Jimmy Stewart Jonathan Coe, 2017-01-03 Over a career that spanned forty three years and seventy seven films Jimmy Stewart went from leading man to national idol Classics such as Mr Smith Goes to Washington The Philadelphia Story Harvey and of course It s A Wonderful Life are far more than mere movies they are visions of America as it wanted to be seen With his inimitable though widely mimicked down home drawl Jimmy Stewart came to embody the ideal American male lean affably sarcastic honorable endearingly awkward His double takes were memorable his way of muttering his asides charmed audiences Most of all he was the man whose heart was always in the right place and who would see always see his way clear to doing the right thing If Bess and I had a son Harry Truman once said we d want him to be just like Jimmy Stewart Jonathon Coe traces Stewart s beginnings in a small town in Pennsylvania his amateur dramatics and college years at Princeton and the early films and stardom through to his heroics as an air force pilot during World War II and his triumphant return to Hollywood Though he was adored in black and white Stewart s mature work shows his range as an actor his ability to play far more than just the good natured leading man By the time he retired from acting Stewart had films credits that were unparalleled and a place in the American heart that was unrivaled Illustrated with 150 photographs taken on and off the set this handsome tribute gives us the private man as well as the screen legend and guides us through the whole wonderful life of Jimmy Stewart

Jimmy Stewart Marc Eliot, 2006-10-10 Jimmy Stewart s all American good looks boyish charm and deceptively easygoing style of acting made him one of Hollywood s greatest and most enduring stars Despite the indelible image he projected of innocence and quiet self assurance Stewart s life was more complex and sophisticated than most of the characters he played With fresh insight and unprecedented access bestselling biographer Marc Eliot finally tells the previously untold story of one of our greatest screen and real life heroes Born into a family of high military honor and economic success dominated by a powerful father Stewart developed an interest in theater while attending Princeton University Upon graduation he roomed with the then unknown Henry Fonda and the two began a friendship that lasted a lifetime While he harbored a secret unrequited love for Margaret Sullivan Stewart was paired with many of Hollywood s most famous most beautiful and most alluring leading ladies during his extended bachelorhood among them Ginger Rogers Olivia de Havilland Loretta Young and the notorious Marlene Dietrich After becoming a star playing a hero in Frank Capra s Mr Smith Goes to Washington in 1939 and winning an Academy Award the following year for his performance in George Cukor s The Philadelphia Story Stewart was drafted into the Armed Forces and became a hero in real life When he returned to Hollywood he discovered that not only the town had changed but so had he Stewart s combat experiences left him emotionally scarred and his deepening darkness perfectly positioned him for the 50s in which he made his greatest films for Anthony Mann Winchester 73 and Bend of the River and most spectacularly Alfred Hitchcock in his triple meditation on marriage Rear Window The Man Who Knew Too Much and Vertigo which many film critics regard as the best American

