Equal Consideration A Theory Of Moral Justification:

Equal Consideration D. W. Haslett, 1987 This book presents a comprehensive method for justifying norms of morality and proposes a system by which people's conflicting moral intuitions can be adjudicated. It is based on giving each individual's interests equal consideration and as developed is applicable to norms of all social values.

Theories of Compliance with International Law Mark G. Burgstaller, 2004-11-26 This book examines some of the most prominent contemporary theories of compliance with international law. It is argued that these theories ultimately rely on some political philosophy and that therefore their strengths and weaknesses can be traced back to those of the respective philosophical background. The approach finally taken is based on some recent empirical and theoretical research undertaken and as such provides new insights to the major works of the authors that are at the core of the discussion. As such it aims to contribute fresh input to a contemporary discussion at the heart of the international system. The book combines theoretical arguments with insights gained from a practitioner's point of view. It is of interest particularly for scholars and practitioners of international law and international relations as well as legal and political philosophers.

Contemporary Political Philosophy Will Kymlicka, 2002 This new edition of Will Kymlicka's best-selling critical introduction to contemporary political theory has been fully revised to include many of the most significant developments in Anglo-American political philosophy in the last 11 years, particularly the new debates over issues of democratic citizenship and cultural pluralism. The book now includes two new chapters on citizenship theory and multiculturalism in addition to updated chapters on utilitarianism, liberal egalitarianism, libertarianism, socialism, communitarianism, and feminism. The many thinkers discussed include G. A. Cohen, Ronald Dworkin, William Galdston, Carol Gilligan, R. M. Hare, Chandran Kukathas, Catherine Mackinnon, David Miller, Philippe Van Parijs, Susan Okin, Robert Nozick, John Rawls, John Roemer, Michael Sandel, Charles Taylor, Michael Walzer, and Iris Young. Extended guides to further reading have been added at the end of each chapter, listing the most important books and articles on each school of thought as well as relevant journals and websites. Covering some of the most advanced contemporary thinking, Will Kymlicka writes in an engaging, accessible, and non-technical way to ensure the book is suitable for students approaching these difficult concepts for the first time. This second edition promises to build on the original edition's success as a key text in the teaching of modern political theory.

Ideal Code, Real World Brad Hooker, 2002 Begins by explaining and arguing for certain criteria for assessing normative moral theories. Then argues that these criteria lead to a rule consequentialist moral theory.

The Philosophical Review, 1991

Environmental Political Theory Steve Vanderheiden, 2020-10-02 Our politics is intimately linked to the environmental conditions and crises of our time. The challenges of sustainability and the discovery of ecological limits to growth are transforming how we understand the core concepts at the heart of political theory. In this essential new textbook, leading political theorist Steve Vanderheiden examines how the concept of sustainability challenges and is challenged by eight key social and political ideas ranging from freedom and equality to democracy and sovereignty. He

shows that environmental change will disrupt some of our most cherished ideals requiring new indicators of progress new forms of community and new conceptions of agency and responsibility He draws on canonical texts contemporary approaches to environmental political theory and vivid examples to illustrate how changes in our conceptualization of our social aspirations can inhibit or enable a transition to a just and sustainable society Vanderheiden masterfully balances crystal clear explanation of the essentials with cutting edge analysis to produce a book that will be core reading for students of environmental and green political theory everywhere

Moral Beliefs and Moral Theory M.G. Forrester, 2013-03-09 Some time ago I wrote a book *Moral Language* 1982 in which I argued that moral judgments are capable of being true truth apt to use a current phrase or descriptive and having truth value to use a more traditional term that the methods of discovering moral facts are fundamentally similar to those of discovering non moral facts and that moral judgments may be true What I did not do at that time was to develop a moral theory which would demonstrate how the method of discovering moral truths would work and what the criteria of truth actually are In a later work *Persons Animals and Fetuses* 1996 I did propose a moral theory as to what the criteria for moral truth are however I presented it primarily as an introduction to the discussion of several practical ethical issues and did not argue fully for that theory It is high time that I did so because without showing that such a theory can be developed my defense of moral realism is incomplete It is all very well to say that we can discover what moral beliefs are true but unless we can demonstrate just which beliefs are true the thesis that we can discover this truth cannot be fully defended For this reason the biggest although not the only challenge to showing that ethical objectivity is possible is the presence of moral disagreement and the contention of many that such disagreement cannot be definitively resolved

