Judgment on Delchev Eric Ambler, 2011-10-19 Foster's dramatic skill is well known in London's West End theaters. So perhaps it wasn't so surprising when he was hired by an American newspaper publisher to cover the trial of Yordan Delchev for treason. Accused of membership in the sinister Officer Corps Brotherhood and of masterminding a plot to assassinate his country's leader, Delchev may in fact be a pawn and his trial all show. But when Foster meets Madame Delchev, the accused's powerful wife, he suddenly becomes enmeshed in more life-threatening intrigue than he could have imagined. The Levanter

Eric Ambler, 2009-06-15 Michael Howell lives the good life in Syria just three years after the six-day war. He has several highly profitable business interests and an Italian office manager who is also his mistress. However, the discovery that his factories are being used as a base by the Palestine Action Force changes everything; he is in extreme danger with nowhere to run. A Kind of Anger

Eric Ambler, 2012-12-11 Eric Ambler is at the top of his form with *A Kind of Anger*, which expertly combines a satire of paparazzi-driven media culture with a classic espionage tale filled with breathless suspense. Six weeks ago Lucia Bernardi fled the Swiss villa where her lover was murdered and then she vanished. No one can find her. Not the police who want her for murder, not the tabloids who want her for her story, nor the real killers who desperately want the papers she spirited away from the scene of the crime. Disgraced reporter Piet Maas stumbles upon Lucia in hiding in the south of France. There he must decide whether to publish her story, reviving his career but guaranteeing her death, or to join in her perilous extortion scheme and risk both their lives for the promise of profit. **Skytip**

Eric Ambler, 2010-08-23 Peter Ackland is ordered to rest by his doctor. He travels to Cornwall and is greeted by Henry Braddock, who has a revolver in his pocket. Ackland also comes across other characters who try their hand at blackmail and a stage that is all set for murder.

Eric Ambler's Novels Robert Lance Snyder, 2019-12-30 Eric Ambler's first six novels, released between 1936 and 1940, quickly established his reputation as a master craftsman of intrigue and espionage narratives. Far less often discussed are the twelve Cold War novels he published after an eleven-year hiatus as a screenwriter between 1951 and 1981. This study argues that his entire corpus manifests late modernism's impulse toward a broadly social, political, and cultural critique of the times. Ambler's fiction from the mid-1950s onward is also remarkable for its ludic turn as he assesses the self-deceptions of an increasingly bureaucratized and media-focused world blind to its own follies. In these later works can be seen elements of what has come to be known as postmodernism, though in his commitment to chronicling the juggernaut of modernity he remains a uniquely independent witness of what is now being called the long twentieth century. *Passage of Arms* Eric Ambler, 2004-07-13 In this classic thriller, two American tourists find more adventure than they bargained for when they get

involved with Chinese gun smugglers and Muslim revolutionaries learning first hand about the intrigue of the post colonial world Greg and Dorothy Nilsen had wanted to go on an adventurous trip see some of the more out of the way places But the cruise they were on was turning out to be a bore So when the gracious Mr Tan requests that Greg take a side trip to Singapore to resolve a bureaucratic detail involving a consignment of small arms Greg is surprisingly receptive All he has to do is sign some papers he s told and he ll be paid a handsome fee And everything does go smoothly until it comes to getting a check co signed by the rebel leader The Classic Eric Ambler Box Set Eric Ambler,2015 **The Siege at the Villa Lipp** Eric Ambler,2009-06-15 Professor Krom believes Paul Firman alias Oberholzer is one of those criminals who keep a low profile and are just too clever to get caught Firman rich and somewhat shady agrees to be interviewed in his villa on the French Riviera But events take an unexpected turn and perhaps there is even someone else artfully hiding in the deep background **The Light of Day** Eric Ambler,2004-12-07 The Light of Day was the basis for Jules Dassin s classic film Topkapi When Arthur Abdel Simpson first spots Harper in the Athens airport he recognizes him as a tourist unfamiliar with city and in need of a private driver In other words the perfect mark for Simpson s brand of entrepreneurship But Harper proves to be more the spider than the fly when he catches Simpson riffling his wallet for traveler s checks Soon Simpson finds himself blackmailed into driving a suspicious car across the Turkish border Then when he is caught again this time by the police he faces a choice cooperate with the Turks and spy on his erstwhile colleagues or end up in one of Turkey s notorious prisons The authorities suspect an attempted coup but Harper and his gang of international jewel thieves have planned something both less sinister and much much more audacious Intrigue Eric Ambler,1943 *The Ability to Kill* Eric Ambler,2023-10-03 The renowned thriller author turns his attention to true crime while also taking shots at spies Hollywood writers and other subjects in this collection of essays Known for timeless thrillers including Epitaph for a Spy and Journey into Fear Eric Ambler was a keen observer of rogues and rule breakers of all kinds In The Ability to Kill he delves into some of the most intriguing and disturbing criminal cases of the last few hundred years These include nineteenth century Edinburgh s Burke and Hare who supplied a medical school with ill gotten cadavers Victorian London s infamous Jack the Ripper the Frenchman Henri D sir Landru an early twentieth century serial killer and the Californian doctor Bernard Finch and his lover Carole Tregoff who conspired to murder his wife in 1961 Rounding out the collection are a few pieces on lighter topics such as spies and how to spot them and novelists in Hollywood Though his subjects are often grim Ambler s deft touch makes this examination of homicide and other matters a pure pleasure to read
