**EQUIP Program Book/EQUIP Implementation Guide** John C. Gibbs, Granville Bud Potter, 1980-06 *The Equip Program*, 1999 Research, Applications, and Interventions for Children and Adolescents Carmel Proctor, P. Alex Linley, 2013-05-13 This book presents recent positive psychological research applications and interventions being used among adolescents and children Currently there is a wave of change occurring whereby educators and others working with children and adolescents are beginning to recognize the benefits of looking at well being from a positive perspective specifically the integration of positive psychological theory into the school curriculum in order to improve student well being Moreover although the positive psychological field has grown tremendously since its inception there remains an imbalance in the publication of research findings applications and interventions among children and adolescents in comparison to adults This book fills the need for a reference to this valuable information and benefits a wide range of professionals including educators clinicians psychologists students and many other working with children and adolescents **Farm Implement**

**News Buyer's Guide** Farm Implement News Co., Chicago, 1926 A Comprehensive Cognitive Behavioral Program for Offenders Granville Bud Potter, John C. Gibbs, Molly Robbins, Peter E. Langdon, 2015-06-18 This book presents Responsible Adult Culture RAC a truly comprehensive program for helping offenders to think and act responsibly It provides the tools of the program with great clarity In addition to exploring the needs of all offenders the book addresses the special needs of both female and dual diagnosis offenders Responsible thinking means habitually seeing others and situations accurately rather than in self serving and egocentrically distorted ways Because self centered thinking is typically reinforced by negative group norms RAC starts with the cultivation of a constructive climate mutual help groups to motivate change Motivated group members then gain tools for responsible thinking through equipment cognitive behavioral meetings These tools pertain to social skills anger management and the correction of self centered thinking through social perspective taking cognitive restructuring Beyond documented reductions in distorted thinking and recidivism rates RAC s synergy or round the clock interpenetration of positive groups and tools promotes a safer and more humane institutional culture **Moral**

**Development and Reality** John C. Gibbs, 2014 Moral Development and Reality explores the nature of moral development human behavior and social interconnections The exploration elucidates the full range of moral development from superficial perception to a deeper understanding and feeling through social perspective taking By comparing contrasting and going beyond the key theories of preeminent thinkers Lawrence Kohlberg Martin Hoffman and Jonathan Haidt author John C Gibbs

tackles vital questions What exactly is morality and its development Can the key theoretical perspectives be integrated What accounts for prosocial behavior and how can we understand and treat antisocial behavior Does moral development including moments of moral inspiration reflect a deeper reality This third edition of *Moral Development and Reality* is thoroughly updated refined and expanded A major addition to this volume is the attention to the work of Jonathan Haidt a prominent theorist who studies the psychological bases of morality across cultures and political ideologies Gibbs is authoritative with respect to Kohlberg s Hoffman s and Haidt s theories thanks in good measure to his privileged position having worked or been acquainted with all three of these key figures for decades A new foreword by David Moshman introduces the third edition calling it the most important contribution to the study of moral development since the turn of the century *Moral Development and Reality* will have broad appeal across academic and applied disciplines especially education and the helping professions With its case studies and chapter questions it also serves as a text in advanced undergraduate and graduate courses in social developmental psychology and human development
