Cultivate Chelsea Patterson Sobolik, 2023-10-03 Grasping the dignity and significance of women and work Women are an integral part in God's call to work to create and advance God's kingdom But work looks different for each one of us Whether in the home with children or in a professional environment or some combination of all of these women are cultivating a world of beauty truth and hope But it's not easy We have doubts and dreams questions and concerns Chelsea Patterson Sobolik provides a robust theological foundation as she engages with our most pressing questions How do I glorify the Lord with my work How do I balance work and life Is it wrong for me to pursue my career ambitions What does it mean to be a Christian in the workplace How do I respectfully stand up for myself at work How do I discern my calling Work whether it's professional or in other avenues of society is an act of cultivation that involves developing something or someone to be better Even if you don't receive a paycheck you're still working Caring for children and homes volunteering in our communities leading a Bible study or caring for aging parents is God-given work Chelsea faithfully engages with our questions and provides practical rhythms that women can incorporate into their lives to flourish in their work **He Is Strong** Emily A. Jensen, 2023-10-10

We all feel weak sometimes He Is Strong encourages you to rest in God's help and strength for every one of your inadequacies Join Emily A. Jensen bestselling coauthor of *Risen Motherhood* on a devotional journey to find God's strength amid your weakness Whether you think of yourself as overwhelmed overlooked or just not very good at life or perhaps you avoid facing your own shortcomings Emily shares relatable stories about her own feelings of weakness and points you to the gospel for wisdom hope and comfort As the familiar hymn says They are weak but he is strong Let these Scripture-filled reflections remind you that Jesus loves you even in your weakness You can rely on the strength of God in any challenge you face *She Needs* Nay Dawson, 2024-03-21 Many of us look as though we're fine And that's just how we prefer it especially if members of a church full of people doing fine Few of us want to stick out or be seen as disruptive So we're reluctant to volunteer concerns or difficulties The problem is then that leaders easily assume that all is well Which suits them fine They

can carry on with their plans and strategies But how different this impression would be if they took time to find out what people honestly think Nay Dawson s book SHE NEEDS has done just this she has given women the space and safety to share their actual experiences of church life She never pushes a theological agenda nor does she claim to offer a programme for how to respond She merely wants us all to listen to what so many have felt This is not an easy book to read as a result But it is important As Mark Meynell Langham Partnership writes in his foreword I m sad this book had to be written But I am equally sure that it did Many people men as well as women will be very grateful to Nay for this helpful and challenging book
