound analogies. I especially liked the comparison of feminine attire with medieval armor." Liberty Bazaar: "is a wonderfully written story." Cheryl E. Rodriguez, Readers Favorite: "About the Author: David Chadwick is an experienced journalist and has run his own journalism and public relations consultancy since 2001. Previously, he was a PR manager at global accountancy firm KPMG and before that a UK government press officer. He has held a number of senior editorial positions on daily newspapers across the UK and his freelance work has appeared in national titles from the Guardian to the Daily Mirror. Born and raised in Greater Manchester, David took a bachelor's degree in history and politics at Queen Mary University of London and a master's in creative writing at Manchester Metropolitan University. Rodney Marshall, **Man in a Suitcase: ITC-land Volume 1** Rodney Marshall, Matthew Lee, 2015-06-28
Lew Grade's pioneering ITC company created a production line of quirky new drama series for British Independent Television in the 1960s fulfilling a vision of providing entertaining colour film series for a global market. In the first of a proposed series of critical guides, Avengers expert Rodney Marshall and television historian Matthew Lee explore ITC's *Man in a Suitcase*. Their book offers new inventive readings of all thirty episodes. *Man in a Suitcase* is a product of its mid-1960s context, exploring themes such as Cold War espionage and Swinging Sixties playgirls, yet most of the stories also have a timeless feel to them: political corruption, blackmail, murder, missing persons, or money/art theft. Despite the private detective/bounty hunter formula, there are welcome elements of playfulness, quirkiness, surrealism, and a healthy abundance of social and political critique. *Man in a Suitcase* cannot be simplistically labelled as light entertainment given the dark subject matter and its treatment.