movie ever made While Stewart's career thrived so did his personal life A marriage in his forties the adoption of his wife's two sons from a previous marriage and the birth of his twin daughters laid the foundation for a happy life until an unexpected tragedy had a shocking effect on his final years Intimate and richly detailed Jimmy Stewart is a fascinating portrait of a multifaceted and much admired actor as well as an extraordinary slice of Hollywood history Probably the best actor who's ever hit the screen Frank Capra He taught me that it was possible to remain who you are and not be tainted by your environment He was not an actor he was the real thing Kim Novak He was uniquely talented and a good friend Frank Sinatra He was a shy modest man who belonged to cinema nobility Jack Valenti There is nobody like him today June Allyson He was one of the nicest most unassuming persons I have known in my life His career speaks for itself Johnny Carson *Jimmy Stewart* Michael Munn,2013-03-01 Many of the stars of the silver screen in twentieth century Hollywood became national icons larger than life figures held up as paragons of American virtues Unfortunately the private lives of actors such as John Wayne Henry Fonda and Errol Flynn rarely lived up to the idealistic roles they portrayed However James Stewart was known as the underdog fighter in many of his films and in real life He was highly decorated for his bravery during his time as a bomber pilot during World War II and was adored for his earnest and kindly persona Here many unknown sides of Stewart are revealed his explosive temper his complex love affairs his service as a secret agent for the FBI his innate shyness and his passionate patriotism Munn's personal touch shines through his writing as he was a friend of Stewart and his wife Gloria and interviewed them as well as their colleagues and friends This definitive biography reveals the childhood ups and downs that formed this cinema hero explores the legendary Fonda Stewart relationship and recounts Stewart's experiences making acclaimed films that include *The Philadelphia Story* *Rear Window* *Anatomy of a Murder* *It's a Wonderful Life* and *Mr Smith Goes to Washington* Jimmy Stewart Goes to Hollywood Mahonri Stewart,2019-09-21 Never in a thousand years would Jimmy Stewart have considered being an actor that is until he met the lovely actress Margaret Sullavan She inspired a new direction for his wonderful life As the subject of one of the great unfulfilled love stories in Hollywood history Jimmy Stewart and Margaret Sullavan had a complicated but beautiful relationship Jimmy owed much of his career to the feisty yet secretly tender Margaret She not only believed in Jimmy's talent but also in the goodness of his soul Jimmy would need her faith in him as he faced an uphill battle against naysayers manipulators and a corrupt studio system that felt like it had little room for a starry eyed stuttering yokel from Pennsylvania I found myself engaged from beginning to end thanks to Mahonri Stewart's well crafted script Stewart's natural and conversational writing style accentuated many of these great moments in Jimmy Stewart's life It was very evident that Stewart had done a lot of research in order to create such a detailed story Johnny Hebdaw UTBAWe can't stress enough how much you are really missing out if you don't come see this touching insightful entertaining play about one of movie's true icons Chelsea Benjamin and Robert Craig Front Row Reviewers James Stewart Lawrence J. Quirk,1999-10-28 Applause Books This startling intimate biography of James Stewart frankly reveals

with new facts and discovers a fully dimensional view of this revered figure and consummate American icon Shrewd self protective financially astute the James Stewart that Mr Quirk uncovers was no bumbling naive Mr Smith but a Man of the World Jimmy Stewart Frank Sanello,1997-07-25 *Jimmy Stewart* Ellen Von Karajan,1999 Jimmy Stewart was a master of illusion So skilled was he at capturing the emotions of his screen characters that his audiences invariably felt close to him as if they knew Jimmy Stewart personally With a career that spanned six decades he made more than eighty movies and played many diverse roles covering almost every movie genre He was also a member of the United States Air Force during World War II and remained active in the Reserves until 1968 receiving numerous awards for his valor and devotion along the way This book chronicles the life and career of one of Hollywood s most loved and admired stars Rediscover Jimmy in his many and varied roles on the big screen Learn about his personal life from his childhood in Indiana Pennsylvania to his college days at Princeton University to his later years as a devoted husband and father Read about his enduring friendships with Hollywood stars Henry Fonda and Frank Capra **Jimmy Stewart and His Poems** James Stewart,Jimmy Stewart,1995-09-01 I m sure I never said to myself Now Jim why don t you sit down and write a poem It s still a mystery to me but I think probably it s something that happened by accident like a lot of things have happened in my life So begins this delightful collection of poetry by America s best loved actor Jimmy Stewart Interspersed with vivid recollections and charming illustrations the poems document a life that isn t too different from yours or mine Jimmy Stewart won the hearts of generations of movie viewers with a confused innocence and stammering delivery that made his acting seem genuine and effortless Somehow he managed to make the boy next door into a national hero Now in *Jimmy Stewart and His Poems* the consummate Everyman shares tales from his everyday life From fishing trips and dog stories to a hilarious account of a photo safari where the camera was lost to a hungry hyena the poems are related in Jimmy Stewart s inimitable voice and are enlivened with charming illustrations The book confirms what we all expected that the real Jimmy Stewart is every bit as endearing as the film characters he s portrayed *Jimmy Stewart and His Poems* is a perfect gift one that fans will treasure as much as Jimmy Stewart s timeless performances **American Legends** Charles River Charles River Editors,2017-01-25 Includes pictures Includes a bibliography for further reading Includes a table of contents A feller came up to me the other day and said I don t know whether this means anything to you but you ve given me and my family a lot of enjoyment over the years And I said to him Does it mean anything to me It means everything to me That s the ballgame That s it And I think that if I have done that to that man and maybe a couple more then I m proud of that Jimmy Stewart A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known When the American Film Institute assembled its top 100 actors of all time at the close of the 20th century Jimmy Stewart ranked third behind only

