will is for him herself The Calling from God will serve as a guide to those seeking answers about their possible destiny The book takes the approach that many are called only a few answers because of uncertainty The book will help one decide what to do based on their life changing experiences with the power of the Lord Jesus Christ The ones called must make sure of their calling for there is much to do for the harvest is great This book shows in detail some of the preparation needed as one grows in service to the calling from God All Christians are called by God the Father to be witnesses of His resurrection power by grace through faith in the Lord Jesus Christ For sure a call in in any form lays a heavenly claim upon the one called This book helps one understand the calling from God and will help one to reach a sound decision based on their life and experiences in comparison to selected Biblical callings The Calling from God will serve a reference manual and a valuable source of information for anyone thinking about answering or has answered the call from God The decision to serve is very personal as you will learn from the book The Calling from God and the many Biblical If you are struggling with the decision to serve or not to serve this book is for you Many are called only few are chosen You will know after reading The Call from God if you one of the few chosen to serve and trust Gods wisdom in leading you to point others to the Uplifted Christ Will you answer the call from God The alternative is to wrestle with the Spirit as conviction works slowly and agonizingly in the soul This book is a must read
