**The Gendered Politics of Crises and De-Democratization** Bianka Vida, 2023-02-28 When opposition to gender equality and LGBTQIA policies is growing both in Europe and around the world with increasing attacks on gender and sexuality norms and violations of women's and minority groups rights it is crucial to further improve the feminist scholarly understanding of opposition to gender equality in times of de democratization The Gendered Politics of Crises and De Democratization Opposition to Gender Equality seeks to broaden the current scope of literature on opposition to gender equality in democracy laws politics and policymaking procedures This book focuses on nine case studies of opposition to gender equality politics and policies at the United Nations multilateral level the European Union's supranational level national levels and local levels With its strong interdisciplinary and original focus on bringing together distinct scholarships as well as the variety of topics covered from employment through sexual and reproductive health rights to gender based violence this book is beneficial not only for gender studies students and scholars but also for feminist activists political and policy actors and anyone who is interested in achieving social justice

Liberal Equality Amy Gutmann, 1980-09-30 This book makes a significant contribution to the tradition of liberal political theory it explores the foundations and limits of the idea of equality within that theory and offers a sustained argument for a persuasive new view of liberalism Liberal thinking has always displayed a tension between the claims of liberty and those of equality Professor Gutmann examines the contributions of liberal theorists from Locke to Rawls on the subject of two kinds of equality equality of opportunity to participate and the equal distribution of economic goods Valuing both she shows that far from being alternatives the two ideals are compatible to a much greater degree than has previously been thought Liberal Equality restores egalitarianism to political theory in a way that will forcefully challenge its

critics to deeper reflection      **Aztlán** Rudolfo Anaya, Francisco A. Lomelí, Enrique R. Lamadrid, 2017-04 This expanded new edition of the classic 1989 collection of essays about Aztlán weighs its value      *Routledge Library Editions: Feminist Theory* Various, 2021-08-07 Routledge Library Editions Feminist Theory brings together as one set or individual volumes a series of previously out of print classics from a variety of academic imprints With titles ranging from *The Liberation of Women* to *Feminists and State Welfare* from *Married to the Job* to *Julia Kristeva* this set provides in one place a wealth of important reference sources from the diverse field of gender studies      **Instruction Manual For Women** Conrad Riker, 101-01-01 Had Enough of Her Lies Finally the Truth About Female Contradictions Are you exhausted by women who say one thing but do another Have you been gaslit when confronting a lie only to be called paranoid Do you feel trapped in a game where the rules change daily Reveal the biological wiring behind female dishonesty Decode the hidden patterns in women's inconsistent behavior Arm yourself against emotional manipulation tactics Uncover why feminism promotes lies that harm men Learn why equality myths destroy relationships Master strategies to spot deception instantly Reclaim masculine authority in a broken dating market Shatter the illusion of female innocence forever If you want to end the confusion and dominate the game then buy this book today      **Women as Producers and Consumers of Tourism in Developing Regions** Yorghos Apostolopoulos, Sevil F. Sönmez, Dallen J. Timothy, 2001-04-30 Tourism has become the world's largest industry according to the World Tourism Organization no surprise when one considers that it incorporates the world's oldest profession In some developing regions such as the Caribbean or the South Pacific tourism is the primary sector in which significant economic growth takes place In other regions including areas of Latin America Africa the Middle East and formerly communist eastern Europe tourism is just beginning to take off In all of these areas tourism's impact has been decidedly mixed Nowhere is this more visible than in the context of women's roles in tourism The contributors demonstrate the many ways in which gender determines the roles they play as both tourists and providers of tourism as product and service A valuable contribution to tourism studies women's studies and the literature of economic development The premises of this unique collection of research are that women's roles in tourism are gendered just as are their other roles in gendered societies that tourism affects women differently than it affects men and that women themselves are affected in different ways by tourism depending on such factors as race region and class leisured consumer vs working producer or guest vs host The contributors cover theoretical perspectives including those provided by feminists and economic development analysts women's roles in tourism in the mature industries of the Caribbean Southeast Asia and the South Pacific women's roles in the less developed tourist destinations of the Middle East Latin America Africa and eastern Europe and implications for the future of economic development policy and of gender relations in tourism      **Humane Entrepreneurship and Innovation** Antonio Botti, Roberto Parente, 2024-06-26 Humane Entrepreneurship and Innovation provides a framework for entrepreneurs students and researchers to develop sustainable innovations that benefit society as a whole This inclusive approach encourages entrepreneurs to consider the needs of all
