## **Epiphany A Theological Introduction To Catholicism:**

**Epiphany** Aidan Nichols, 2025-01-14 Now in its third edition Renowned theologian Aidan Nichols presents the Catholic faith as a unique source of illumination for the good the true and the beautiful To his mind that faith is destined to be and humbly offered as light for all peoples For it was as light that that the babe Jesus Christ was hailed by the aged prophet Symeon when he was presented in the Jerusalem Temple The Church has applied the term epiphany shining forth to his first pre verbal contact with the Gentiles as his mother held him out to the magi the representatives of the non Jewish nations Thus the title of this book The book is a theological Introduction because one could hardly encapsulate all the illuminating richness Catholic Christianity can offer Still Nichols skillfully weaves into his own work a truly catholic gathering of other great lights from the tradition This is a traditional theology and as Nichols writes a consciously non liberal theology but not I think an illiberal one for its subject is the generosity of God in his revealing Word and sanctifying Spirit It is not a neutral work since it aims to arouse a Christian maximalism and the boldness to seek in Catholicism s theological tradition inspiration for present and future This third edition corrects some errors and substantially revises certain presentations for greater acuity

**Epiphany** Aidan Nichols, 2016-08-24 Now in its second edition Renowned theologian Aidan Nichols presents the Catholic faith as a unique source of illumination for the good the true and the beautiful To his mind that faith is destined to be and humbly offered as light for all peoples For it was as light that that the babe Jesus Christ was hailed by the aged prophet Symeon when he was presented in the Jerusalem Temple The Church has applied the term epiphany shining forth to his first pre verbal contact with the Gentiles as his mother held him out to the magi the representatives of the non Jewish nations Thus the title of this book The book is a theological Introduction because one could hardly encapsulate all the illuminating richness Catholic Christianity can offer Still Nichols skillfully weaves into his own work a truly catholic gathering of other great lights from the tradition This is a traditional theology and as Nichols writes a consciously non liberal theology but not I think an illiberal one for its subject is the generosity of God in his revealing Word and sanctifying Spirit It is not a neutral work since it aims to arouse a Christian maximalism and the boldness to seek in Catholicism s theological tradition inspiration for present and future This second edition corrects some errors in the original

*Epiphany* Aidan Nichols, 2016-08-25 Now in its second edition Renowned theologian Aidan Nichols presents the Catholic faith as a unique source of illumination for the good the true and the beautiful To his mind that faith is destined to be and humbly offered as light for all peoples For it was as light that that the babe Jesus Christ was hailed by the aged prophet Symeon when he was presented in the Jerusalem Temple The Church has applied the term epiphany shining forth to his first pre verbal contact with the Gentiles as his mother held him out to the magi the representatives of the non Jewish nations Thus the title of this book The book is a theological Introduction because one could hardly encapsulate all the illuminating richness Catholic Christianity can offer Still Nichols skillfully weaves into his own work a truly catholic gathering of other great lights from the

tradition This is a traditional theology and as Nichols writes a consciously non liberal theology but not I think an illiberal one for its subject is the generosity of God in his revealing Word and sanctifying Spirit It is not a neutral work since it aims to arouse a Christian maximalism and the boldness to seek in Catholicism s theological tradition inspiration for present and future This second edition corrects some errors in the original

**Catholicism** Gerald O'Collins,Mario Farrugia,2015 The bestselling Catholicism has now been revised and updated for an eagerly anticipated second edition This lucid and accessible account explains how Roman Catholicism and its beliefs and practices came to be what they are Renowned scholars Gerald O Collins and Mario Farrugia move through history to sum up the present characteristics of Catholic Christianity and the major challenges it faces in the third millennium Clear and engaging the authors present matters in a fresh and original way They skilfully depict the Catholic heritage and show that Catholicism is a dynamic and living faith O Collins and Farrugia engage with contemporary moral issues and explore the challenges which Catholics and other Christians must face This is an authoritative lively and up to date introduction to Catholicism for the twenty first century

**Berkouwer and Catholicism** Eduardo Echeverria,2013-04-28 Gerrit Cornelis Berkouwer 1903 1996 was a great master of dogmatic and ecumenical theology He was a Reformed Protestant thinker with roots in Dutch neo Calvinism a holder of the Chair in Dogmatics 1945 1974 at the Free University Amsterdam a position previously held by his two illustrious neo Calvinist predecessors Abraham Kuyper 1837 1920 and Herman Bavinck 1854 1921 Echeverria provides a much needed in depth analysis and critique of his theology particularly his evolving relationship with Catholicism in light of Vatican II His contention is that Berkouwer s careful and nuanced examination of Catholic theology as well as possible responses to his critiques offers important clues for the contemporary ecumenical project