Liberalism, Community, and Culture Will Kymlicka, 1991 Examines the nature and value of community and culture from a liberal viewpoint and links the theories under discussion to more familiar liberal views on individual rights and state neutrality

Animal Rights: A Very Short Introduction David DeGrazia, 2002-02-21 By presenting models for understanding animals moral status and rights and examining their mental lives and welfare the author explores the implications for how we should treat animals in connection with our diet zoos and research

From Political Theory to Political Theology Péter Losonczy, Aakash Singh, 2010-03-18 During the last two decades we have witnessed what Jos Casanova has characterised as religion going public This has not been a trend exclusive to traditionally religious nations Rather it has been visible in as diverse environments as that of the construction of the new Russian political identity or in the post 9 11 political discourses of the USA Surprisingly important religious manifestations also influenced the political discourses in Britain and more recently in France Partly as a consequence of these phenomena an intensive debate is now evolving about the compatibility of the neutrality of liberal democracy in relation to religiously motivated opinions in public discourses and the conditions under which such religiously driven contributions could viably go public This book offers a collection of essays on Religion and Democracy which critically discusses the most important questions that characterize

these debates at the points of their intersection within political theory political theology and the philosophy of religion and considers both the challenges and the prospects of this new era which following Habermas one may call post secular A *Theory of Legal Personhood* Visa AJ Kurki,2019-08-13 Who or what is a person according to the law How did this understanding of personhood come about In the twenty first century environmentalism animal rights artificial intelligence and corporate personhood have compelled us to consider these questions once again Legal personhood is a foundational concept of Western legal thought and A Theory of Legal Personhood seeks to go beyond contemporary debates challenging our very understanding of legal personhood itself Drawing on extensive research scholarship legislation and court cases from around the globe this book offers readers with or without previous knowledge new insights into legal personhood It scrutinizes how personhood came to be understood synonymously with the holding of legal rights It then posits that a better understanding of legal personhood is as a cluster property Finally it applies this new theory to explain and structure the numerous debates surrounding legal personhood Social Equality Carina Fourie,Fabian Schuppert,Ivo Wallimann-Helmer,2015 Is equality valuable This question dominates many discussions of social justice which tend to center on whether certain forms of distributive equality are valuable such as the equal distribution of primary social goods But these discussions often neglect what is known as social or relational equality Social equality suggests that equality is foremost about relationships and interactions between people rather than being primarily about distribution A number of philosophers have written about the significance of social equality and it has also played an important role in real life egalitarian movements such as feminism and civil rights movements However as it has been relatively neglected in comparison to the debates about distributive equality it requires much more theoretical attention This volume brings together a collection of ten original essays which present new analyses of social and relational equality in philosophy and political theory The essays analyze the nature of social equality as well as its relationship to justice and politics Animal Rights Cass R. Sunstein,Martha C. Nussbaum,2004-04-01 Cass Sunstein and Martha Nussbaum bring together an all star cast of contributors to explore the legal and political issues that underlie the campaign for animal rights and the opposition to it Addressing ethical questions about ownership protection against unjustified suffering and the ability of animals to make their own choices free from human control the authors offer numerous different perspectives on animal rights and animal welfare They show that whatever one s ultimate conclusions the relationship between human beings and nonhuman animals is being fundamentally rethought This book offers a state of the art treatment of that rethinking *Animals and Society* Keith Tester,2014-08-21 Animals and Society uses a variety of historical sources and a coherent social theory to tell the story of the invention of animal rights It moves from incidents like the medieval execution of pigs to a discussion of the politics and strategies of modern rights organisations The book also presents radical interpretations of nineteenth century animal welfare laws and the accounts of the Noble Savage The insights generated by social science are always at the core of the discussion

and the author draws on the work of Michel Foucault Norbert Elias Claude Levi Strauss and Mary Douglas This wide ranging and accessible book provides a fascinating account of the relations between humans and animals It raises far reaching questions about the philosophy history and politics of animal rights

