Personnel Literature United States. Office of Personnel Management. Library, 1979 The Family in America Robert McC. Adams, 2017-07-12 The Family in America offers a fresh interpretation of American social history emphasizing the vital role of the family and household autonomy and threats to both imposed by industrial organization and the state Allan Carlson shows that the United States rather than being born modern as a progressive consumerist society was in fact founded as an agrarian society composed of independent households rooted in land lineage and hierarchy Carlson argues that family survival continues to be of paramount importance today He critically examines five distinct strategies to restore a foundation for family life in industrial society drawing on the insights of Frederic LePlay Carle Zimmerman and G K Chesterton Carlson shows that family survival depends on the creation of meaningful pre modern household economies This new edition includes an introduction by Allan Carlson detailing the continued press of the industrial process onto the American family structure since initial publication of the book in 1993

Labor Literature United States. Department of Labor. Library, 1977-05

Personnel Management in Other Countries United States. Office of Personnel Management. Library, 1980 Equal Pay for Work of Equal Value Janet Longmore, 1980 **Labor Literature**, 1978 A Bibliography of British Industrial Relations 1971-1979 George Sayers Bain, J. D. Bennett, 1985-12-05 The bibliography contains references to literature on British industrial relations published in the years 1971 to 1979 inclusive It includes books periodical articles theses government publications pamphlets and any other relevant publications As well as general material on industrial relations the

bibliography includes material on employee attitudes and behaviour employee organisation employers and their organisation collective bargaining industrial conflict industrial democracy the labour market training employment unemployment labour mobility pay conditions and the role of the state in industrial relations It is cross referenced and has an author index It is a supplement to the volume compiled by George Bain and Gillian Woolven published by the Press in 1979 and for the years since 1980 is itself updated by annual articles in the British Journal of Industrial Relations The material is arranged by subject and chronologically within that framework Personnel Bibliography Series United States Civil Service Commission. Library,1960 Governing Social Protection in the Long Term Gaby Ramia,2020-06-30 This open access book examines the comparative evolution of social protection in Australia and New Zealand from 1890 to the present day focusing on the relationship between employment relations and social policy Utilising longstanding and more recent developments in historical institutionalist methodology Ramia investigates the relationship between these two policy domains in the context of social protection theory He argues that treating employment relations as dynamic and as inextricably intertwined with changes in the welfare state over time allows for more accurate portrayal of similarity and difference in social protection The book will be of most interest to researchers advanced undergraduate and postgraduate students in social policy employment relations public policy social and political history and comparative politics Equal Opportunity in Employment United States. Office of Personnel Management. Library,1979 *Economics of Education* George Psacharopoulos,2014-05-17 Economics of Education Research and Studies reviews key topics in the field of economics of education since 1960s This book is organized into 12 parts Part I and Part II focus on the supply side of human capital and narrower aspects of human capital creation by means of education Subsequent parts look at the benefits of education relationship between education and employment controversies in the field of economics of education issues of manpower planning and methodology for empirically analyzing the issues in the economics of education The last two parts address the costs of education with emphasis on cost function analysis and on the financing of education **Personnel Bibliography Series** United States. Office of Personnel Management. Library,1979 **Comparable Worth, Pay Equity, and Public Policy** Rita Mae Kelly,Jane H. Bayes,1988-02-22 This collection of papers on comparable worth written by political scientists contains the best annotated bibliography on comparable worth that this reviewer has yet seen One notable paper categorizes the 50 states as to whether they have conducted a comparable worth legislation and have implemented comparable worth Other contributors explain how job evaluation can be performed to implement comparable worth describe the difficulties and possible bias in job evaluation methods and present US case studies It has an outstanding bibliography and overview of many important issues Choice Legislation outlawing sexual discrimination and mandating policies of equal pay for equal work has clearly failed to produce the intended results Women workers continue to be paid substantially less than men and more and more families headed by women have sunk below the poverty level This volume of essays focuses on major issues that must be faced before

a public policy promoting pay equity can become a reality Combining the contributions of specialists from several disciplines it offers statistical comparisons and analyses of wage inequities in various occupations industries and regions case studies of comparable worth programs and a conceptual framework for approaching the problem on a policy level Theories of labour market segmentation Ray Loveridge,A.L. Mok,2012-12-06 The objectives of this book are to review and develop a framework of key analytical concepts in the field of labour market segmentation to develop and test these concepts against available data to indicate weaknesses in the data in the light of the analysis to offer a critique of manpower policies in some European countries in the light of the foregoing analysis and to indicate areas of further research The authors hope that this survey of the literature and the comments that accompany it will prove useful to policy makers and students alike The authors would like to acknowledge the role of the Directorate General for Social Affairs of the European Community Brussels in initiating and supporting the production of this volume of criticism and discussion We have especially appreciated the role of David White on whose advice we came to rely in directing our critique upon the application of segmental theory to matters of labour market policy Others whose help and advice we have relied on are John Morley also of the European Community Peta Small who typed the several drafts and our respective wives and families whose encouragement and discreet silences enabled us to get past the nth draft