**Neo-Calvinism and Roman Catholicism** ,2023-06-05 In their theological and historical interactions neo Calvinism and Roman Catholicism have often met in moments of conflict and co operation The neo Calvinist statesman Abraham Kuyper polemicized against the Roman Catholic Church and its theology whilst building bridges between those traditions by forging novel political coalitions across ecclesiastical boundaries In theology Gerrit C Berkouwer a neo Calvinist critic of Roman Catholicism in the 1930s later attended the Second Vatican Council as an appreciative Protestant observer Telling their stories and others including new research on lesser known figures and neglected topics this book presents the first scholarly volume on those dynamics of polemics and partnership

*"In the Beginning . . ."* Eduardo J. Echeverria,2011-01-01 One of the most significant contributions of Pope John Paul II to the church and arguably to the culture was his development of a theology of the body This theology explores the rich meaning and vocation of human embodiment of the body person in light of the fundamental truths of creation fall into sin and redemption in Jesus Christ In this book Eduardo J Echeverria inquires into the biblical theological and philosophical foundations of the Pope s theology of the body In a wide ranging discussion of a Catholic theology of revelation biblical hermeneutics and a biblical perspective on the Christ centered dynamics of the moral life Echeverria clearly establishes the fundamental principles needed for a full

understanding of John Paul II's thought. He probes the philosophical foundations of the Pope's thought in the context of a Catholic theology of nature, sin and grace. The book concludes with an analysis of the normative implications of the Pope's theology for sexual ethics and provides a novel and provocative application of the theology of the body to the morality of homosexuality. Echeverría's study of John Paul II's theology of the body helps us to make sense of how the Pope's theology deepens our understanding of the Catholic teaching that the human body shares in the dignity of the image of God. Catechism of the Catholic Church no 364

**Chalice of God** Aidan Nichols, 2012 Over the course of a distinguished theological career Aidan Nichols has produced an array of masterful contributions to the fields of systematic theology, ecclesiology, theological aesthetics, ecumenism, liturgy and Scripture. Now in *Chalice of God* he attempts to synthesize a lifetime of research, teaching and scholarly reflection in a book that is both rigorously academic and intensely personal. This is Nichols' theological manifesto for the twenty-first century. Drawing together the insights of high scholasticism, the mid-twentieth-century ressourcement movement, a holistic reading of Scripture typical of the best patristic exegesis and the liturgical tradition and iconography of both East and West, he presents a sound architecture for contemporary Catholic theology. *Chalice of God* promises to enrich and challenge those who engage in the enterprise of theology for years to come.

**Catholic Education: Distinctive and Inclusive** J. Sullivan, 2013-03-09 How coherent is the claim that Catholic education is both distinctive and inclusive? This question so crucial both for the adequate articulation of a *raison d'être* for Catholic schools all over the world and also for the promotion of their healthy functioning has not hitherto been addressed critically. Here it receives penetrating analysis and constructive resolution in a comprehensive treatment that integrates theological, philosophical and educational perspectives. The argument draws on wide-ranging scholarship, offering new insights into the relevance for Catholic education of thinkers whose work has been relatively neglected. The advance in understanding of how distinctiveness relates to inclusiveness is underpinned by the author's lengthy experience of teaching and leadership in Catholic schools; it is further informed by his extended and continuing dialogue with Catholic educators at all levels and in many different countries.

*Beyond the Prosaic* Stratford Caldecott, 1998-01-01 The 1996 conference of the Centre for Faith Culture in Oxford and the associated Oxford Declaration on Liturgy included in this volume gave a voice to calls for the reform of the reform. This book forms a point of reference and a resource for those who are concerned about the need to recover a sense of the sacred in Catholic Liturgy.

*John Macquarrie, a Master of Theology* Owen F. Cummings, 2002 This book represents a sympathetic but critical awareness of the theological awareness of John Macquarrie, the premier Anglican theologian of our times.

**40 Questions About Roman Catholicism** Gregg R. Allison, 2021-09-28 Straightforward answers about Roman Catholicism for a Protestant audience. The Roman Catholic faith is one of the world's most widespread religious traditions, yet the unique aspects of Roman Catholicism elicit perennial questions from adherents and outsiders alike. Such questions tend to fall into three major categories: historical backgrounds, theological matters and personal relationships. Using Catholic Church

documents and the writings of Catholic scholars Baptist systematic theologian Gregg R Allison distills the teachings of Catholicism around forty common questions about Catholic foundations beliefs and practices The accessible question and answer format guides readers to the areas of interest including Where do Roman Catholic and Protestant beliefs differ What happens during a Roman Catholic Mass How does Roman Catholicism understand the biblical teaching about Mary Who are the saints and what is their role How can my Roman Catholic loved ones and I talk about the gospel 40 Questions About Roman Catholicism explores theology and practice doctrine and liturgy sacraments and Mariology contributions and scandals and many other things clarifying both real and perceived differences and similarities with other Christian traditions **The**

