Eon Workbook:

Eon Workbook Paul Throne, 2002-03 There are many ways to reach the place of perfect knowledge and its attendant quality perfect peace The cultivation of detachment is always the beginning but once one has attained detachment there is a need for purification These lessons are intended to give you a sense of your capacity for detachment and to start you gently on the road to purification Eon Workbook is a series of 104 progressive spiritual exercises Using the tools of imagery affirmation prayer and ritual Eon guides the practitioner into the awakened life Eon is a channeled guide who has lived on Earth many times We have come during a terrible time in your human incarnations the Age of Fear We are attempting to help ease your humanity into the next era in its history the Age of Hope We wish you to understand your Holiness your Divinity and your inherent and unadulterated goodness and beauty as incarnations of the Holy Spirit You are not meant to become dependent on other or outside wisdom dear ones You are meant to know your heart and follow your heart **The Ultimate Aura** , *The Way of Freedom* , 1972 **The Divine Relationship** Paul Throne, 2003-10-06 We are a servant of the divine You also a servant of the divine We only know a little more of what it means to be that than the average person knows All you need is to want to know what it means to be what one is You have to have the desire to learn who one is through tools of spiritual progress All of these things lead one to automatic reward All truth is revealed only at the request of the hearer No one can ever reveal any truth no guide no god no anything without your desire The Divine Relationship is the culmination of years of spiritual teacher Eon s talks and writings on the subjects of God guidance spirituality and our human relationship to all of these Eon always brings the conversation back to the biggest picture of all our divinity within our humanity This book contains the heart and essence of Eon s spiritual teachings I Am Called Jesus Paul Throne, 2002 I am called Jesus This is the story of my life and teaching I lived with love and forgiveness so that you and all others would see that these things are not merely teachings but they are life itself Let my words be in your memories Remember that you are loved and that you are forgiven for the more you remember this the more you will act as a loved and forgiven being This is the way to peace in this world Discard your shame and your guilt for they have no place in the paradise of God Embrace your best nature for God is your friend and wishes to be near you Take heart and have hope that I am still among you and that my life still resonates within and protects this world of shortcomings Jesus path focuses on the spiritual heart of human relationships that all might give and receive of the divine blessings available from each one and in this way transform our experience on Earth into the heavenly reality his Father intended I Am Called Jesus he Story of My Life and Teaching was revealed in fifty daily meditations during the Lenten season of 2002 **Meditations for My Followers** Ennav& Institute, 2003-12 I extend to you my hand in friendship and love because I know that each of you is as I am a child of God I can forgive you when you cannot forgive yourselves and I can strengthen you when you cannot find the strength within yourselves What I ask of you is simple I ask that you express charity with every deed thought and word within this world Make each action a cause of relief

to others in their suffering or a cause of growth to them in their understanding of the way of love and peace I offer you the way of love and the way of peace and I extend my hand to you in the hope that you will join me in this way *Listen and Believe* Paul Throne,2002-06-06 My Dear Children take no notice of those who call for despair in these times There will always be people who do not hear my voice Do not think that this means that these times are easy for you But my name is Hope and I am here with you Have hope and faith and assist those who do not to know these things also The natural state for a human being is peace This world will test this ideal by placing before you many fearsome situations Try to remember in the midst of such situations that peace is within you and peace is who you truly are In *Listen and Believe* the Holy Mother offers a transcendent message of hope and peace as she notes the difficulties of our age and guides us surely through the troubles of worldly life I am here There is no need for doubt or fear I am not in need of your belief or your adoration I have no needs I am the provider It is what you need that concerns me Give me your fear and your despair and take from me hope and peace
