Keep Love shows us how anyone can build strong foundations for long lasting love Paul is a true relationship expert KEEP LOVE brilliantly demystifies the secrets to fostering long lasting connections in this insightful and practical guide It s essential reading for everyone DR TARA SWART      **A History of the Heart** Ole Martin Høystad,2009-05-01 My heart is a lonely hunter that hunts on a lonely hill The heart has reason that reason cannot know The more I get to know President Putin the more I get to see his heart and soul The heart not only drives our physical life but throughout human history it has also been viewed at the seat of our deepest emotions It has figured hugely if metaphorically in nearly every aspect of human civilization and as the unending subject of literature music and art Yet until now there has not been a study of this paramount icon of love Ole H ystad ably fills this enormous gap with a fascinating investigation into this locus of grief joy and power Firmly positioning the heart at the metaphorical and literal center of human culture and history H ystad weaves history myth and science together into a compelling narrative He combs through religions and philosophies from the beginning of civilization to explore such disparate historical points as the Aztec ritual of removing the still beating heart from a living sacrificial victim and offering it to the gods homosexuality and the heart in Greek antiquity European attempts to employ alchemy in service of the mysteries of love and the connections between the heart and wisdom in Sufism H ystad charts how the heart has signified our essential desires whether for love and passion in the medieval excesses of troubadour poetry and chivalric idealism the body soul dualism propounded by the Enlightenment or even the modern notions of individualism expressed in the works of such thinkers as Nietzsche Foucault and Joseph Campbell A provocative examination of the deepest vaults of our souls and the efforts of the many lonely hunters who have tried to unlock its secrets A History of Heart upends the clich s to reveal a symbol of our fundamental humanity whose beats can be felt in every aspect of our lives A History of the Heart is about far more than the changing representation of the most charismatic organ The ease with which the central storyline opens into a wide ranging intellectual history of Western culture is the book s chief delight and major achievement A beautifully presented volume Times Higher Education Supplement      **Survival** United States. Department of the Air Force,1969      *Report of Proceedings* National Bee-keepers' Association,1907      **Luther League Review** ,1910

**Love Teaching, Keep Teaching** Peter Radford,2020-11-27 A practical guide to staying well in a high pressure profession In the midst of a recruitment crisis and a massive exodus of teachers from our schools now is the time for some joined up thinking about teacher well being and mental health Filled with insightful advice and practical strategies Peter Radford s Love Teaching Keep Teaching invites educators to think differently about the way education is done and shows them how they can keep doing the job they love without sacrificing their health and well being Furthermore he paints a picture of a truly healthy school as being one in which the value of each staff member and student is fundamental to everything they do and shapes the way they do it Peter also offers a fresh perspective on school leadership encouraging leaders to rethink common practices and to explore the rewards and benefits of employing a people focused approach both in

the staffroom and across the school Suitable for teachers and school leaders in both primary and secondary settings Good Housekeeping Magazine ,1914 Getting Connected, Staying Connected John DeFrain,2012-06-22 Couples and families have it in their power to be happy with each other and create a pleasant and peaceful home environment in which they live together Our aim in writing about getting connected and staying connected is to accentuate the positive to show clearly and simply how happy couple and family relationships are created and maintained over time We will be continuously demonstrating what works well in creating strong enduring relationships The focus will be on six key couple and family strengths 1 appreciation and affection for each other 2 commitment to the family 3 positive communication 4 enjoyable time together 5 a sense of spiritual well being and shared values and 6 the ability to manage stress and crisis effectively

**Healthy Habits: Keep Slim and Stay Trim** Mahe Dee,101-01-01 One of the greatest challenges people face when trying to lose weight or improve their health is staying motivated It s easy to get excited about a new diet or exercise plan only to lose steam after a few weeks This book recognizes that motivation is not always easy to maintain especially when life gets in the way That s why it emphasizes the importance of setting realistic goals celebrating small victories and building a support system to help you stay on track You ll learn how to stay motivated by focusing on progress rather than perfection and by finding joy in the journey rather than just the destination The tips and strategies in this book are grounded in science but presented in a way that is easy to understand and apply You won t find any complicated jargon or unrealistic advice here Instead this book offers practical guidance based on research backed principles of nutrition fitness and wellness You ll learn about the benefits of a balanced diet the importance of regular physical activity and how small changes to your daily routine can have a big impact on your health