**Word of the Lord** Steven Smith,2012-08-23 The joy born of the Word can now expand to all those who by faith let themselves be changed by God s word Pope Benedict XVI Verbum Domini For many Catholics Scripture remains an elusive part of their Faith or worse yet a weapon used against them when encountering challenges from other denominations If you think you have to be a Bible scholar to understand the Scriptures think again The Word of the Lord was written by one of the foremost Catholic Bible scholars and tested in several graduate level seminary Scripture courses Yet everyone will appreciate the book s clear straightforward approach perfect for the average Catholic From crucial topics to more common questions you will find explanations answers and interpretation that will launch you into the exciting adventure that awaits you in Scripture Wherever you are on your faith journey The Word of the Lord will guide you forward to seek the face of Christ in Scripture It is no longer because of your words that we believe for we have heard for ourselves and we know that this is indeed the Savior of the world John 4 42 *One Body in Christ* Owen F. Cummings,2015-01-14 Many feel that work for

Christian unity or ecumenism is not especially urgent or important in the complexities of our contemporary world So many different issues demand the attention of committed Christians for example responding to global crises in which people are suffering developing strong moral stands on a variety of moral problems and challenges etc Such issues must remain of major importance to Christians However Christians form the one Body of Christ If that Body continues to remain divided and fragmented lacking in unity concord and harmony then Christian witness will be singularly diminished This book attempts to demonstrate the importance of Christian unity ecumenism by looking at important contributions of individual theologians and important texts events mainly of the twentieth century The use of this book may help theologians and pastors urge forward the practice of ecumenism so that in God s time divided Christians may all be one **The Poet as Believer** Aidan

Nichols,O.P.,2016-02-24 This is the first comprehensive study of the theological significance of Paul Claudel a poet frequently cited by literary minded theologians in Europe and theologically minded poets such as von Balthasar de Lubac and Eliot His writing combines cosmology and history Bible and metaphysics liturgy and the drama of human personality His work which continues to arouse discussion in France was acclaimed in his lifetime as the summa poetica of a new Dante Aidan Nichols study demonstrates how Claudel s oeuvre which is not only poetry but theatre and prose including biblical commentaries

constitutes a rich resource for constructive doctrine liturgical preaching and theological reflection As the comparable example of Geoffrey Hill Professor of Poetry at Oxford suggests Aidan Nichols illuminates how Claudel s synthesis of many dimensions remains an important way of practising poetry in the Christian tradition today Amazing Grace! Owen F. Cummings,2023-02-21 Grace is a key reality for all Christians of any denomination More than that it is a central experience The history of grace is fascinating in and of itself This little book offers a series of windows through which to see and understand how Christians in the past and in the present have thought about grace **Angels** Cummings, Owen F.,2023 This book presents a solid Catholic teaching about angels through Scripture and tradition It includes the ideas of modern theologians such as Bernard Cooke and Karl Rahner Christendom Awake Aidan Nichols,1999-01-01 Aidan Nichols shows how recovering the Church s traditional mission will re energise its witness in such areas as philosophy ethics aesthetics the family economics gender relations and politics Providing insight into the forces of mainstream culture this volume will enlighten and embolden all those concerned for the renewal of Christendom in today s world **Lost in Wonder** Aidan Nichols O. P.,2016-04-22 This book explores the Liturgy as the manifestation by cultic signs of Christian revelation the setting of the Liturgy in terms of architectural space iconography and music and the poetic response which the revelation the Liturgy carries can produce The conclusion offers a synthetic statement of the unity of religion cosmology and art Aidan Nichols makes the case for Christianity s capacity to inspire high culture both in principle and through well chosen historical examples which draw on the best in Catholicism Eastern Orthodoxy and Anglicanism **Dialogue of Love** Eduardo J. Echeverria,2010-01-01 The Dialogue of Love is written from the perspective of an evangelical Catholic Ecumenist Raised Catholic but having responded to the Gospel at L Abri Fellowship in 1970 Eduardo J Echeverria s journey took the paths of Reformed and then Anglo Catholic Christianity on his way back to full communion with the Catholic Church in 1992 Engaging in ecumenical conversation as a committed Roman Catholic whose views have been shaped by among others Romano Guardini John Paul II and Joseph Ratzinger Benedict XVI the author discusses in an articulate bracing and constructive manner the positions of representative thinkers in the Dutch neo Calvinist tradition of Reformed Christianity Herman Bavinck G C Berkouwer and Herman Dooyeweerd Fundamental issues of ecclesiology meaning and truth sacramental theology the relation between the Church and the world nature and grace and issues on the relation of faith and reason are examined with the aim of achieving clarification and understanding Readers will experience ecumenical Dialogue not simply as an exchange of ideas but also as an exchange of gifts indeed a dialogue of love John Paul II