A Theory of Bioethics David DeGrazia, Joseph Millum, 2021-08-26 This volume offers a carefully argued compelling theory of bioethics while eliciting practical implications for a wide array of issues including medical assistance in dying the right to health care abortion animal research and the definition of death The authors dual value theory features mid level principles a distinctive model of moral status a subjective account of well being and a cosmopolitan view of global justice In addition to ethical theory the book investigates the nature of harm and autonomous action personal identity theory and the non identity problem associated with many procreative decisions Readers new to particular topics will benefit from helpful introductions specialists will appreciate in depth theoretical explorations and a novel take on various practical issues and all readers will benefit from the book's original synoptic vision of bioethics This title is also available as Open Access on Cambridge Core

Justice and Punishment Matt Matravers, 2000-08-03 This book aims to answer the question why and by what right do some people punish others The author argues that the justification of punishment must be embedded in a substantive political and moral theory Matravers questions why it is that recent theories of distributive justice have had so little to say about the punishment and retributive justice His answer is that contemporary theories of justice cannot explain the relationship of justice and morality more broadly conceived As this is also the relationship that a theory of punishment needs to explain it is in examining the problem of punishment that the limitations of contemporary theories of justice are most starkly exposed Moreover the limitations are such as to undermine these accounts of justice The claim is that it is through the discussion of punishment that the inadequacies of contemporary theories of justice is demonstrated and it is therefore through the discussion of punishment that those inadequacies can be rectified Matravers argues for a genuinely constructivist account of morality constructivist in that it rejects any idea of objective mind independent moral values and seeks instead to construct morality from non moral human concerns and human wills and genuinely constructivist in that in contrast to the faux constructivism of Rawls and cognate approaches it does not take as a premise the equal moral worth of persons He argues that a genuine constructivism will show the need for and justification of punishment as intrinsic to morality itself

The Theory and Practice of Autonomy Gerald Dworkin, 1988-08-26 This important new book develops a new concept of autonomy The notion of autonomy has emerged as central to contemporary moral and political philosophy particularly in the area of applied ethics professor Dworkin examines the nature and value of autonomy and uses the concept to analyse various practical moral issues such as proxy consent in the medical context paternalism and entrapment by law enforcement officials

Global Justice and Development J. Culp, 2014-08-08 Defending a procedural conception of global justice that calls for the establishment of reasonably democratic arrangements within and beyond the state this book argues for a justice based understanding of social

development and justifies why a democracy promoting international development practice is a requirement of global justice

Oxford Studies in Normative Ethics ,2025-06-05 Oxford Studies in Normative Ethics is an annual forum for new work in normative ethical theory Leading philosophers present original contributions to our understanding of a wide range of moral issues and positions from analysis of competing approaches to normative ethics including moral realism constructivism and expressivism to questions of how we should act and live well OSNE is an essential resource for scholars and students working in moral philosophy

Contemporary Debates in Moral Theory James Dreier,2009-02-04 Contemporary Debates in Moral Theory features pairs of newly commissioned essays by some of the leading theorists working in the field today Brings together fresh debates on the most controversial issues in moral theory Questions include Are moral requirements derived from reason How demanding is morality Are virtues the proper starting point for moral theorizing Lively debate format sharply defines the issues and paves the way for further discussion Will serve as an accessible introduction to the major topics in contemporary moral theory while also capturing the imagination of professional philosophers

Equal Consideration A Theory Of Moral Justification Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Equal Consideration A Theory Of Moral Justification free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Equal Consideration A Theory Of Moral Justification free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Equal Consideration A Theory Of Moral Justification free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source

before downloading Equal Consideration A Theory Of Moral Justification. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Equal Consideration A Theory Of Moral Justification any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Equal Consideration A Theory Of Moral Justification Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Equal Consideration A Theory Of Moral Justification is one of the best book in our library for free trial. We provide copy of Equal Consideration A Theory Of Moral Justification in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Equal Consideration A Theory Of Moral Justification. Where to download Equal Consideration A Theory Of Moral Justification online for free? Are you looking for Equal Consideration A Theory Of Moral Justification PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Equal Consideration A Theory Of Moral Justification. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Equal Consideration A Theory Of Moral Justification are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get

free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Equal Consideration A Theory Of Moral Justification. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Equal Consideration A Theory Of Moral Justification To get started finding Equal Consideration A Theory Of Moral Justification, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Equal Consideration A Theory Of Moral Justification So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Equal Consideration A Theory Of Moral Justification. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Equal Consideration A Theory Of Moral Justification, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Equal Consideration A Theory Of Moral Justification is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Equal Consideration A Theory Of Moral Justification is universally compatible with any devices to read.
