Abraham, 2019-04-25 Beginning as a renewal movement within Anglicanism in the eighteenth century Methodism had become the largest Protestant denomination in the USA in the nineteenth century and is today one of the most vibrant forms of Christianity Representing a complex spiritual and evangelistic experiment that involves a passionate commitment to worldwide mission it covers a global network of Christian denominations In this Very Short Introduction William J Abraham trace Methodism from its origins in the work of John Wesley and the hymns of his brother Charles Wesley in the eighteenth century right up to the present Considering the identity nature and history of Methodism Abraham provides a fresh account of the place of Methodism in the life and thought of the Christian Church Describing the message of Methodism and who the Methodists are he also considers the practices of Methodism and discusses the global impact of Methodism and its decline in the homelands Finally Abraham looks forward and considers the future prospects for Methodism ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable *Transforming Evangelism* Henry H. Knight III, F. Douglas Powe Jr., 2019-02-15 Because of the more aggressive and confrontational tactics we hear about evangelism has developed a bad connotation Doors are shut hurriedly phone calls end abruptly and e mails left unanswered After all isn t this a task better handled by the pastor Perhaps it s time to reexamine John Wesley s model of evangelism as a full natural circle where it s a communal beginning point rather than a solitary end The central motive of authentic evangelism is Having received a message that s made all the difference in our lives we desire to share that message with others in the hope that it will transform their lives as well Wesley models an evangelism that reaches out and welcomes invites and nurtures and speaks to both head and heart Evangelism is about relationship the authors write How we are in relationship to God who is able to transform us into new beings How we are in relationship to our neighbor whom we must love like ourselves As one reviewer says Knight and Powe have given us a relational book They describe the deep connection between John Wesley s thoughts Charles Wesley s hymns scholarly thinking about evangelism and biblical understandings of the gospel all in relation to the needs concerns and hopes of everyday people Learn on your own or as a congregational group from this practical study on living an evangelistic life that demonstrates the transforming power of loving God and neighbor [Guidelines for Leading Your Congregation 2013-2016](#) (Set of 26) General Board Of Discipleship, 2012 The Guidelines booklets one for each ministry area are tools that enable you

**Aiming at Maturity** Stephen W. Rankin, 2011-11-11 It seems that much of American Christianity has lost sight of the goal of growing to maturity in Christ This loss of vision has had serious consequences for the quality of our witness and ministry In Aiming at Maturity Steven W Rankin seeks to bring back into focus key qualities of spiritual maturity and summarizes important biblical passages to show the scriptural foundations that call for spiritual maturity Rankin also addresses certain tendencies in popular Christian culture to reduce doctrinal truths to sound bites with the laudable but counterproductive goal to make doctrine memorable therefore applicable Thinking more expansively about certain key doctrines related to the work of Christ and the impact of grace contributes to growth toward maturity in a way that popular descriptions of these doctrines do not Finally Rankin also challenges readers to consider the important role of emotions in developing Christlike dispositions which contribute toward producing the fruit of a mature Christian life By looking at relevant modern research Aiming at Maturity shows the inherent

connection between thoughts and feelings that draw us closer to the actual biblical description of the heart
