Five Loaves And Two Fish:

Five Small Loaves and Two Small Fish Diane M. Stortz, 1996-07 Retells the story of Jesus feeding the five thousand

My Five Loaves and Two Fishes Peter Mazzi, 2016-12-29 My Five Loaves and two Fishes is a creative adaptation of the Bible story of the feeding of 5000 men by Jesus This story is told in the books of Matthew 14 14 21 Mark 6 32 44 Luke 9 11 17 and John 6 3 14 The emphasis on this account of the writer's imagination though without downplaying the amazing miraculous work of Jesus is the importance of giving It is aimed at leading our children and young ones to imbibe the virtue of giving The miracle at the mountain was made possible by the generosity of a lad who willingly gave his meal of five loaves and two fishes By this singular act thousands were blessed if the number of women and children are added to the five thousand it is estimated to be over ten thousand people It is my belief that the lad went home with blessing in more ways than one represented in quantifiable terms in this story After all it is more blessed to give than to receive Act_20 35 **Five Loaves, Two Fish** Jimmy Larche, 2016-05-01 Maybe you've been wrestling with feelings of inadequacy over what you have to offer God Eleanor Powell is credited with saying What we are is God's gift to us What we become is our gift to God But for many of us our gift to God doesn't feel like much That's why I love the story of Jesus miraculously feeding five thousand men plus whatever family members were with them with five loaves and two fish If we think this story is just about food we are missing something really essential to how God longs to relate with us His children I seriously doubt the little boy in this story set out to be part of a miracle that day We can bet that he didn't wake up that morning expecting Jesus to be able to take his small lunch and feed an entire city If the boy had held back his lunch because he thought it wouldn't be sufficient enough to make a difference it would've remained little But that boy became part of an epic story on a day when Jesus took his small lunch and used it to show forth God's limitless Kingdom and infinite supply Jesus uses inadequate people with limited resources to show forth His power His provision and His adequacy This story found in all four gospels boldly underscores that great things can happen when our inadequacy meets Christ's sufficiency I believe the Lord performed the miracle in this way to teach the disciples that His method for meeting the needs of a lost world is through people utterly seemingly insignificant small people I might add That's what this short book is all about Are you feeling a little inadequate today Remember God can perform miracles in ways that are infinitely beyond our capacity for understanding yet the God of this universe wants us to know that our little means so much to him Whatever your seemingly insignificant five loaves and two fish may be in the hands of God they are a miracle waiting to happen Your little can never remain little in the hands of a big God Philip's City Fred Strickert, 2011-02-01 In this major revision of his prize winning 1998 book Bethsaida Home of the Apostles Fred Strickert presents nonspecialist readers with the latest findings in the ongoing excavation and evaluation of et Tell now identified by many archaeologists as the site of biblical era Bethsaida New discoveries have linked the site back to the Iron Age time of David and revealed new connections to the tetrarch Philip and his family Strickert develops an

explanation for the decline and destruction of the city sharply different from his previous conclusion Readers of Bethsaida Home of the Apostles will want to follow the story into this sequel **Five Loaves and Two Fish** John Ritchie Ltd,2019-02 A beautiful set of bible stories retold and illustrated for children ages 3 6 Each Bible Story is told in clear and simple language with large print for easy reading The series has twelve stories from the Old Testament and twelve stories from the New Testament and they are printed in a great portable size easy to carry around or pop into a bag when travelling Great for introducing children to new bible stories or re emphasising some of the favourite lessons **The Gospel of John in the Sixteenth Century** Craig S. Farmer,1997-04-10 This study of Johannine exegesis in the sixteenth century covers nearly every important commentator on John from the first half of the century and examines the medieval and patristic traditions on which they drew But while comprehensive in its scope this book centers on the John commentary of Wolfgang Musculus 1497 1563 an influential leader of the Protestant Reformation in the cities of Augsburg and Bern As a theologian and biblical scholar he authored a large number of theological and exegetical works which remained popular well into the seventeenth century Despite his influence however Musculus has been virtually ignored by modern scholarship on the Reformation