Humphrey Bogart and Cary Grant There is a certain inevitability to these three actors ranking at the top of the list after all they were the dominant faces of Hollywood during the height of the era known as classical Hollywood cinema a time before the onset of television when the movies still enjoyed relatively uncontested supremacy over American entertainment The popularity of Stewart Grant and Bogart also extends well beyond the success of any of their individual films reflecting their much broader cultural significance as monuments of Hollywood during its Golden Age In fact if the list was reconstructed today it is entirely possible that Stewart would rank first Not only have movies such as *It's a Wonderful Life* 1946 and *Vertigo* 1958 continued to gain in popularity even into the 21st century but Stewart has come to embody an accessible image of American values that is easy for everyone to embrace The wholesome happy go lucky persona he cultivated represents perhaps a more palatable image of American masculinity than the gritty realism of Bogart or the erudite but occasionally snobbish tendencies of Cary Grant If there is any actor that embodies not only classical Hollywood but also American culture more generally it's difficult to argue against Jimmy Stewart The phenomenon of Jimmy Stewart becomes even more remarkable when considering the incredible harmony between the characters he portrayed in his films and his personality off the movie set Most actors and actresses cultivate a persona in order to achieve success and in most cases it's an image that bears only a tangential relationship to an actor's true personality but there was no such division for Stewart The all American image conveyed in films such as *Mr Smith Goes to Washington* 1939 and *It's a Wonderful Life* corresponds seamlessly with Stewart's off screen pursuits which included a degree in architecture from Princeton and an extended tenure as a pilot during World War II There were elements of his life story that resisted cultural norms he waited until age 41 before marrying and his very decision to pursue acting in 1930s America could be seen as a deviation from more characteristically masculine professions but there was an almost seamless congruence between the Stewart that audiences saw on screen and the man he was in real life Naturally his defining traits developed out of and in response to the values instilled in him by his family and cultural background and for this reason examining his filmography alongside his life story paints a complete picture of the delicate unity of Jimmy Stewart's life

**American Legends** The Life of Jimmy Stewart examines the life and career of one of Hollywood's most iconic actors Along with pictures of important people places and events you will learn about Jimmy Stewart like never before in no time at all

*Mission* Robert Matzen,2020-03-03 In March 1941 Jimmy Stewart America's boy next door and recent Academy Award winner left fame and fortune behind and joined the United States Army Air Corps to fulfill his family mission and serve his

country He rose from private to colonel and participated in 20 often brutal World War II combat missions over Germany and France In mere months the war took away his boyish looks as he faced near death experiences and the loss of men under his command The war finally won he returned home with millions of other veterans to face an uncertain future suffering what we now know as PTSD Younger stars like Gregory Peck were now getting roles that might have been Stewart s and he didn t know if he would ever work in Hollywood again Then came *It s a Wonderful Life* For the next half century Stewart refused to discuss his combat experiences and took the story of his service to the grave *Mission* presents the first in depth look at Stewart s life as a Squadron Commander in the skies over Germany and his return to Hollywood the changed man who embarked on production of America s most beloved holiday classic Author Robert Matzen sifted through thousands of Air Force combat reports and the Stewart personnel files interviewed surviving aviators who flew with Stewart visited the James Stewart Papers at Brigham Young University flew in the cockpits of the B 17 Flying Fortress and B 24 Liberator and walked the earth of air bases in England used by Stewart in his combat missions of 1943 45 What emerges in *Mission* is the story of a Jimmy Stewart you never knew until now a story more fantastic than any he brought to the screen **James Stewart**
