Erotica Universalis:

Erotica Universalis Gilles Néret, 2001 *Erotica Universalis* Gilles Néret, 2013 Dall'alba dei tempi fin da Adamo ed Eva gli artisti di ogni epoca sia gli antichi egizi greci e romani sia nomi famosi di epoca più recente come Rembrandt Courbet Degas o Picasso si sono arresi alle loro fantasie ossessioni e libido realizzando opere erotiche che i censori si sono preoccupati di nascondere accuratamente agli occhi del pubblico Per *Erotica Universalis* emergiamo dai regni sotterranei dei musei per penetrare in quelli altrettanto torbidi delle biblioteche nazionali o private Qui scopriamo che non solo i nostri più famosi scrittori come Ovidio Aretino Voltaire Verlaine o Maupassant hanno scritto dei testi di natura erotica ai confini dell'indecente ma anche che grandi artisti come Boucher Fragonard Dalí o Matisse hanno creato delle illustrazioni adeguate per questi libri os Per questa nuova edizione cartonata abbiamo riunito i momenti salienti della nostra collezione di *Erotica Universalis* un banchetto per l'immaginazione e una festa per gli occhi *Erotica Universalis* Gilles Néret, 2000

Dr-Erotica 96, 1995 *Sex Pots* Paul Mathieu, 2003 Over the past twenty years debates about pornography have raged within feminism and beyond Throughout the 1970s feminists increasingly addressed the problem of men's sexual violence against women and many women reduced the politics of men's power to questions about sexuality By the 1980s these questions had become more and more focused on the issue of pornography now a metaphor for the menace of male power Collapsing feminist politics into sexuality and sexuality into pornography has not only caused some of the deepest splits between feminists but made it harder to think clearly about either sexuality or pornography indeed about feminist politics more generally This provocative collection by well known feminists surveys these arguments and in particular asks why recent feminist debates about sexuality keep reducing to questions of pornography **Diary of a Naked Official** Ouyang Yu, 2014-05-01 Anonymous the keeper of the diary deputy director of a publishing company in a nameless city in China is a happily married man with a daughter until he succumbs fully to his sexual desires forever searching for new erotic experiences and secret liaisons Anonymous is able to hoard a fortune by embezzlement or corruption with which he buys permanent resident status for his wife and daughter in the West He stays behind in China a situation commonly referred to as a naked official in contemporary Chinese terminology one who has nothing to fear when exposed because his family is safely installed overseas with all his money Sexuality in the Middle Ages and Early Modern Times Albrecht Classen, 2008-12-10 Sexuality is one of the most influential factors in human life The responses to and reflections upon the manifestations of sexuality provide fascinating insights into fundamental aspects of medieval and early modern culture This interdisciplinary volume with articles written by social historians literary historians musicologists art historians and historians of religion and mental history demonstrates how fruitful collaborative efforts can be in the exploration of essential features of human society Practically every aspect of culture both in the Middle Ages and the early modern age was influenced and determined by sexuality which hardly ever surfaces simply characterized by prurient interests The treatment

of sexuality in literature chronicles music art legal documents and in scientific texts illuminates central concerns anxieties tensions needs fears and problems in human society throughout times **The Medieval Chastity Belt A.**

Classen,2007-03-19 The chastity belt is one of those objects people have commonly identified with the dark Middle Ages This book analyzes the origin of this myth and demonstrates how a convenient misconception or contorted imagination of an allegedly historical practice has led to profoundly flawed interpretations of control mechanisms used by jealous husbands

Transgressive Sex Hastings Donnan,Fiona Magowan,2012-03 Sex is often regarded as a dangerous business that must be rigorously controlled regulated and subjected to rules Sexual acts that defy acceptable practices may be seen as variously defiling immoral and even unnatural They may challenge and subvert both cultural preconceptions and the social order in a politics of sexual transgression that threatens to transform permissible boundaries and restructure bodily engagements This collection of essays explores acts of sexual transgression that have the power to reconfigure perceptions of bodily intimacy and the social norms of interaction Considering issues such as domestic violence child prostitution health and sex teenage sex and sex with animals across a range of settings from contemporary Oceania the Pacific South Africa and southeast Asia to Euro America this book should interest all those who question the naturalness of sex including public health workers clinical practitioners and students of sex sexuality and gender in the humanities and social sciences **Eroticism and**

Mollie LeVeque, 2019-04-18 Storyville was the infamous red light district of New Orleans It was a world where normative social values didn't apply and was shrouded in mystery and myth until the photographs of E J Bellocq were rediscovered Bellocq's depictions of Storyville's sex workers have typically been treated as tragic ominous and emblematic of New Orleans singularity Yet such interpretations have projected gendered stereotypes of frailty and victimhood onto the women they portrayed In Images of Sex Work Mollie LeVeque interrogates these glib readings and argues that sex work was a routine aspect of life in a modern city She supports this theory by examining a range of cultural forms such as crime fiction illustrations and paintings from contemporary urban centres like Paris London and New York In doing so she advances the new argument that Bellocq humanised his subjects de-sensationalised sex work and gave these women the dignity they were all too often denied
