Ernest Hemingway Selected Letters 1917-1961 Ernest Hemingway,2003-06-03 While many people are familiar with the public image of Hemingway and the legendary accounts of his life few knew him as an intimate Now with this collection of letters the first to be published a new Hemingway emerges Ranging from 1917 to 1961 this generous selection of nearly 600 letters is in effect both a self portrait and an autobiography

To Have and Have Not Ernest Hemingway,2002-07-25 From one of the best writers in American literature a classic novel about smuggling intrigue and love *To Have and Have Not* is the dramatic story of Harry Morgan an honest man who is forced into running contraband between Cuba and Key West as a means of keeping his crumbling family financially afloat His adventures lead him into the world of the wealthy and dissipated yachtsmen who throng the region and involve him in a strange and unlikely love affair In this harshly realistic yet oddly tender and wise novel Hemingway perceptively delineates the personal struggles of both the haves and the have nots and creates one of the most subtle and moving portraits of a love affair in his oeuvre By turns funny and tragic lively and poetic remarkable in its emotional impact *To Have and Have Not* is literary high adventure at its finest
