**Sheila Riddell, Jane Salisbury**

## **Equality Issues In Primary Schools:**

**Equality Issues in Primary Schools** John Boyd, 1989-05-28 The purpose of this book is to develop a critical and practical framework for primary teachers to use when planning and implementing school based equality policies The critical element includes rethinking the social dimensions of child centredness so that it provides a firm ideological basis for equality policy formation The innovation model developed here for school use with the accompanying case study material comprises the practical aspect

**Equality in the Primary School** Dave Hill, Leena Helavaara Robertson, 2011-11-24 Drawing on a wealth of knowledge from a diverse group of contributors this volume addresses the importance of going beyond equal opportunities The contributors provide a compelling argument for promoting equality in primary schools Issues covered include social class race gender sexual orientation disability and special educational needs with reference to all subjects taught at primary school level

**Equality Issues for the New Millennium** Sneh Shah, 2018-10-26 First published in 2000 this volume is taking stock of equality issues in higher education as we move into the new millennium It is clear that many positive developments in the 1970s and 1980s have been lost However the way forward is not just to reinstate these developments This book focuses on a number of challenges including bringing equality issues from the periphery to the centre of education seeking an overarching framework such as human rights to ensure that equality is interpreted in a more comprehensive and systematic way including every individual in the deliberations about equality and accepting that an acknowledgement of the needs of specific groups of students has to be paralleled with educating everyone about their responsibilities in relation to the causes and consequences of inequality Fifteen educationalists from a number of higher education institutions have analyzed their particular area of work in equality providing the clear message that in the new millennium equality must become truly embedded in real education

**Education, Equality and Human Rights** Mike Cole, 2011-11-18 Addressing issues that include the challenge of disability discrimination in schooling gender and equality race and racism sexuality and social justice and class analysis and knowledge formation Education Equality and Human Rights is an urgent and important contribution to the social justice literature as it intersects with current educational debates and struggles Professor Peter McLaren University of Auckland New Zealand Education Equality and Human Rights traces the history of diverse equality issues up to the present and enables readers to assess their continuing relevance in the future Written by experts in their particular field each of the five equality issues of gender race sexual orientation disability and social class are covered as areas in their own right as well as in relation to education This third edition has been fully revised to reflect major changes in law and policy and offers contemporary perspectives on world wide equality issues Key issues explored include human rights and equality gender gender and education racism racism and Education sexuality and identity sexuality and homophobia in schools the struggle for disability equality inclusive education social class social Class and education With a new foreword by leading educationist Peter McLaren this comprehensive accessible and thought provoking
